BACKGROUND AND RELEVANCE

International Day Against Drug Abuse And Illicit Trafficking June 26.

The United Nations General Assembly decided to observe June 26 as the International Day Against Drug Abuse And Illicit Trafficking on December 7, 1987. The main motive behind doing this was to take action toward the goal of creating a society that's free of drug abuse.

In order to create awareness about the serious impact of drug abuse and to seek international support to fight it out, June 26, every year is celebrated as the International Day Against Drug Abuse And Illicit Trafficking or World Drug Day.

"Addressing Drug Challenges In Health And Humanitarian Crisis " is the theme for International Day Against Drug Abuse And Illicit Trafficking 2022.

There is a high cost for not implementing best practices in drug abuse prevention for students, campuses, and the larger community. Drug abuse can have many short- and long-term negative effects including physical and mental health problems, legal consequences, and impairment in many areas of a person's life, from school to work and interpersonal functioning. Drug misuse can have lifelong consequences. Preventive education programs all seek to discourage users and impending abusers from experimenting with illicit substances or continuing to abuse them.

REPORT

The NCC-CISF of EMEA COLLEGE OF ARTS AND SCIENCE KONDOTTY conducted a program 'Marathon' as part of the international day against drug abuse and illicit trafficking. In this program, airport director Mr. Suresh, CISF DC Kishor Kumar and EMEA College principal NCC's ANO Lt. Abdul Rasheed.p were present.

At 7:30 a.m., NCC cadets and CISF staffs arrived at the College stadium. There was a small awareness class on drug abuse. After that, the journey started from EMEA College to Karippur airport, the main marathon, It was almost 4km from the starting point. The participants started running and reached their destination Karippur airport. Despite minor setbacks during the race, they reached their destination unnoticed.

Arrangements were also made to assist anyone who was tired during the race.

After arriving at Karippur airport, CISF DC Kishor Kumar received the NCC Cadets and CISF and spoke to them for a while. After that snacks were given for refreshment. Then that was the time for photo section. They all took photos together.

The reason for running the 'marathon' program is against the growing drug addiction in the world. The program aims to raise awareness among today's people about the dangers of using drugs
