

FLOOD RELIEF- PROVIDED ESSENTIAL ITEMS -2019

A REPORT

In 2019 Kerala witnessed another heavy rainfall and severe flood which severely affected the northern districts of Kerala. The government of Kerala issued Red alert in the 9 districts of Kerala. Thousands of people have been evacuated to safe places and relief camps. A total of 101 people have died due to rain-related incidents. The relief camps hosted more than 2 lakh people from various parts of the state.

EMEANS 2013-16 batch organized a flood relief drive by contributing amounts by each and every member of the batch. They opened a Bank Account for this purpose and requested to their batch to contribute amounts to the account. Mohammed Shabil.P was the coordinator of this drive. An amount Rs 210000 were collected and they purchased essential articles like glass, dishes, rice, cereales, bed sheets, buckets, gas stow etc . They distributed these items in the flood affected areas of Wayanad district.
