And

Amplicon Biolabs, Kinfra Techno Industrial, Kakkanchery, Chelembra

PREAMBLE

EMEA College of Arts and Science, Kondotti is fast emerging as a resourceful destination for higher studies in Malabar, spreading the fragrance of education in the society. This college is affiliated to the University of Calicut. The college offers up-to-date, advanced, and job-oriented programmes in the vast expanding horizon of humanities, commerce, and science and technology. The institution aims at the overall development of this backward area of Kerala by opening new vistas of opportunities to the future generations, without any discrimination against caste, creed, sex or colour. The college is run by Ernad Muslim Educational Association, which was formed with the objective of establishing a chain of educational institutions and cultural centres to cater to the needs of educationally and culturally backward section of the community. The college is a stepping stone to realize the objectives envisaged by the Association. Established on 1st November 1982 as a junior college, it flourished as a post graduate college today.

Amplicon Biolabs is dedicated to provide high quality services at reasonable price. The company looks forward to cater the growing requisites for technical and expertise manpower in India. This firm is founded by professionals with proven expertise in Analytical Chemistry, Molecular Biology, and Life Science. Our services include quality control services, research, product development, analytical testing, technical consultancy and human resource development. Amplicon Biolabs offers hands-on training to students that suit the demands of industry and research laboratories.

SCOPE OF THE MoU, THE ROLES AND RESPONSIBILITIES

- 1. Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party.
