### MEHANDI FEST

17 AUGUST 2016

The mehndi ceremony is a reflection of the rich Indian culture, bringing together the knowledge of medicinal herbs with many lovely sentiments and beliefs. The result is a ceremony filled with fun and joy and the perfect precursor to the auspicious wedding day. It is a traditional exciting pre wedding ceremony. It is a form of body art originating in ancient India, in which decorative designs are created on a person's body, using a paste, created from the powdered dry leaves of the henna plant.

Now, mehendi art has become an event for the girl students to perform their artistic skills. In this campus, the mehendi festival is celebrated under the leadership of College Union and they consider this occasion as an opportunity to bring girls to the mainstream of the campus life. In the year 2016-17, Mehendi fest was held on **17<sup>th</sup> August 2016**. Around 200 students participated in the competitions. These festivals seem to reinforce the values of co-education.
