

ASAP fest -VOCATION FOR VACATION - (03-02-15)

Additional Skills Acquisition (ASAP), one of the foresighted initiatives of state government has proved to be beacon of hope for the aspiring students to realize their career dreams. ASAP, a joint initiative of general and higher education departments aims to impart necessary skills in communicative English and information technology to select students of the arts and science colleges across Kerala.

ASAP fest 2015, organized in association with the college NSS units aimed to let the final year under graduate students to understand the myriad prospects of the ASAP scheme. The programme was chaired by ASAP coordinator Prof. Lilith, while NSS programme Officer Jahfar Odakkal, welcomed the gathering. Inaugurating the fest, the college principal Dr. Mohammed Rafeeqe dwelt at length on the challenges in conventional education that hinders the job prospects of students in the highly competitive new world. The fest was also attended by ASAP programme manager for Malappuram district Ashik Rahaman. The fest attended by final year students of all the UG departments of the college thus kicked off the ASAP scheme for the year 2014-15.

100 NSS volunteers were participated in this programme
