## INDIA CELEBRATED 75 THE INDEPENDENCE DAY

India On Sunday Celebrated Its 75<sup>Th</sup> Independence Day With Indian Honorable Prime Minister Hoisting The Tricolor And Addressing The Nation From Red Fort . Jawaharlal Nehru The First Prime Minister Of Independent India That Is Bharath , Sardhar Patel Who Turned The County Into A United Nation. And Many Other Freedom Fighters Who Gives The Ultimate Freedom To This Nation. The County Is Remembering Every Such Personality, The County Is Indebted To All Of Them.

The Post Independence India Have Faced And Facing Many Internal And External Issues That Maybe Either Pakistan Aggressive Policy Against India ,Chinese Infiltration On Our Line Of Actual Control And Insurgence Activities Etc.. But India Has Diplomatically Approached The Entire Such Issues. In This Regard We Should Remember Our Grate Solders And We Should Not Forget Our Great Solders Who Sacrifice Their Life During Protecting Our Mother Land Like Major General JASWANTH SINGH RAWATH , Havildar ABDUL HAMEED, Lance Naik Hanumanthappa, Captain Mahendra Nath Mulla, Major Sandeep Unnikrishnan And May More Brave Indian Soldiers.

Today There Is No Field In Which India Has Not Waved Its Fifth. But This Journey Of 75 Years Was Not Easy At All. The Country Has Worked Hard To Reach Where The Country Is Today. Today The Country Is Progressing But Corruption Is A Major Obstacle In The Economic, Social And Political Progress Of The Country. All The Parties Like Government, Citizens And Private Sector Need To Work Together To Eradicate Corruption. In This Direction, The Policy Should Be Made With Integrity.

### Azadi Ka Amrit Mahotsav

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of it's people, culture and achievements.

This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of Aatmanirbhar Bharat.

The official journey of Azadi Ka Amrit Mahotsav commenced on 12th March 2021 which started a 75-week countdown to our 75th anniversary of independence and will end post a year on 15th August 2023. Following are the five themes of Azadi Ka Amrit Mahotsav.

### **Har Ghar Tiranga**

Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

## BACKGROUND AND RELEVANCE

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements.

Azadi ka Amrit Mahotsav is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. The official journey of "Azadi ka Amrit Mahotsav" commences on 12th March, 2021 which starts a 75 week countdown to our 75th anniversary of Independence and will end post a year on 15th August, 2022.

Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building

As India is celebrating its 75th year of Independence, the zeal and enthusiasm is echoing the streets and nooks of the country as Azadi Ka Amrit Mahotsav is being observed. People are bringing the Tiranga home to be part of the 'Har Ghar Tiranga' campaign.

# INTERNATIONAL MICROORGANISM DAY CELEBRATION

## REPORT OF POSTERMAKING COMPETITION

International microorganism day is celebrated every 17<sup>th</sup> September. Whether we know it or not, microbes are an essential part of everyday life. From health to the environment, microbes have a role and our mission is to highlight and celebrate that on International Microorganism Day on the 17th of September each year. Our mission is to teach and provide a platform for microbe lovers around their world to share their passion and knowledge. We are making an even greater effort to promote the positive contributions of microorganisms in our daily lives, given the negative stories associated with viruses in the news, and the microbiological knowledge to fight new and more traditional pathogens.

In light of the above Microbiome club & PG Department of Microbiology organized a poster making competition on 26<sup>th</sup> September 2022 on the topic of Microorganism in our daily life. The activity kept the student engaged and gave them a platform to explore their creativity and to showcase their skills.

The poster making competition started at 2.30 pm with a brief introduction of importance of microorganisms in our daily life by Hasna K P coordinator of the program. Dr.

Shiji Thomas head of the department of microbiology took the initiative of explaining the attendees about the meaning and importance of “International microorganism day”. Mrs. Rasheeda and Mrs. Jisha P J from the Department of Microbiology moderated the program.

10 teams with 2 members from B.Sc and M.Sc Microbiology took part in the competition with a meaningful and significant theme. Each team displayed their artistic skills and enthusiasm and made beautiful posters that gave the message of microorganisms in our daily life. Dr. Shiji Thomas, Mrs. Rasiya K T, Mr. Yoonus P, and Mrs. Zaheera Banu N K were the esteemed judges for the competition. The results were announced after one week of the competition.

KONDOTTY, 29K BATTALION

## BACKGROUND AND RELEVANCE

The memory of Kargil war is commemorated as Vijay Divas on 26 th July every year. It celebrates India's victory over Pakistan in the year 1999. During this war, the Indian Army evicted Pakistani intruders and recaptured Tiger Hill and other posts as a part of 'Operation Vijay.' The conflict lasted for more than 60 days at Kargil in Ladakh.

This day is observed every year to pay homage to the hundreds of Indian soldiers who were martyred in the war. In the national capital, New Delhi, the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at the India Gate every year. Functions are also organized all over the country.

During the initial stages of the war, Pakistan blamed the fighting entirely on independent Kashmiri insurgents, but documents left behind by casualties and later statements showed the involvement of Pakistani paramilitary forces.

The vijay Diwas is significant in the nationalistic history of India

Kargil War served as a major driving force in placing India among one of the most prominent nations of the modern era. The martyrdom of thousands of Indian soldiers helped our nation to uphold its glory and grandeur. The Vijay Diwas symbolises the unity and strength of India against foreign and terrorist invasions. As a sovereign country India places safety and well being of its citizens on pedestal.

Kargil war not only celebrates the glorious memory of Indian soldiers but also instills patriotism and nationalism among the people. The army faced many technical and logistical difficulties during the war which was overcome only with resilience and team spirit. The Vijay Diwas stands as the beacon of hope and optimism for all Indians.

KONDOTTY, 29K BATTALION

## BACKGROUND AND RELEVENCE

Yoga is essentially a spiritual discipline based on an extremely subtle science which focuses on bringing harmony between mind and body. it is an art and science of healthy living. The word "Yoga" is derived from the Sanskrit root 'yuj' meaning 'to join' or 'to yoke' or 'to unite'.

The main aim of yoga is self realization to overcome all kinds of sufferings leading to 'the state of liberation or freedom

Yoga can be used as a practical tool in our daily life to improve our mental, emotional, physical and spiritual well being. Through yoga an Individual become more attuned to one's emotions and become calmer and more tolerant.

It is not surprising that today there is a greater awareness of the benefits of yoga and that this is on the increase. More and more people are seeking refuge in the practice of yoga as a way of finding balance, achieving and maintaining inner peace, calm and well being.

# REPORT

Today was international Yoga Day June (21). The idea of the international day of yoga was first proposed by Prime Minister Shri. Narendra Modi in 2014. The day is recognized by the United Nations. The theme for this year's international day of yoga is 'Yoga for Humanity '.

NCC of EMEA Arts and Science College Celebrated Yoga Day.As part of that the cadets went to 29 (k) Battalion. It was from 8:45 to 10 AM.The PI Staff and cadets had met in the vast area in front of the Battalion and practiced different asanas of yoga. Yoga Day is celebrated every year. But for the past two years, not everyone has been able to celebrate Yoga Day together, due to the covid pandemic. After yoga, the Cadets were provided with tea and snacks .Today was a very nice day.

Yoga gives peace and tranquility to the mind. Yoga is good for human health and will make us physically and mentally strong. That was an appreciable act done by the cadets.
