BACKGROUND AND RELEVANCE

International Day Against Drug Abuse And Illicit Trafficking June 26.

The United Nations General Assembly decided to observe June 26 as the International Day Against Drug Abuse And Illicit Trafficking on December 7, 1987. The main motive behind doing this was to take action toward the goal of creating a society that's free of drug abuse.

In order to create awareness about the serious impact of drug abuse and to seek international support to fight it out, June 26, every year is celebrated as the International Day Against Drug Abuse And Illicit Trafficking or World Drug Day.

"Addressing Drug Challenges In Health And Humanitarian Crisis " is the theme for International Day Against Drug Abuse And Illicit Trafficking 2022.

There is a high cost for not implementing best practices in drug abuse prevention for students, campuses, and the larger community. Drug abuse can have many short- and long-term negative effects including physical and mental health problems, legal consequences, and impairment in many areas of a person's life, from school to work and interpersonal functioning. Drug misuse can have lifelong consequences. Preventive education programs all seek to discourage users and impending abusers from experimenting with illicit substances or continuing to abuse them.

REPORT

The NCC-CISF of EMEA COLLEGE OF ARTS AND SCIENCE KONDOTTY conducted a program 'Marathon' as part of the international day against drug abuse and illicit trafficking. In this program, airport director Mr. Suresh, CISF DC Kishor Kumar and EMEA College principal NCC's ANO Lt. Abdul Rasheed.p were present.

At 7:30 a.m., NCC cadets and CISF staffs arrived at the College stadium. There was a small awareness class on drug abuse. After that, the journey started from EMEA College to Karippur airport, the main marathon, It was almost 4km from the starting point. The participants started running and reached their destination Karippur airport. Despite minor setbacks during the race, they reached their destination unnoticed.

Arrangements were also made to assist anyone who was tired during the race.

After arriving at Karippur airport, CISF DC Kishor Kumar received the NCC Cadets and CISF and spoke to them for a while. After that snacks were given for refreshment. Then that was the time for photo section. They all took photos together.

The reason for running the 'marathon' program is against the growing drug addiction in the world. The program aims to raise awareness among today's people about the dangers of using drugs

BACKGROUND AND RELEVANCE

The memory of Kargil war is commemorated as Vijay Divas on 26 th July every year. It celebrates India's victory over Pakistan in the year 1999. During this war, the Indian Army evicted Pakistani intruders and recaptured Tiger Hill and other posts as a part of 'Operation Vijay.' The conflict lasted for more than 60 days at Kargil in Ladakh.

This day is observed every year to pay homage to the hundreds of Indian soldiers who were martyred in the war. In the national capital, New Delhi, the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at the India Gate every year. Functions are also organized all over the country.

During the initial stages of the war, Pakistan blamed the fighting entirely on independent Kashmiri insurgents, but documents left behind by casualties and later statements showed the involvement of Pakistani paramilitary forces.

The vijay Diwas is significant in the nationalistic history of India

Kargil War served as a major driving force in placing India among one of the most prominent nations of the modern era. The martyrdom of thousands of Indian soldiers helped our nation to uphold its glory and grandeur. The Vijay Diwas symbolises the unity and strength of India against foreign and terrorist invasions. As a sovereign country India places safety and well being of its citizens on pedestal.

Kargil war not only celebrates the glorious memory of Indian soldiers but also instills patriotism and nationalism among the people. The army faced many technical and logistical difficulties during the war which was overcome only with resilience and team spirit. The Vijay Diwas stands as the beacon of hope and optimism for all Indians.

REPORT

The team NCC of EMEA College of Arts and Science Kondotty had observed 'Kargil vijay divas ' on 26th of July 22. This is the 23rd anniversary of India's victory against Pakistan in Kargil war which lasted for three months. In an attempt to protect the country many of the soldiers had lost their lives .Therefore it is the duty of the people of the country India to remember them and their spirit of tolerance. This was the main premise of the programme. The cadets were requested to assemble in the college at 8:30 AM. Almost 30 cadets participated in the programme. All of them showed their condolences to those soldiers and lighted candles. The programme ended by 9:30 AM. That was really an appreciable act done by the cadets. This also holds significance in the nationalistic outlook of India. This will also enable a feeling of patriotism, unity and spirit of tolerance in human minds

BACKGROUND AND RELEVENCE

Yoga is essentially a spiritual discipline based on an extremely subtle science which focuses on bringing harmony between mind and body. it is an art and science of healthy living. The word "Yoga" is derived from the Sanskrit root 'yuj' meaning 'to join' or 'to yoke' or 'to unite'.

The main aim of yoga is self realization to overcome all kinds of sufferings leading to 'the state of liberation or freedom

Yoga can be used as a practical tool in our daily life to improve our mental, emotional, physical and spiritual well being. Through yoga an Individual become more attuned to one's emotions and become calmer and more tolerant.

It is not surprising that today there is a greater awareness of the benefits of yoga and that this is on the increase. More and more people are seeking refuge in the practice of yoga as a way of finding balance, achieving and maintaining inner peace, calm and well being.

REPORT

Today was international Yoga Day June (21). The idea of the international day of yoga was first proposed by Prime Minister Shri. Narendra Modi in 2014. The day is recognized by the United Nations. The theme for this year's international day of yoga is 'Yoga for Humanity '.

A signature campaign were conducted at Mahagony park which is inaugurated by razak sir. Then awareness class and cultural programs were held at AVT (Audio Visual Theater) hall at 2 pm.

The program started with the NSS prayer song. The program operator Mr. Ijas welcomed the gathering. He

appreciated the NSS team for coming forward to hold such a program. Then NSS Program Convener Munawar Jasim presided over the event. Elaborating on the use of drugs by the young generation, he explained that every individual is responsible to save the society from social evils like alcohol and drugs. After that, the program was inaugurated by Malappuram Deputy Assistant Commissioner Mr. Tajuddin Kutty. He stated in his speech that, the use of alcohol and other intoxicating substances is destroying the entire human race. And he concluded by saying that no religion or society encourages the use of intoxicants and one should enjoy the intoxication of life.

Then Excise Preventive Officer Mr. P. Biju shared his work

experiences with the students. He said that society is responsible for the massive increase in the use of drugs among teenagers, and mostly students use these substances as a solution to the problems they face at home or school. After that Principal Mr. Abdul Rasheed, Excise Commissioner Mr. Velayudhan and programme convener Mr. Shihab addressed the event. Then a pledge was taken against alcohol and drugs under the leadership of the NSS volunteer Ansaba.

After that Faisal Nilambur, a drug survivor and writer, interacted with the students. Students shared their doubts with him. On this occasion, he recalled that alcohol and drugs had only caused losses in his life and how much mental and

physical difficulties he had experienced due to them. His life experiences made it clear that after being addicted to alcohol, it is possible to get rid of it, if you want it with your mind. He concluded by saying that one should never resort to drugs and that life itself is an addiction. Then NSS Secretary Ms Anjana delivered the vote of thanks for the programme.

After that the cultural programs were started at 3 pm. Different departments have organized various programs related to drug addiction and its bad aspects. BA department won prize for best performance. All events ended at 4:45 pm. NSS Secretaries Hiba, Anjana, Danish and other committee leaders lead the programme.
