## SHELTER FOR NEEDY PROGRAMME PROJECT NO.7 (Special Project for Widows) Co-Sponsored by Retired Teachers Association of EMEA

### A REPORT (2016-17)

**About the project:** Shelter for Needy is a project conceived by EMEA College of Arts and Science, Kondotti for constructing houses in Kummniparamba, the village adopted by the college.

**Context:** The project was introduced in the context of a decision taken by University of Calicut, to which this college is affiliated, to make 40 days social work a mandatory component of UG curriculum.

#### How does it work?

- 1. Resource Mobilization:** The financial resources required for the project is mainly by coupon collection (worth Rs.10/-) from door to door visits. Thus, every final year student voluntarily collect Rs. 300/- per year. In addition to this, the CSS also receive donations from old students, retired staff, College Union, Student Initiative in Palliative care (SIP), other philanthropists and well-wishers of the institutions. Generally shelter for need projects are held in collaboration with various housing schemes of local self-governments.
- 2. Manual Work:** Apart from raising fund, students themselves take tools to construct the house in all stages, including constructing the platform, walls, slabs, loading materials, painting,etc.

### PROJECT NO.7

#### SUMMARY

On verifying the applications from the adopted village and considering the challenges and problems of widows, the CSS committee decided to give special weightage to surviving wives with poor socio economic background. Consequently, Ms Chittangadan Kadiyumma, a retired contract staff in the Women's Hostel of the college was selected as the seventh beneficiary of the shelter for needy programme implemented under CSS scheme of University of Calicut. The resources mobilization towards this project began in the month June 2016 and
