GUEST SPEAKER PROFILE

I am Saife Valappara-Career Designer | Skill Finder | Mind Solutionist. My Youtube Channel & Instagram will provide you with answer that may be useful in making that critical career or educational decisions.

Choosing a career or the best course can be challenging, whether the person making the decision is a parent of a young child or not. Since I am aware of these difficulties, for the past 7 years I have assisted people in making educated decisions about their higher education, careers, and professions by educating them about available courses and career options. You have therefore come to the right place if you someone who is lost and is searching desperately for answers.

Sometimes all one needs is a little assistance to stand tall and proud. With this understanding from my life journey, I knock on your social media every day with hopeful reminders of motivation and strength.
