

Students Union Inauguration and Oath Taking

Student Unions mostly in colleges and universities act as a medium between college authorities and students. Student unions stand to solve the problems that are faced by students in colleges. They fight against the authorities for the fulfillment of student needs. Well are student unions necessary in colleges and universities.

EMEA College Students Union 2017-18 organized an oath taking ceremony as in the Union inauguration function. As part of the function, College Union staff advisor Prof. Jahfar delivered a session titled “The role and responsibilities of student representatives”.
