

Blood Donor's Directory 2018

A REPORT

The voluntary donation of blood and blood related products will eliminate the paid donation of blood and blood related products and it reduces the risk of infections that can be transmitted through blood and blood products.

EMEA College Red Ribbon Club organized a blood group detection camp and made a Blood Donors directory on 24-09-2018. The blood detection camp was sponsored by Relief Hospital Kondotty. A total of 340 students attended the camp. Out of them 82 were came forward to donate blood voluntarily.
