All are unanimously said that it was very shocking experience, when they were visited the rescue home. the life of the people in the rescue home shows that the different situations and pain of the people in the society and their miserable conditions. It is a great thing that the Government is doing all this in a good way. BACKGROUND AND RELEVANCE

The memory of Kargil war is commemorated as Vijay Divas on 26 th July every year. It celebrates India's victory over Pakistan in the year 1999. During this war, the Indian Army evicted Pakistani intruders and recaptured Tiger Hill and other posts as a part of 'Operation Vijay.' The conflict lasted for more than 60 days at Kargil in Ladakh.

This day is observed every year to pay homage to the hundreds of Indian soldiers who were martyred in the war. In the national capital, New Delhi, the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at the India Gate every year. Functions are also organized all over the country.

During the initial stages of the war, Pakistan blamed the fighting entirely on independent Kashmiri insurgents, but documents left behind by casualties and later statements showed the involvement of Pakistani paramilitary forces.

The vijay Diwas is significant in the nationalistic history of India

Kargil War served as a major driving force in placing India among one of the most prominent nations of the modern era. The martyrdom of thousands of Indian soldiers helped our nation to uphold its glory and grandeur. The Vijay Diwas symbolises the unity and strength of India against foreign and terrorist invasions. As a sovereign country India places safety and well being of its citizens on pedestal.

Kargil war not only celebrates the glorious memory of Indian soldiers but also instills patriotism and nationalism among the people. The army faced many technical and logistical difficulties during the war which was overcome only with resilience and team spirit. The Vijay Diwas stands as the beacon of hope and optimism for all Indians.

REPORT

The team NCC of EMEA College of Arts and Science Kondotty had observed 'Kargil vijay divas ' on 26th of July 22. This is the 23rd anniversary of India's victory against Pakistan in Kargil war which lasted for three months. In an attempt to protect the country many of the soldiers had lost their lives .Therefore it is the duty of the people of the country India to remember them and their spirit of tolerance. This was the main premise of the programme. The cadets were requested to assemble in the college at 8:30 AM. Almost 30 cadets participated in the programme. All of them showed their condolences to those soldiers and lighted candles. The programme ended by 9:30 AM. That was really an appreciable act done by the cadets. This also holds significance in the nationalistic outlook of India. This will also enable a feeling of patriotism, unity and spirit of tolerance in human minds

BACKGROUND AND RELEVANCE

International Day Against Drug Abuse And Illicit Trafficking June 26.

The United Nations General Assembly decided to observe June 26 as the International Day Against Drug Abuse And Illicit Trafficking on December 7, 1987. The main motive behind doing this was to take action toward the goal of creating a society that's free of drug abuse.

In order to create awareness about the serious impact of drug abuse and to seek international support to fight it out, June 26, every year is celebrated as the International Day Against Drug Abuse And Illicit Trafficking or World Drug Day.

"Addressing Drug Challenges In Health And Humanitarian Crisis " is the theme for International Day Against Drug Abuse And Illicit Trafficking 2022.

There is a high cost for not implementing best practices in drug abuse prevention for students, campuses, and the larger community. Drug abuse can have many short- and long-term negative effects including physical and mental health problems, legal consequences, and impairment in many areas of a person's life, from school to work and interpersonal functioning. Drug misuse can have lifelong consequences. Preventive education programs all seek to discourage users and impending abusers from experimenting with illicit substances or continuing to abuse them.

REPORT

The NCC-CISF of EMEA COLLEGE OF ARTS AND SCIENCE KONDOTTY conducted a program 'Marathon' as part of the international day against drug abuse and illicit trafficking. In this program, airport director Mr. Suresh, CISF DC Kishor Kumar and EMEA College principal NCC's ANO Lt. Abdul Rasheed.p were present.

At 7:30 a.m., NCC cadets and CISF staffs arrived at the College stadium. There was a small awareness class on drug abuse. After that, the journey started from EMEA College to Karippur airport, the main marathon, It was almost 4km from the starting point. The participants started running and reached their destination Karippur airport. Despite minor setbacks during the race, they reached their destination unnoticed.

Arrangements were also made to assist anyone who was tired during the race.

After arriving at Karippur airport, CISF DC Kishor Kumar received the NCC Cadets and CISF and spoke to them for a while. After that snacks were given for refreshment. Then that was the time for photo section. They all took photos together.

The reason for running the 'marathon' program is against the growing drug addiction in the world. The program aims to raise awareness among today's people about the dangers of using drugs

Background and Relevance

On 19th August 2022 EMEA NSS unit decided to conduct a road safety seminar in association with the department of motor vehicles. Kondotty MLA TV Ibrahim inaugurated the function. Parappanangadi Assistant motor vehicle inspector Santhosh Kumar led the awareness class on road safety. The program organised by NSS unit in collaboration with the Dalmia cements Kondotty.

Program Report

Kerala Kaumudi and Dalmia Cements organized a Road Safety Seminar at EMEA College on Friday 19th August in collaboration with the Department of Motor Vehicles. The program started at 2:30 PM at AVT Hall under the leadership of the EMEA NSS Unit.

Programs were started with the NSS prayer song. Sumod Karathodi, Marketing Manager of Kerala Kaumudi, welcomed the gathering. Then the college principal Abdul Rasheed, gave the keynote address. He reminded that every road accident destroys the hope of a family and that motorists and pedestrians should be careful to keep their lives safe while on the road.

Then Kondotty MLA, TV Ibrahim, inaugurated the program. In his inaugural address he said that, travelers and drivers will have to pay a heavy price for minor mistakes of violating traffic rules.

He Pointed out that 4000 people die in road accidents every year, and in Kerala, road accidents are increasing at a high rate. Even though the number of vehicles on the road has increased more than before, the widening of the roads and the lack of proper development are leading to more accidents. Therefore, it is everyone's responsibility to follow all traffic rules while on the road, he said.

Later in the award distribution, Kondotty Grand Akshara Gold and Diamond Managing Partners Ashraf Palakal, Maliekal Sulaiman Haji and AMVI Santhosh Kumar received the awards from the MLA. Best NSS Program Officer Mohammad Shafi and PhD holder Shihab sir were felicitated on the occasion.

Mohammad Naseem, the car winner and Saifuddin, the bike winner of the Dalmia Cement contest received the keys of the vehicle. TV Ibrahim MLA was given the key honour.

Many students won prizes in a live lucky draw conducted by Dalmia Cements. Students received gifts from social media influencer Baisi Basi. After that, Dalmia cements DGM Bobby Sebastien and Brothers group MD Mohammed Shihab addressed the event.

Then an awareness class on road safety was held under the leadership of Tirurangadi Assistant Motor Vehicle Inspector Santhosh Kumar. Santhosh Kumar, who conducted more than 2000 traffic safety classes in ten years, imparted the basic lessons of traffic rules to the students. He shared the serious side of the subject with the students very interestingly with the help of visual presentation. He said that everyone should be ready to correct and avoid repeating traffic violations and the only way to reduce accidents is to be able to understand and correct one's own mistakes.

Overspeed and carelessness are the main causes of accidents. He pointed out that most of the victims of road accidents in the state are between the ages of 15 and 40.

He concluded the class by saying that, the growing generation should be aware of traffic safety and so on and through that we can build a better society.

At the end of the event, NSS program convener, Munawar Jasim delivered the vote of thanks. NSS program officer Ijaz sir, NSS secretaries Hani, Anjana, Hiba and other NSS volunteers led the program.

Report on Sadbhavana Diwas

Sadbhavana Diwas is celebrated to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi on 20th August 2022. Being the youngest Prime Minister, Rajiv Gandhi's thought process was modern and different from others. This day is observed as 'Sadbhavana Diwas' or 'Harmony Day' with an objective to encourage national integration, peace, affection, and communal harmony among the Indian people of all religions and languages. It promotes the unity in diversity and feeling of oneness amongst people to a great level. It brings a type of racial and cultural similarity among people of different community. Communal harmony is a prerequisite for a country like India, with its diverse population and cultures. Communal harmony ensures that every religion gets equal treatment, and tolerance builds amongst citizens.
