SEBI VISIT

We, management students of first year BBA of EMEA ARTS AND SCIENCE College under auspicious of ASIF N , HEAD OF BBA Department conducted and SEBI VISIT to Security Exchange Board of India (SEBI) of Cochin on (date) 15th October 2018. More than 40 students were part of this SEBI Visit. The local office of SEBI in Cochin covers the entire Kerala and union territory of Lakshadweep. It was under the administrative control and jurisdiction of SEBI's southern regional office at Chennai. It looks after investor protection foliating the red renal of the investor grievances against listed companies and market intermediaries in Kerala and to spread investor education and financial literacy in Kerala.

The Indian financial market is one of the most trusted in the world in the content of transparency, and safety for security inverse, and intermediaries. All credit goes to strict supervision of well-structured and bye-law operating regulatory authority-SEBI. As business students, we were privileged to have a chance to visit the guardian of Indian financial market. By 12:00pm, we reached at our destination; Mrs. Sereena (Assistant coordinator of SEBI Cochin) elucidated the working of SEBI to the students. She expounded about numerous departments functional in SEBI like cooperate finance, economic and policy analysis, enforcement, human resources, legal affairs, investigation, investment management, international affairs and so on. She also mentored on the carrier options in SEBI and the process of selection. We had a very short but informative session of two hours at SEBI. Mrs. Sereena was

exultant with the students and said the senior was very interactive.

The visit was beneficial to the students as it provided valuable insights into the functions and the role of the regulatory body on the investors, exchangers, industries etc. It emphasized on the practical application of the concepts we study in the class room. The questions asked by the felicitator encouraged the students and the teaching staffs to ponder out of the bon. Students were well informed about the creation, role, objectives and functions of SEBI

In short, while going through the entire SEBI VISIT and the refreshing sight-seeing of Cochin. The cooperation is found to be very well organized & developed. We realize that SEBI is one of the most ideal industries in every walk of its administration and management aspects. The

entire students of first year BBA extends the heartiest thanks to SEBI for making a day {15th October 2018} a special one. A special thanks to Asif N, HOD of BBA for guiding and sharing the information about the SEBI and making this industrial visit happen.
