A Report on “STUDENTS INDUCTION PROGRAM” 2022-2023 (First Year Batch: 2022 - 2025) 19.9.2022 to 26.09.2022

Transition from school to college life is one of the most challenging events in a students’ life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role.

As per the guidelines of the Institution, Students induction program **eMERGe 2022** conducted from 19.9.2022 to 26.09.2022 for all the first year students (Batch:2022-2025, Co-operation & Computer Application) of PG Department of Commerce of EMEA college who all are admitted in academic year 2022-2023 and covered 5 Induction Programme Modules of the Department.

The EMEA College of Arts and Science in Kondotty hosted the 'eMERGe' One Week Long First Year BA Economics Induction Programme from September 19th to September 26th, 2022. The program was aimed at providing new students with an introduction to their course of study and an overview of the college. The induction programme was held in the Seminar Hall.

The program commenced with a warm welcome from Muhammed Najeeb PM, the Head of the Department of Economics, who outlined the importance of this induction program for the students. Hussain V, the Advisor of the first-year BA class, then gave a general information presentation, which involved an introduction to the college and the program, including various facilities and resources available to the students.

Muhammed Najeeb PM, Head of the Department of Economics, provided an overview of the departmental structure, various faculty profiles and areas of specialization during the session on the Department and Teachers Profile Presentation.

Dr. Ibrahim Cholakkal, in his presentation explained the Scope of the program and career Opportunities for the students. His talk helped the students understand the various career prospects available in the field of economics and how the course will help them achieve their goals.

Abdurazaque PM spoke about the important college rules and regulations in the next session. The session brought to light the students' roles and responsibilities, attendance policies, disciplinary actions, and other college regulations to ensure that students become a responsible part of the institution.

Muhammed Nisar TV discussed the Syllabus and structure of the Economics program. Mr. Nisar outlined the various subjects, modules, and topics that students will be covering during the course of their studies. He also highlighted the importance of attendance, participation, and student-teacher interactions for a better learning experience.

Hussain V's session on the Advisory scheme and Mentoring helped the students understand the program's support system. Students learned the importance of a mentor in their academic and personal development and how they would be assigned a mentor who will help them through any difficulties in their academic journey.

The last session on the Clubs and Associations was taken by Dr. Rajasekharan KE. The session was interactive, with students and parents participating in the discussions. Dr. Rajasekharan explained the various clubs and associations available on campus and how students could get involved in extracurricular activities, allowing them to develop their interests outside of the classroom.

Finally, Hussain V wrapped up the program with a vote of thanks to all the parents and students who attended the event. Overall, this induction program was an excellent opportunity for students and parents to understand the college's workings, instill discipline, build skills, and gain momentum before beginning their journey towards a bachelor's degree in Economics.

DEBATE CLUB

EMEA COLLEGE OF ARTS AND SCIENCE KONDOTTI

**PROF-TALK II
DR. ABDUL MUNEEB V**

**Topic: Manufacturing consent:
"How political narratives are made"**

24th February 2023 at AVT.

REPORT

Debate Club – An Introduction

Debate Club is student's initiative of EMEA College of Arts and Science to ignite the young minds on contemporary socio-political issues and help them to understand, analyse and articulate the social phenomena in best manner. As a forum for debate and discussion the club has organised several programmes on various issues in Campus. The club was very active in 2022-23 academic year with different programmes. The team led by Muhammed finos and Nasiya farsana has done a good job during this period under staff advisor Dr. Ashraf Valoor. Now the Club has around 100 active memberships from various departments.

Prof – Talk Series

It is a new initiative under the debate club to enrich the academic culture of the campus. The concept of this talk series is to deliver a talk on specialised areas of senior faculties in the college. This is an attempt to utilise the expertise and scholarship of senior teachers beyond the boundaries of their respective department.

Prof – Talk-II

Debate club of EMEA college of Arts and Science conducted Prof talk-II on the topic Manufacturing consent : "How political narratives are made" Friday 24th February 2023 at 2:00pm in Audio visual theatre. The program was commenced by Dr.Ibrahim cholakkal professor of economics department and the presidential address was given by Dr Ashraf valoor the staff coordinator of Debate club and head of political science department.

The speaker of the program was Dr. Abdul Muneer.Assosiate professor and head department of journalism. He handled the complete session in an interesting way with the help of slides and videos of political narratives which captured the audience's attention very much. That was a very interesting and effective one. Undoubtedly the session helps the

students and teachers to understand how political narratives are made and how it works in our society. Moreover the way he took the session was wonderful. He conquered the complete attention of the audience. Therefore many students attended the session.

The program was welcomed by Sinu Shirin from Ba English and Nashwa kanneth from Ba English delivered the vote of thanks. Debate club gave a token of love to Muneer Sir and also gave a memento to Fathima Najila- Tp BA English for winning 3rd prize in essay competition conducted by department of Development Studies University of Calicut. Besides Certificates for national seminar handed over to Amjad Sha.A and Mohammed Arselan.KT by HOD of West Asian department Dr. Firoz KT.

16 & 17

NOVEMBER 2022

Introduction

Shihab Thangal Central library and research centre, EMEA College of arts and science in association with IQAC organised a two day FDP programme for faculties and research

scholars. The FDP was based on Scholarly publishing and Indian Research Information Network System (IRINS) and VIDWAN. The programme was arranged on 16th and 17th November 2022. VIDWAN is the premier database of profiles of scientists / researchers and other faculty members working at leading academic institutions and other R & D organisation involved in teaching and research in India. It provides important information about expert's background, contact address, experience, scholarly publications, skills and accomplishments, researcher identity, etc. The database developed and maintained by Information and Library Network Centre (INFLIBNET) with financial support from the National Mission on Education through ICT (NME-ICT). The resource person of the programme was Mr. Jobin Jose, UGC Librarian, Marian College Kuttikkanam.

The Faculty development programme on Scholarly publishing, VIDWAN and IRINS started at 10.00 am on 16th November 2022. The session was commenced with a welcome speech by Dr. Mahjabeen Aydeed, Librarian and co-ordinator of the programme. After the welcome

speech the session was handed over to the resource person Mr. Jobin Jose. The first day of the programme was mainly confined on the general aspects of scholarly publishing and related topics. This was mainly to create an awareness among the faculties regarding different publishing portals and procedures. The programme on its first day was concluded

at 4.00 pm.

The resource person Mr. Jobin Jose started the session on the second day at sharp 9.30 am on 17.11.2022. The resource person started the session by identifying to the audience different researcher profiles and identifiers like Google Scholar profile, Scopus profile, ORC ID and Vidwan ID etc. The participants were initially trained for creating different profiles by live demonstration before entering to the main topic. Each participant created their own profiles on the spot itself under the supervision of the resource person. After that the resource person started discussing on the main topic of Indian Research information network system (IRINS) and sholarly publishing. He explained that IRINS is a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre that facilitates the academic, R&D organisations and faculty members, scientists to collect, curate and showcase the scholarly communication activities. The participants were very curious listening to the class. It was a lively session as the participants asked different queries and it was immedietly solved by the resource person. The fist session put to an end at 12.30 pm for a lunch break.

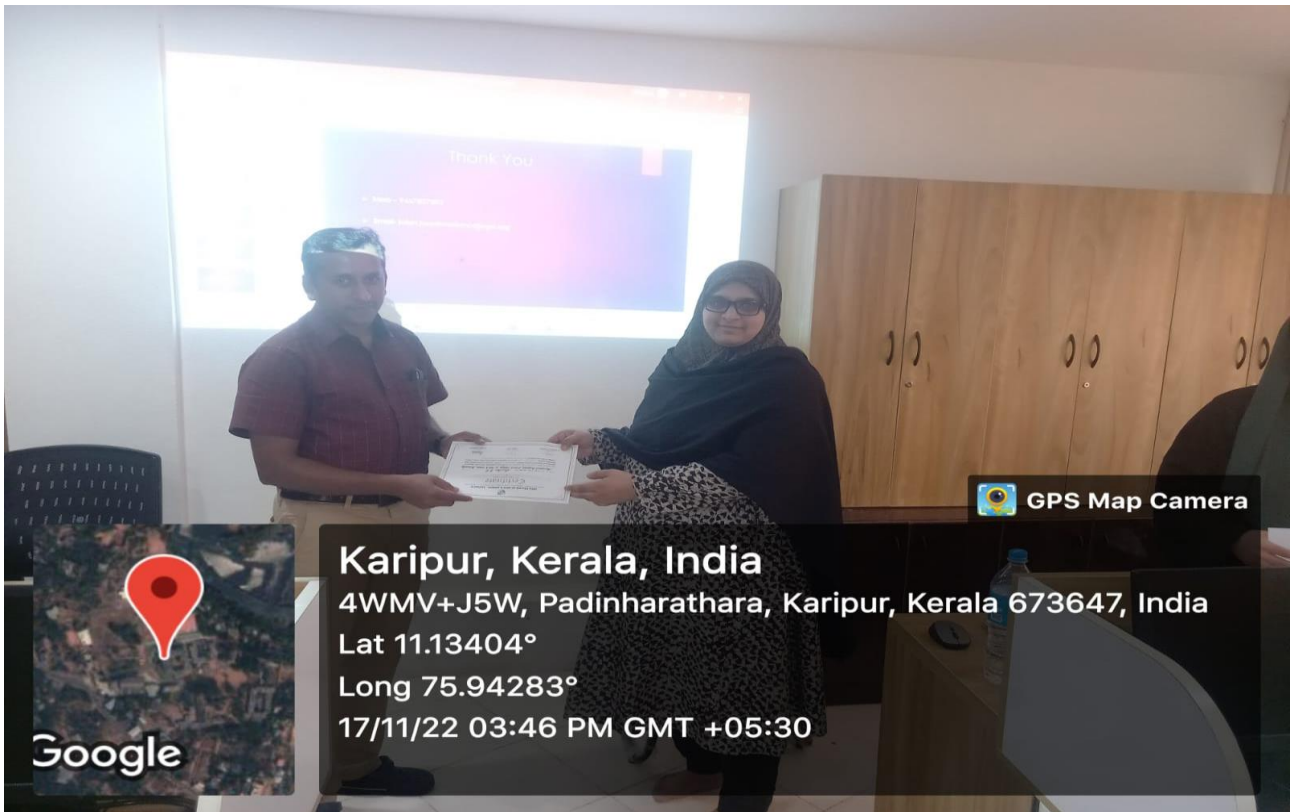

Participants of the FDP listening to the lecture

The session after the lunch break commenced at 1.15 pm. After that the discussion extended to different scopus indexed journals, UGC care listed journals and peer reviewed journals. The final section of the program was engaged on the discussion about fake journals or predatory journals. He pointed out with the list of different fake journals and also remembered the audience to be aware of such journals which will have an adverse effect on their career.

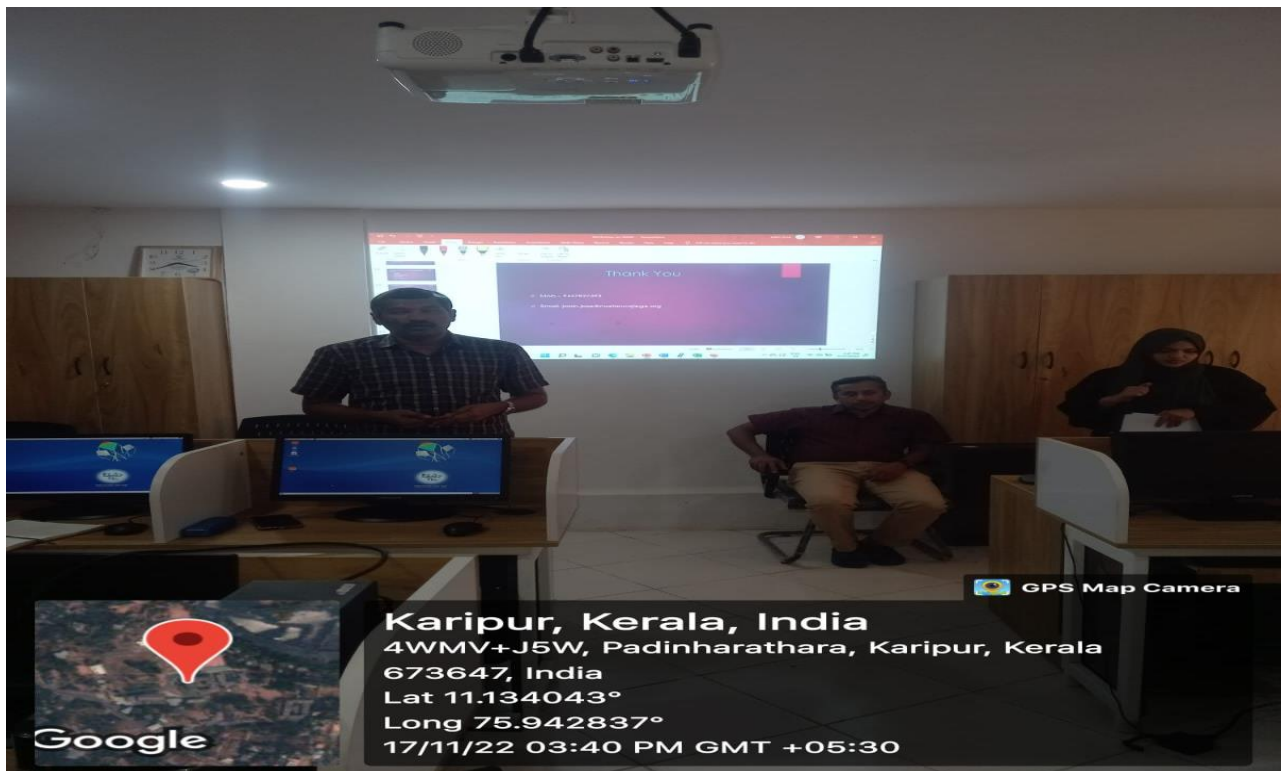

Mr. Jobin Jose handling the session

The session was concluded at 3.30 pm. The valedictory session started soon after the session. Mr. Nisar U, Assistant Professor of History and West Asian Studies proposed the vote of thanks. Most of the participants provided positive feedbacks. The certificates were distributed to all the participants.

Mr. Jobin Jose, the research scholar handing over the certificates to participants

Community library Book collecting Programme brochure

One book one student challenge is an initiative by the library club of EMEA college of arts and science in order to collect books from the students for setting up of a community library. The programme was meant for collecting books from students of the different departments of the college in such a way that at least one student can contribute a book. These collected books can be utilized for setting up of a community library in the Kumminiparamb locality. The programme one book one student challenge was started on February 22nd 2022 and extended till March 2nd 2022. As part of this programme a box was kept for putting the donating books at the main entrance of the college. Teachers of the different departments also contributed to the community library. Books were also handed over to the librarian by the students and teachers as part of the programme. Around four hundred books were collected for setting up of the library and most of them were in the Malayalam language. The community library was arranged inside the Arts and sports club of the locality.

Program brochure of community library inauguration

Library extension service is an effort to increase the number of its users to make the maximum use of its resources. It is an attempt to turn the library into a social center which encourages reading. This will lead to creating social awareness among the users' community. Library extension services have been successful to create a positive impact on society. Setting up a community library is a library extension activity. Community libraries are established owned and managed by and for a specific community, clearly based on community needs. As an extension activity of the EMEA library club an EMEA community library was developed for the Kumminiparamb locality. Kumminiparamba is a small Village in Kondotty Block in Malappuram District where the college locates.

The books contributed by the students as part of One book one student challenge were taken for setting the community library. The inauguration of the community library was done by PK Basheer, the MLA and Secretary of the college by hand overing the books to the secretary of the Kumminiparamb club on 30th July 2022 at 5 pm. The event was held at the main entrance of the college. The principal of the college Lt. Abdul Rasheed sir, Club co-ordinators Dr. Mahjabeen Aydeed, Librarian and Mr.Firoz T.K, HOD, Department of WAS and the library club members also participated in the program.

P.K.Basheer, the MLA and the secretary of the EMEA college inaugurating the community library by hand overing the collected books to the Kumminiparamb club secretary

EMEA Community library will surely benefit the people of the locality since no other libraries are there for the local people for reading and enrichment in the kumminiparamb village. The secretary and the MLA congratulated the team library club for the efforts taken for setting the community library.

Report

EMEA College organized PSC Exam Orientation Class under Minority Cell.

The purpose of the class was to provide the necessary orientation for the special examinations for various uniform services in Kerala. Fire and Rescue Officer NIZAM MOONNIYUR took a class to students.

Students got proper awareness about uniform services. He mentioned in the class all the areas like exam format, exam questions, job prospects, income etc.

The participation of students from degree & PG level was impressive. More than 200 Students participated in the program. Dr. Ashraf Valoor inaugurated the program.
