

Sir/ Madam,

EMEIA College of Arts and Science, founded by the Ernad Muslim Educational Association in 1982, is a forerunner institute in the field of higher education with spectacular infrastructure facilities and standard academics in Malabar. The primary objective is to cater to the needs of educationally and culturally backward sections of the society. The institution aims at the overall development of this backward area of Kerala by opening new vistas and horizons of opportunities to the future generations, without the confinement of caste, faith and colour.

Having started with only 160 students as junior college, EMEA College maintained its continuous growth during the last 33 years to have strength of 1600 students undergoing various undergraduate and postgraduate degree courses. The college is re-accredited with A by NAAC (UGC) and aided by Govt. of Kerala.

With immense proud and pleasure, we are glad to inform you that the Shihab Thangal Library and Research Centre is now ready to serve the student community and research aspirants with its state-of-art facilities. A well equipped Audio Visual Theatre, new Canteen Block and new Commerce Block are also to be unveiled on Saturday, 2nd January 2016.

Honourable Chief Minister Shri. Oommen chandy has consented us to inaugurate Shihab Thangal Library and Research Centre on Saturday, 2nd January 2016. Shri. P.K. Kunhalikutty, minister for Industries & IT will preside over the function. Eminent dignitaries, invited guests and management committee members will also be present.

We are highly related to invite you to bless us on this auspicious occasion.
