Sub: Research Project Proposals – Submitted by Bioscience Faculties Financial Assistance Sanctioned- Orders issued.

ORDER No. G2-175/ 2018-19 EMEA College Date: 15.11.2018

Read- Minutes of the College Research Committee held on

ORDER

As per the order read above Bioscience faculties of the EMEA College were submitted research project proposals for the financial assistance for the year 2018-19.

The college research committee meeting held on 09.11.2018 examined the project proposal submitted by the faculties and recommended for the financial assistance. The principal has approved the minutes of Research committee and Manager, Eranad Muslim Educational Associations sanctioned order accordingly.

No	Name of PI	Title of Project	Amount
1	Dr. Mashhoor K	Isolation and characterization of biosurfactant producing bacteria from oil contaminated soil	8000/-
2	Ms. Ruba Badarudheen	Potential Biomedical Applications Of Biosynthesised Silver Nanoparticles By <i>Alpinia calcarata</i>	12000/-
3	Mr. Yoonus P	Solid State Fermentation For Production of Lipase From Marine Lipolytic Bacteria And Study On Impact Of Nutritional Parameters On Lipase Production	12000/-
4	Mr. Yoonus P	Isolation, screening and molecular characterization of lipolytic bacteria from marine water and partial purification of lipase from selected strain	12000/-
5	Ms. Shilly Das A	Isolation and molecular characterization of PHB producing bacteria....	8000/-

The sanctioned amount can be used to purchase chemicals/ stationary items and Travel allowance for sample collection/ Survey only. The principal investigator has to submit the final brief report and dully signed Utilisation certificate of the project within a month after completion of the project.
