ABOUT SEBI

OVERVIEW

The Securities and Exchange Board of India was constituted as a non-statutory body on April 12, 1988 through a resolution of the Government of India.

The Securities and Exchange Board of India was established as a statutory body in the year 1992 and the provisions of the Securities and Exchange Board of India Act, 1992 (15 of 1992) came into force on January 30, 1992.

PREAMBLE

The Preamble of the Securities and Exchange Board of India describes the basic functions of the Securities and Exchange Board of India as "...to protect the interests of investors in securities and to promote the development of, and to regulate the securities market and for matters connected therewith or incidental thereto"

FUNCTIONS OF SEBI

- It regulates the operations of depositories, participants, custodians of securities, foreign portfolio investors, and credit rating agencies.
- It prohibits insider trading, i.e. fraudulent and unfair trade practices related to the securities market.

SEBI VISIT

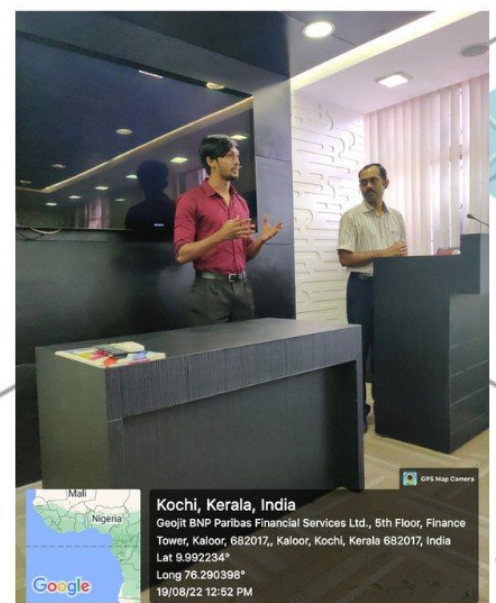

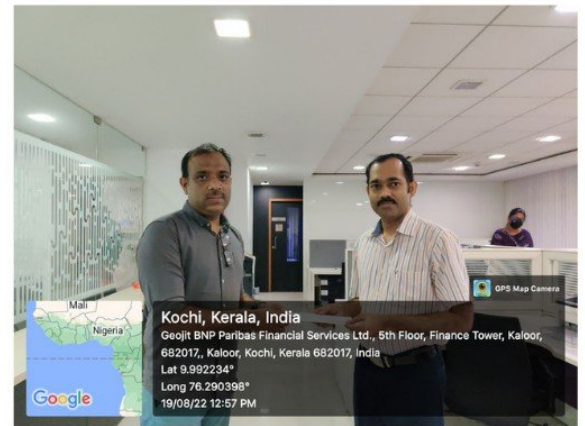

19-08-2022

The students were given a brief class regarding the Security exchange market of India and how it operates, it's function and it's necessity by Mr. Arun E.A (Assistant General Manager). They were able to improve their knowledge regarding this topic. The session ended with a question and answer session in which the students were able to clear all their doubts and gain further enlightenment. A few words of gratitude were given by the student Aktham Habeeb

The students were punctual and arrived at the destination on given time and were given a very hospitable warm welcome from the institution. Overall it was a very informative experience for the students as it further their knowledge on the security exchange market.

TOPICS COVERED DURING THE PRESENTATION

- Mutual funds
- Secondary and primary markets
- Book building
- The players of the market
- The stock market
- Derivatives
- Bonds
- Foreign exchange market
- Share market
- The need, importance, role and objectives of Security Exchange Board of India

ABOUT MAKER VILLAGE

OVERVIEW

Maker Village is the largest electronic hardware incubator and ESDM facility in the country, which is a pioneering startup initiative of Ministry of Electronics and Information Technology, Government of India with Indian Institute of Information Technology, Trivandrum as the implementation agency and Kerala Startup Mission as the supporting partner.

OBJECTIVES

Maker Village envisages to build the most thriving and equipped hardware ecosystem in the country and become an entrepreneurial hotspot of all makers from anywhere in the world and attract the best startups and entrepreneurs to the facility.

We have build a comprehensive end to end state-of-the-art facility to digitally transform an idea into reality. We are also working with an extensive network of partners in a multitude of areas that would enable entrepreneurs build, launch and scale innovative companies.

Maker Village intends to promote Hardware focussed innovation and set up labs and centres that focus on the current trend and emerging disruptive technologies to bring India to the forefront of innovation in these areas.

We have build a 60000 sqft facility inside the Kerala Technology Innovation Zone, Kochi, which is part of the largest Integrated Startup Complex in the country. The facility has co-working spaces, conference rooms, electronics and Instrumentation labs, Metal Machining area, Industrial 3d Printing and Plastics facility and an Industrial SMT Line. This is also a platform for the industry, academia and the startups to collaborate, mentor, educate, research and create products and IP.

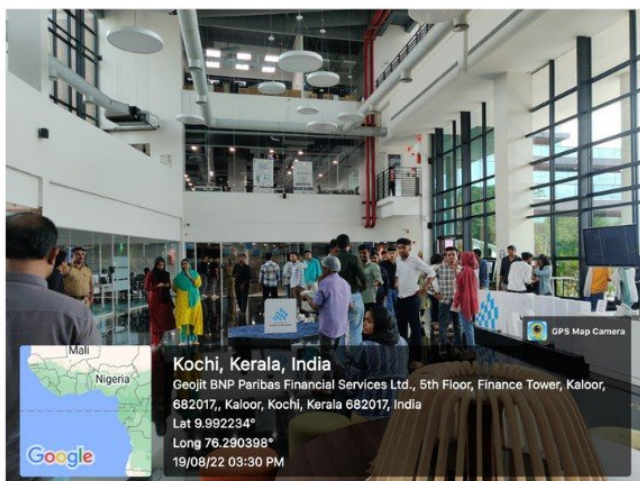

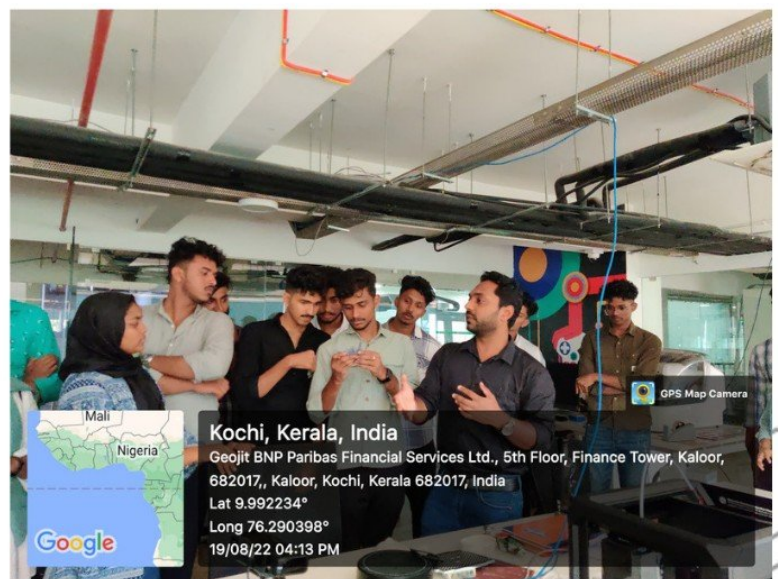

MAKER VILLAGE VISIT

19-08-2022

The students were given a brief session about the institution and their objectives, their role and why they are necessary by Mr. Vineeth Jacob (Program Manager). He was pumped to show the students around the facility, showing various workshops, labs with all the latest technologies. The institution is really keen on developing ideas and dreams to reality as they inquired with the students whether any of them present there had a bright idea that would love to bring to reality. Maker Village is all about bringing technology based ideas to fruition. It is a perfect place to incubate such ideas with really exquisite workspaces.

The students were mesmerized by all the highly sophisticated latest machineries and technologies inside the facility which is used to bring the dreams to reality. Each chamber in the building had a workshop/lab that does specific functions. The students gained inspiration by seeing the facility and obtain further knowledge on technology based startups and where you can make them.

RAMAKKELMEDU VISIT

20-08-2022

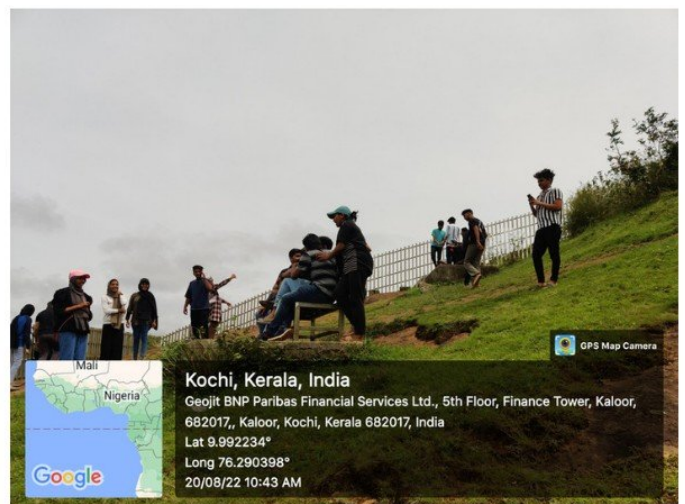

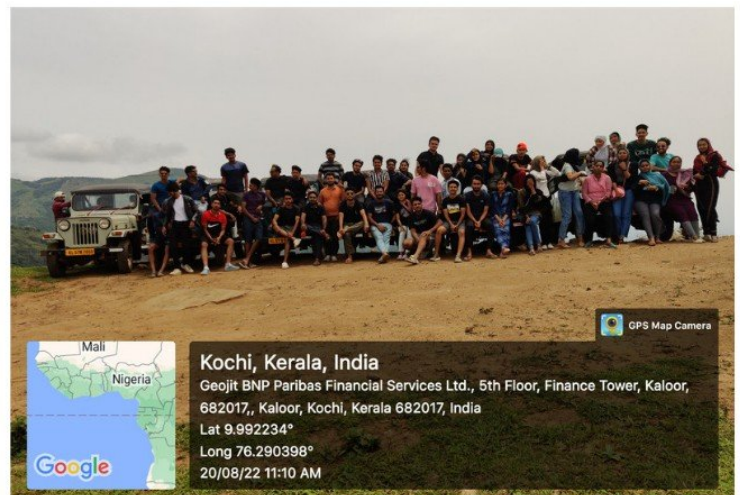

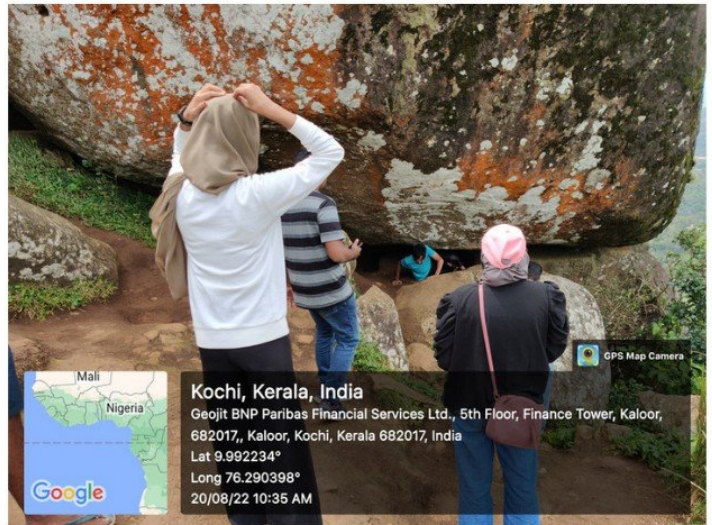

Ramakalmedu is a hill station and a hamlet in Idukki district in the Indian state of Kerala. The place is noted for its panoramic beauty and numerous windmills.

Aamakkallu

Aamakkallu as the name implies is a huge rock resembling the shape of a tortoise. It is located in a higher peak on a the left side of the Thookkupalam – Ramakkalmedu route. Even though it is very near to Ramakkalmedu, the well known tourist spot, it is virtually impossible to reach the peak from there. Aamakkallu comprises of two huge rocks which is separated by a vertical crack running through out.

Kuravan and Kurathi Statue

Ramakalmedu is a historic site with a Monument to Kuravan and Kurathi - a large statue that depicts the Sangam Period and Sangam landscape of Kerala and Tamil Nadu. The monument provides a panoramic view of Tamil Nadu villages and towns, including Cumbum, Theni, Kombe, Thevaram, Uthamapalayam, Bodinaykannor and Vaiga. Rolling green hills and the fresh mountain air make Ramakalmedu an enchanting place
