

The Department of Computer Science at EMEA College of Arts and Science in Kondotty organized a workshop on AWS Cloud Computing in collaboration with Ruzivo School of Science and Technology on 14 February 2023. The workshop was marked by enlightening sessions, hands-on exercises, and interactive discussions, all facilitated by the distinguished resource person, Mr. Mithun Kalarikkal, Developer Engineer, 10+ years of industry experience and International Trainer. The primary aim of this workshop was to provide participants with a comprehensive understanding of Amazon Web Services (AWS), a leading cloud computing platform, and its practical applications in the field of information technology. The programme covered topics related to AWS cloud computing, offering participants an opportunity to expand their knowledge and skills in this critical field. Participants received in-depth knowledge of various AWS services, including compute, storage, databases, and networking. The practical applications of these services were discussed, allowing participants to grasp their real-world utility.

The poster features a dark blue background with white and light blue text and graphics. At the top left is the Ruzivo logo, and at the top right is the EMEA College crest. The main title 'WORKSHOP ON AWS CLOUD COMPUTING' is in large, bold, white letters. Below it, the date and time are listed: 'WEDNESDAY | 15 FEBRUARY 2023', '01.30 PM - 03.30 PM', and 'VENUE : COMPUTER SCIENCE LAB'. A circular graphic on the right contains various tech icons. At the bottom left is a photo of Mithun Kalarikkal, with his name and credentials: 'Mithun kalarikal', 'Devops Engg.', '10+ Years of Industry', and 'Exp International Trainer'. The AWS logo is at the bottom left, and contact information '+91 9847 667 224' and 'RUZIVOEDU.CLT@GMAIL.COM' is at the bottom right.

## REPORT

On 28th October 2022, the Department of Computer Science conducted a Tech Talk for the students of 1st, 2nd & 3rd Year. The program started at 2.00 PM and extended upto 3.30 PM at Seminar Hall.

The Tech talk was about "Become a next generation software professional".The session handled by the guest speakers Mr. Umer Mukthar V(Technical Director of Arion Infotech, Kinfra Kakkancheri) and Mr. NM Mashhood(HR Manager of Arion Infotech, Kinfra Kakkancheri).The program turned out to be a successful event.

The Department of Computer Science at EMEA College organized a seminar titled "Becoming a Next-Generation Software Professional" on September 15, 2023. The seminar aimed to provide valuable insights and guidance to aspiring software professionals, equipping them with the skills and knowledge required to excel in the fast-evolving field of software development.

## OZONE DAY CELEBRATION-REPORT

As a part of world ozone day celebration, the Double Main department of Mathematics & Physics, EMEA college, Kondotty conducted a e-poster designing competition on 16/09/2022 with the aim of promoting awareness on environmental conservation among graduate students. The programme was started by the welcome speech of Dr. Abdul Rasheed Paloly at 3.00 PM. The faculty member Mr. Muhammed Ajmal P gave instructions for making posters. More than 20 students participated in poster making competition.

**Welcome Speech by Dr. Abdul Rasheed Paloly**

In the competition, the students produced many different types of attractive posters. Some of its best posters are given below

*Poster by Mr Shibili from West Asia department*

*Poster by Mr Anandu from Double main department*

Mr Shibili from West Asia department secured first prize in the competition and Mr. Anandhu from department of Mathematics and Physics secured second prize. Dr KP Santhosh gave the gifts to them at the inauguration ceremony of the department held later

## **Webinar on smart phone astrophotography and Professional astrophotography.**

The double Main department of Mathematics and physics in association with CKGM college Perambra conducted a webinar on Smartphone astrophotography and Professional astrophotography on 24<sup>th</sup> September 2022. The resource was Dr. Nijo Varghese from Sacred heart college, Chalakkudy. The webinar was intended to give directions to students interested in astrophotography. The webinar extends up to 1.5 hours and the resource person teaches the techniques for capturing the stars, comets, and galaxies with minimum light pollution. The webinar deals more with adjusting the parameters like shutter, aperture and exposure time, the optimal parameters to capture the celestial bodies very clearly. The welcome speech is given by Jincy Thomas from CKGM college, Perambra. Dr. Ramsiya M, Head of the department, EMEA college highlighted the importance of astrophotography and photographic techniques. This class helps the students to capture the celestial events with clarity. The program ended with a vote of thanks by Rufaida.

## **BACKGROUND & RELEVANCE**

EMEA NSS Unit conducted a Digital Poster Making competition in association with “National youth day” on Jan 12<sup>th</sup> from 10 AM to 12 AM.

# **REPORT**

## *Digital Poster Making*

As part of National youth day, EMEA NSS Unit organized a Digital Poster Making Competition on 12<sup>th</sup> January.

The topic was 'Growing Youth.' The competition was conducted from 10 AM to 12 AM through online. 17 students participated in this competition.

The prize for winners was A "Full Alfahm Mandi", sponsored by 'Holy Grain' restaurant and cool bar.

The winners were Mohammad Shibili, student of West Asian Studies, 3<sup>rd</sup> year and Vasih, student of BBA, 2<sup>nd</sup> year.
