11. Editorial members of IJARED.

The role of the College Research Committee is to advise and assist the Head of College and the College Council in the fulfillment of the research aspects of the College Strategic Plan. The College Research Committee comprises one selected member from each faculty in the college appointed by the college, a representative of the researchers associated with the College and a chairman appointed by the Head of College. Principal and College Manager are ex-officio members.

Mission

- To enhance quality research by adhering to the highest ethical standards and professional best practices
- To inculcate innovation and performance centered research culture among faculties and students

Objectives

The center will attempt to achieve the following objectives:

- Working with researchers, research clusters and academic units to develop and implement the strategic plan for research.
- Motivating faculty members and students to apply for financial assistance from various funding bodies.
- Undertake research on behalf of government, public and private sector agencies.
- Organize periodic workshops and seminars to improve research and affiliated capabilities among relevant faculty.
- Design and implement training program for research scholars to improve research quality and effectiveness.
- Invited Guest Lectures by eminent National and International Researchers.
- Communicating and publicizing the successes and outputs of college research activities
- Enhancing relationships within the College (between departments and research centers) and with other colleges within the university and other universities.
- Interacting with college office regarding research funds.

Research promotion schemes

- Periodical Review of research activities of the college

- Promoting achievements in research by appreciations and cash Special leave for faculties who are engaged in research.
- Collaborative research proposals between different departments under each faculty.
- Cash award for PG and UG students for publication/ presentation in international /national journals or seminars.
- Start-up research grant to PG students
- To give financial support to the faculties/ students who are willing to publish their research work in UGC listed journals.

RESEARCH AWARDS 2018-'19

organized by
Research Committee
EMEA College of Arts and Science,
Kondotti

The research committee in its meeting held on 09-11-2018 has decided to implement a financial aid of Rs 3000/- for the first paper published in UGC approved journals in an academic year. An increment of Rs 1000/- for the subsequent publications in the same academic year with a maximum grant for Rs. 5000/- for each paper. 'Best Research Award' was constituted for the best research work done by the faculties in an academic year.

The committee has also decided to allocate a startup grant of Rs 2000/- for best PG project work under faculties of Arts, Commerce and Science.
