**Brief Report**

Proceedings of the orientation programme given to faculty members 8-9-2015 held at College seminar hall - 3. P.M.

Topic: EMEA @2020: An overview

Resource Person: 1) Dr. Zaccaria T. V.  
2) Dr. Ibrahim Cholakkal  
3) Dr. Abdul Muneer V.

Dr. Zaccaria T. V. presented a broad view on the ongoing changes in the field of higher education. He explained the need for a rethink over the way the system is moving. The process of assessment and accreditation is a golden opportunity to the institutions to understand its limitations. The plan EMEA @2020 is intended to enhance the internal quality based on NAA requirements.

Dr. Ibrahim Cholakkal specifically talks on the importance of faculty role. He insisted on the three responsibilities of a teacher: Teacher role, Research role and Service role.

Dr. Muneer V. member, IQAC and the convenor of the drafting committee of the document explained the importance of Student Support programmes. He insisted on the need for conducting test for understanding the learning level of the students. Different learner groups need to be given a considered with standards of positive demonstrations. He added upon the need for specific programmes for
