**HOSTEL DAY CEBERATIONS**

**31March 2015**

Education is perceived as an agent for empowerment of women. An increasing number of students willing to travel long distance seeking higher education have amplified the demand for safe and secure place in the institution. In addition to security, hostel as a residential unit can foster community living and the value of sharing. With a view to provide hostels and other infrastructural facilities to achieve the goal of enhancing the status of women and harness the potential available for the development of the society at large, and also to bring about gender equity and equal representation of women, the college has constructed state of the arts ladies hostel with UGC aid . It functions as an epitome of gender justice. Hostel day is regularly celebrated in such a manner promoting the values of gender equity. Instead of dividing the society on gender basis, these celebrations are held promoting mutual trust among students. Women’s Hostel day for the year 2014-15 was held on 31<sup>st</sup> March 2015 with a variety of programmes. Both men and Women participated in the celebrations, of course with reasonable restrictions. 80 imamates and 30 specially invited faculty members, nonteaching staff and students attended.
