into on this 1<sup>st</sup> day of December 2014

between

**Advanssure Technical Solutions, Kottakkal, Kerala 676503** herein referred to

as **Advanssure**

**AND**

**Department of Biotechnology, EMEA College of Arts and Science, Kondotty**

herein referred to as **College**

### PREAMBLE

'**Advanssure Technical Solutions**' is team of experts in the field of Food Safety, HACCP, ISO 22000, ISO 9001, FOSTAC Training, Certifications, Food Science and Technology, GMP, GHP, HALAL, KOSHER, HIGHFIELD authorised training partner. Advanssure Technical Solutions will assist in food ingredients formulation, new product development, recipe standardisation, product optimisation, labeling requirements, food regulatory affairs among other services to the Food Manufacturing Industry.

**EMEA College of arts and science**, Kondotty is fast emerging as a resourceful destination in higher studies in Malabar. Established in 1982, the college now offers 5 post graduate and 9 under graduate programmes. College is affiliated to the University of Calicut and offers up to date, advanced and job oriented courses in the vast expanding horizon of humanities, science and technology. The **Department of Biotechnology** which started functioning in 2002 is a major attraction of the college which provides facilities for quality teaching, research and

extension activities in the field The Biotechnology Department, EMEA with qualified faculty including Ph.D.'s, is perfectly poised to offer students an opportunity to develop expertise and succeed in building a career in the exciting areas of Biotechnology and related fields. With a lively academic environment and a unique approach to learning that involves thought-provoking discussions and constant interaction among students and faculty, the Department of Biotechnology provides an ideal setting for versatile development of students to achieve the goal of becoming well-trained in all aspects of Biotechnology and related fields.

### **SCOPE OF THE MoU**

Sanitation alludes to taking care of, planning and putting away nourishment in an approach to best diminish the danger of people getting wiped out from food borne illnesses. Food wellbeing is a worldwide worry that covers a wide range of zones of regular day to day existence. The standards of sanitation mean to keep nourishment from getting sullied and causing food contamination. This is accomplished through a wide range of ways. For the Biotechnology, Microbiology and Biochemistry students, it is necessary to complete food safety training and certification. '**Advanssure Technical Solutions**' is one of the pioneer agency to provide training and to conduct certificate programme in food safety. Hence this MoU.

### **THE ROLES AND RESPONSIBILITIES**

**1. Food Safety Training:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the First Party also involve in Industrial Training Programs for the Second Party on payment basis. The industrial training and exposure provided to students and faculty through this

association will build confidence and prepare the students to have a smooth transition from academic to working career.

**2. Skill Development Programs:** First Party to train the students of Second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

**3. HACCP certificate course:** The First party will organise HACCP certificate course of HABC UK at different level as when Second party requires.

**4.** There is no financial commitment on the part of the Second party. If there is any financial consideration, it will be directly collected from the students/ faculty.

#### **VALIDITY**

This Agreement will be valid on 1<sup>st</sup> December 2014 to 30<sup>th</sup> November 2020.
