

## Seminar on *“Meet your own alumni, dig your own path”*.

**25-01-18**

A career guidance program is conducted by the computer science Alumni. The program is coordinated to give guidance to the students how to face an interview. Our old students, they are already placed in different multinational companies, gave impressive talks and shared their experience during the interview. At the end they have an interactive session with the students to clear doubts about the working experiences, interview questions and all. The program was a big success and help the students learn a lot from their seniors. 73 students were participated in the seminar.

## **Seminar on *“Meet your own alumni, dig your own path”***

**Resource persons**

**Ulasarudheen, Haris and Junaid**

**Institute**

**Infosys, Wipro and Zion respectively (Alumni of the department).**
