Each group was divided into sub groups and the target of the day was to cover 30 houses per group. We were accompanied by the Ward Member Mr. Aboobakkar Master and kudumshree members. Many shared their personal problems with the volunteers, everyone of the group was given an opportunity to have peek into the life of the natives and quench the curious mind. The groups were very interactive and all ready to lessen their burden. The over whelming response from their side motivated the volunteers to do
