## NATIONAL READING DAY REPORT 2021

# THOOLIKA

*"Let the future generation read & flourish"*

## **National Reading Day: History and Significance**

### **National Reading Day: History**

P.N. Panicker's significant contribution to the culture of reading is remarkable. He is considered as the father of the Library Movement in Kerala. Due to his effort, the state of Kerala's universal literacy rate reached 100 percent in the year 1990. P.N. Panicker's death anniversary is commemorated as National Reading Day.

### **National Reading Day : Significance**

Reading has a tremendous impact on the socio-economic growth of a country. A person's, community's and country's progress is all dependent on their extensive knowledge base. Reading is necessary for firming the foundation of knowledge. The P.N. Foundation's slogan is "Read and Grow."

MH has launched a social media campaign called "#MyBookMyFriend" for this National Reading Day. The ceremony is held in India to honour the late Puthuvayil Narayana Panicker, popularly known as P.N. Panicker, the father of the Library Movement. In the 1990s, he was the reason behind the celebration and he initiated the popular cultural movement in Kerala, which resulted in universal literacy.

It is the 25th National Reading Day which India celebrates this year. The country honours a man who was not only responsible for the cultural movement in Kerala to promote reading, but also for the establishment of libraries in his native state.

Educators have the task of encouraging kids to read on National Reading Day. The day also encourages everyone to read more because it enhances concentration, vocabulary, and knowledge while also assisting in understanding many elements of society.

P.N. Panicker was born on March 1, 1909 he passed away on June 19, 1995. His significant contribution to the culture of reading is remarkable by all means as a result; the state of Kerala's universal literacy rate reached 100 per cent in the year 1990, his death anniversary is commemorated as National Reading Day.

On March 1, 1909, in Neelamperoor, Kerala, he was born to Govinda Pillai and Janaky Amma. He had a significantly bigger impact as a teacher than many of his contemporaries. As a teacher in his community, he founded the Sanadanadharmam Library with the sole purpose of improving society with the only true tool — education.

This was only the first step. His efforts bore fruits and he was instrumental in the formation of the Travancore Library Association, or Thiruvithaamkoor Granthasala Sangham, in 1945. The

association included a total of 47 rural libraries. The slogan of the Association, Read and Grow, encapsulated the significance of literature in a person's life.

Panicker travelled around the state, preaching about the importance of reading in each village. He was able to bring around 6000 libraries into the network during his lifetime. Grandhasala Sangham was awarded the prestigious 'Krupsakaya Award' by UNESCO in 1975. He served as the association's General Secretary for 32 years, until 1977.

### **Kerala's Universal Literacy Rate and Panicker's Initiatives**

Panicker was disappointed by the political interference when the Sangham was taken over and turned into the Kerala State Library Council. As a result, he founded the Kerala Association for Non-Formal Education and Development – KANED.

Since his death on June 19, 1995, the amazing man and his life's commitment to the promotion of reading and literacy has been commemorated in Kerala as reading day. The Kerala government declared the day Vaayanadinam, which translates to "Reading Day." Panicker's legacy is being honoured by the state through a week-long series of activities involving schools and the general public.

The National Reading Day is celebrating its 25th anniversary this year. The week beginning June 19 will be designated as Reading Week in honour of the man and his message of "Read and Grow." In addition, this year's 'Reading Month' will take place from June 19 to July 18.

The late Puthuvayil Narayana Panicker, the father of Kerala's library movement, is honoured on National Reading Day. In the 1990s, he founded Kerala Grandhasala Sangham, which sparked a popular cultural movement in Kerala that resulted in universal literacy. Thiruvithaamkoor Granthasala Sangham was founded by him.

Panicker passed away on June 19, 1995, at the age of 86. The Kerala government recognised his efforts and declared June 19 as Vaayanadinam, or Reading Day, to commemorate his death anniversary. It eventually became a national holiday. To commemorate Panicker's services to the cause of freedom, a week-long series of activities at schools and other higher educational institutions has been planned.

## **Thoughts on 75<sup>th</sup> year of Indian Independence: Webinar Report**

### **Introduction**

Department of Political Science, EMEA College of Arts and Science organised a Webinar on 14<sup>th</sup> August 2021 on Thoughts on 75<sup>th</sup> year of Indian Independence. India has completed her long and successful journey of 74 golden years and stepped in to the 75<sup>th</sup> year of Independence. We have crossed a number of hurdles and attained numerous successes on the process of nation building in these years. From the very beginning of her independence India was struggling to survive. We have achieved tremendous victories on different walks of human life from science and technology to art and agriculture. It's our duty to preserve promote and protect the political values we followed in these years and handed over to the next generation. This is the prime objective behind the programme organised by the Department of Political Science at EMEA College of Arts and Science Kondotty.

### **Objectives**

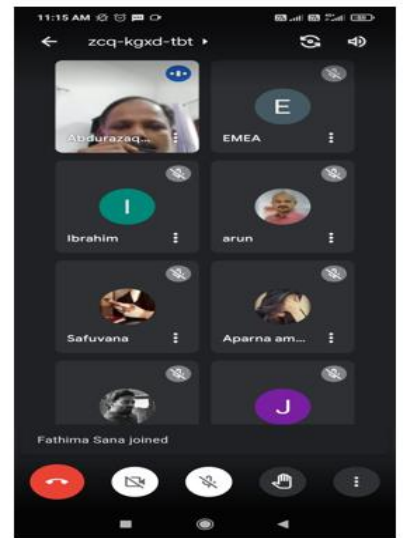

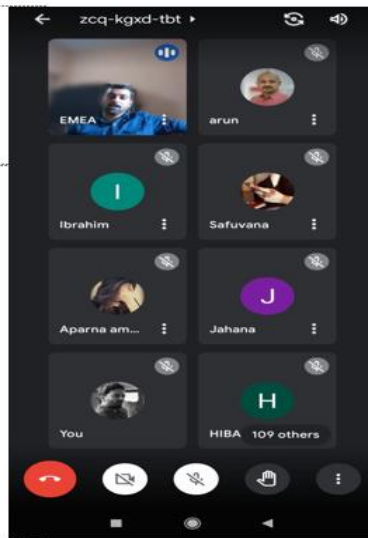

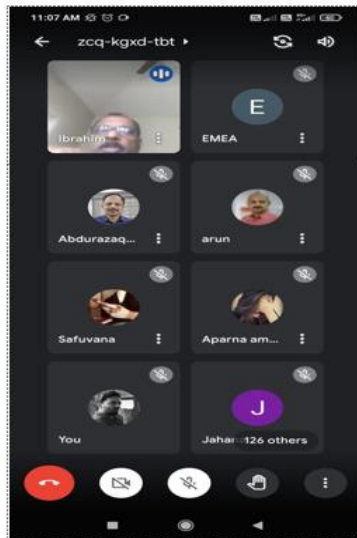

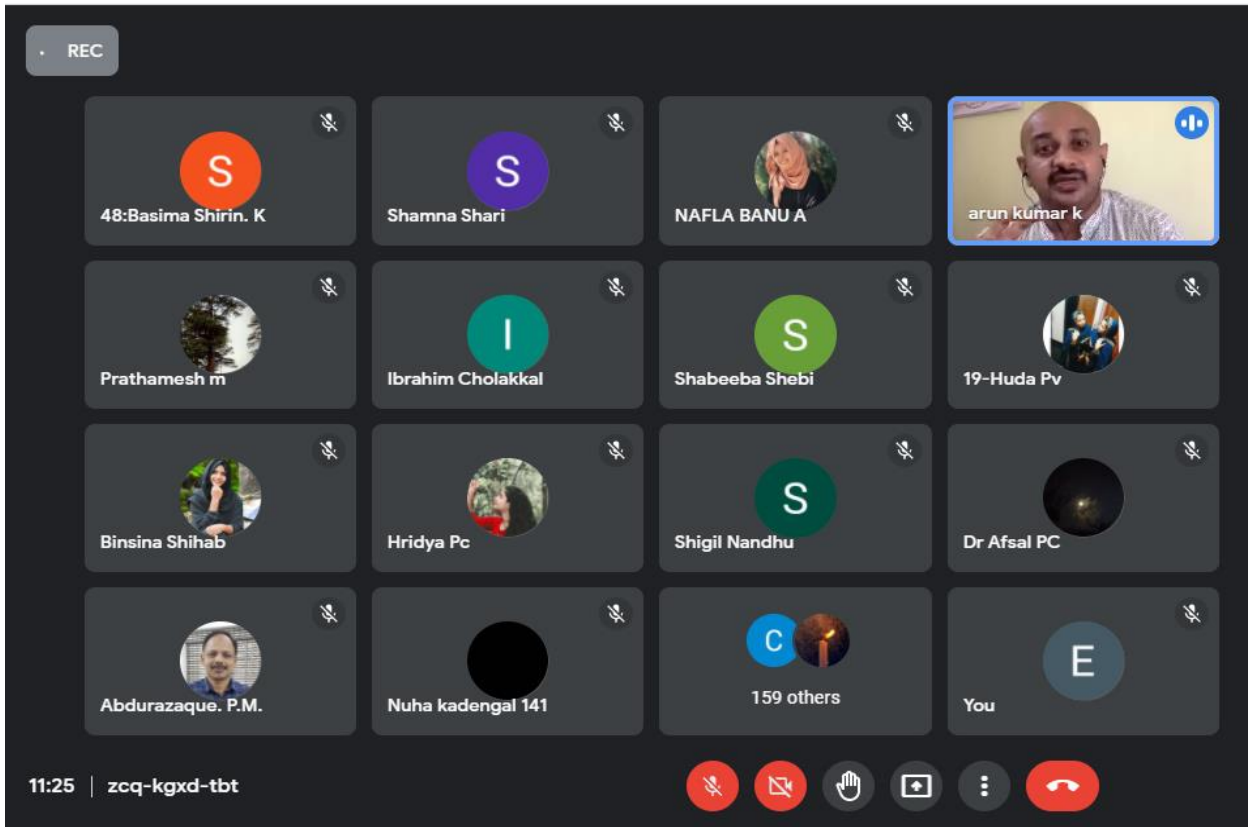

On the 75<sup>th</sup> anniversary of independence it is necessary to commemorate the ways in which our nation has gone, the values we follow and asses the challenges against the very idea of India. As an attempt to take stoke on last 74 years, the prime objective of the programme was to evoke in the students the memories of freedom struggle and make them aware of the constitutional values. It was also an attempt to reflect the spirit of freedom struggle and offer a tribute to the founding fathers of our nation.

### **Resource Person**

Dr. Arun Kumar, an experienced teacher and well-known Journalist in Malayalam Television industry. Currently he is teaching with department of Political Science at University of Kerala. He has delivered an interesting and inspiring speech on the glorious past of our democracy and the golden values put forth the constitution. He stressed the challenges against the framework of the democratic institution of India and pointed out the importance of the active participation of the youth in nation building process. The question answer session of the programme was very interesting by the active participation of the students.

### **Participation**

180 plus students were participated in the programme. The Webinar started at 11 AM with a short introduction given by Dr. Ashraf Valoor, HoD of Political Science department. ## Background and Relevance of the Independence Day

The 75th Independence Day remarks the importance of freedom and the bravery of the freedom fighters who fought and gave up their lives for the motherland. On every 15th August various Institutions, schools, colleges and government offices hoist the Tricolor flag and arrange cultural programs that celebrate the patriotism and unity of Indians.

The Independence Day amid the Covid-19 Pandemic demands responsibility and a sense of duty from citizens. The healthcare workers including doctors, nurses even medical students work hard to bring better facilities and well being for citizens. The national anthem we sing on the Independence Day is the celebration of collective of the people, who love and dignify our strength in unity.

August 15 is commemorated every year as the day India gained independence from British rule. From the time the country's first Prime minister Jawaharlal Nehru unfurled the India flag at the Red fort, India has been working towards continuing its a "trust and destroy".

Independence Day Celebration urge us to protect the peace and unity of our nation. Nation must be always first for us .Independence day is significant as it commemorates the value and spirit of the freedom fighters who fought for the independence of the nation from British rule. So the day must be memorized every year .It is our duty as a responsible citizen of India.

## INDEPENDENCE DAY CELEBRATIONS

75th Independence Day was celebrated with due respect at EMEA College of arts and Science Kondotty. At 8:10 AM all cadets were assembled in front of the college. Turn outs of Cadets were checked by both SD and SW senior.

### Flag Hosting

This day is a remembrance and dedication to those who shed their life, body and mind for gaining independence for our country. We Indians host flag every year for memorising all those incidents and it a part of giving honour to our country. At 8:30 AM Lt. Abdul Rasheed sir arrived and on behalf of physical education head Shihab sir, Security Koya, Office staff, NSS Volunteers and NCC cadets the National flag was hosted. Cadet Noof Abdulraheem, Cadet Fidha, Cadet Safa Mol sung the National song with salute from everyone was given to the flag, which raised the patriotic fervour. ANO talked the importance of Independence Day and how a citizen should be. Later sweets were distributed to all. The official meeting at the ground was dispersed by singing national anthem.

## A Talk on Citizen Responsibilities

As a powerful citizen we all have responsibilities to ourself and to our country. One can only success after making a thorough knowledge about his own duties to himself and his country. So the significants of giving awareness on citizen responsibilities is very high. Talking this in to account our ANO Lt Abdul Rasheed took a highly inspiring class on the citizen responsibility. He told about the responsibility of each citizen to the country, also discussed about the consistency and unique personality. As the class finished, cultural programmes of cadets were conducted. Most of the cadets participated.

An idea was put forward by ANO to produce more good result in his talk. He suggested to post a question and its answer by looking previous question paper of B and C certificate exams. A cadet should post one in a day. At the weekend ANO might be asking question to any of the two cadets and bonus point will awarded if the cadet tells the right answer. An excel sheet will be kept for that. This might produce a more better result in the coming years.

## 'B' Certificate Distribution

It was a great privilege for our collage EMEA ARTS AND SCIENCE KONDOTTY that all our cadets who wrote B exam last year were passed. So it is very necessary to congratulate them. At first ANO Lt Abdul Rasheed praised them a lot for the effort and team work they took. It was really a great achievement. Then he distributed certificates to all passed cadets and congratulated each Cadets which was followed by photo section. He also mentioned the importance of alpha graded B and C certificates in one's career.

In addition to this ANO congratulated SGT Rashid for coordinating the Independence Day programme in a great manner. Also the report making team and L/CPL Nahyan Sharvin who creates interesting posters was also specially appreciated.

## Karippur Police Station Visit

The day of independence is the day for celebration. As an Indian citizen we must share our happiness with all our friends and neighbors. So we the Cadets of EMEA ARTS AND SCIENCE visited our near by Police station and distributed sweets among them as a part of our celebration. They welcomed us with immense pleasure. Two of the police officers talked about how we gained independence and how it is working today. Also discussed about the present condition of people. Finally they praised of NCC and how the cadets can be a role model for the rest of the nation.

## Mobile Photography Contest and Winners

Apart from offline programmes, a online photography contest contested. Almost 20 participants were there in the contest. All the photos they forwarded were clear and perfect with inspiring theme. Therefore it was very difficult for the judges to select the winner of the contest. Finally after a great discussion contestant Safa Mol from the department of microbiology grabbed the first prize, Divya E from b com won the second prize and Sanika V won third prize. India is our nation. For Indians nation should be first, always first. As a whole the programme was well planned and coordinated.

## Background and Relevance of the Onam

Onam, The major annual event & official festival of Keralites is commemorates King Mahabali. The NCC candidates of EMEA college decided to celebrate this festival. By keeping the protocols of COVID-19 pandemic, we celebrated Onam colorfully. Our celebration was started by making Pookkalam and it became more enjoyable with the arrival of cultural programmes. So many cultural events such as Water filling, Tug of War, Uriyadi, Thiruvathira etc conducted cheerfully. Onasadhya, the indispensable part of Onam prepared by us and it captivated our mind by its delicious. Through this festival of joy and happiness we ensured the oneness and hope, spread far and wide.

Onam is a festival that embedded on the richness and collaborative property of Kerala culture. It is a declaration of unity and harmony of people co-existing without of the differences of caste, creed or religion. Onam also marks the harvest season so it symbolizes the significance of fertility of earth and productive growth. It reminds keralites the harmonious reign of Maveli and the well knot relationship he had with his people. Onam is all about reminiscing that nostalgic feeling and living peacefully without abandoning hope. Hope is what that keeps the society positive and courageous. Onam is fun and frolic and its major attractions are Pookkalam, onasadhya, folk dances and fun games. Onam is a celebration of good old days and in general the traditional quality of Kerala itself. It teaches us to be resilient and uphold unity and identity. This festival exemplifies the sacrifice of Mahabali and the perfect harmony of his people he expect to see on his homecoming. It brings people closer and forms a beautiful bond.

## **EVENT**

The team NCC of EMEA Collage of Arts And Science Kondotty had celebrated Onam on 26th August 2021. Onam is a festival that helps to maintain brotherhood and unity among human hearts .It is celebrated by keralites and people in other parts of the world to make the homecoming of the great king Mahabali. As it is a keralite festival it is our responsibility to celebrate it. The festival gives us a feel of happiness and joy. The programme was conducted from the college. All cadets were requested to assemble at the college by 9:20 AM. Almost 32 Cadets were present in the programme. The event included the agendas like pookalam and games. Various lively competitions made the event colourful.

### **POOKALAM AND PHOTOSHOOT**

The programme begins with making Pookalam under the guidance of UO Muzammil PT and CQMS Gokul Prasad TC. Cadets brought variety of beautiful flowers from their home and neighbourhood. The event started at 10:00 am and ended by 12:00 PM. All cadets actively participated in making pookalam. The pookalam was made at the main porch of the college. Onam pookalam, also known as flower carpets has a big relevance in onam celebration. It is the flower decorations made for welcoming Mahabali. Flower are the symbol of joy. Therefore the event complimented the theme of Onam celebration. This was followed by photo session .The colors of flowers made the photos more attractive.

### **WATER FILLING**

After photo session the festivities continued with variety of games. This session started with Water filling at 12:00 pm. The competition was between second and third year cadets. Almost 20 cadets participated in this game. At the end of an exciting fight second cadets won the programme. That was really a wonderful game.

### **LEMON SPOON**

Water filling was followed by Lemon spoon. This game is a kind of race which requires utter concentration .This was an individual game. All cadets were well played. Finally LCPL Mileena won the game.

## **BALLOON BREAKING**

Lemon spoon was followed by balloon breaking. Almost 20 cadets participated in this game. All participants were provided with colorful balloons. After a great fight CDT Anshil won the game. This was really a colorful game.

## **FOOD**

The game session was followed by food. As Sadhya is a feast of Kerala origin it is highly important to all keralites. Therefore we also choose Sadhya for our meals to maintain our tradition. Sadhya consist of variety of traditional vegetarian dishes usually served on a banana leaf. Cadets brought each dishes from their home and served with love and harmony. It was really delicious. Cadets also invited all the staffs of collage for our lunch to make them also a part our celebration.

## **URIYADI**

After food the programme was continued with uriyadi at 2:00 pm. This is a game usually conducted during onam celebrations. Almost 6 cadets participated in the game. This was a game really filled with excitement and complications as it done by covering eyes. After a tight competition CQMS Gokul prasad won the game. That was really nice.

## **TUG OF WAR**

Uriyadi was followed by Tug of war .The programme begin at 3:30 which was held between second year and third year cadets. This was really a tough game which requires high strength and confidence. At the end of tense fight second year cadets won the match.

Onam is a traditional keralite festival. The glorious of the festival will not fade if we maintain it properly. Onam fills harmony and joy in human minds .Under the pandemic situation of COVID-19, this year we were blessed to celebrate it after following all the COVID-19 protocol .The programme was ended at 4:30PM.

## **The Program Report**

N.C.C of EMEA college of Arts and Science conducted a virtual environment day programme on 5th June,2021. The programme was conducted via google meet, which was aimed to create an awareness among the N.C C cadets about the environmental issues and sustainable development. It also aimed to instill among the importance of preserving nature among students. There were two sessions in the programme. The first session was all about 'on living a life in harmony with nature' which was presented by Dr Zahira Rahman, former associate professor and head, MEASS College Areacode. The second was an inspiring session in which a talk on nature has been delivered by Prof Askarali, Associate Professor, EMEA College of Arts and Science, Kondotty. He also inaugurated One Cadet One Shade Campaign of planting saplings at home by emea NCC cadets. ANO.Lt.Abdul Rasheed P presided over the meeting. The chief guest and famous nature activist Dr.Zahira Rahman gave a talk on how the contemporary lifestyle accelerated the degradation of nature and the ecosystem. She gave a inside view of her eco-friendly living that minimises carbon emission. It was a refreshing experience for the cadets. Prof. Askarali, associate professor and head of Malayalam department also engaged in the conversation. He explained how he decided to be self sufficient in food production and how he involves traditional farming methods on his farm land. He showed the cadets his plantain plantation. The presentation video of "one cadet, one shade" mission was also exhibited. The vote of thanks was given by cadet Lcpl.Muzammil. More than 110 cadets and students participated in the programme was successful in conveying the significance of environmental protection to all participants.

Campus Cleaning Programme

29 JUNE 2021 | 3:00pm

Inauguration

EMEA College of Arts & Science

**NCC EMEA**

Arts and Science College  
29K BATTALION, KONDOTTY

## BACKGROUND AND RELEVANCE

The Cleaning programme "Swatchatha Pakhwada" was designed to dispose plastic wastes in college campus and to ensure its premises are well maintained and orderly. Plastic wastes are the biggest challenge in keeping our places tidy. Drink bottles, bottle caps, food wrappers, grocery bags, drink lids, straws and stirrers are seen almost everywhere. Plastic has become an unavoidable component in our daily lives. So necessary measures are to be done to make sure it doesn't evade and pollute our soil and environment. Disposal of wastes is an effective method to make green campuses. Keeping all our surroundings always hygienic is an integral part of our life. It's not something we never put off. Being an NCC cadet and also a human being we must be a lot more careful with that. Good personal hygiene is one of the best ways to protect ourselves from getting illness like common cold. Many writers argue cleanliness gives rise to a good character by keeping body, mind, and soul clear and peaceful. Also maintaining cleanliness is the essential part of healthy living because it is the cleanliness that helps to improve our personality both externally and internally. This is an issue that we humans need to take very seriously. This is because many chronic diseases are often caused by poor hygiene. So if we keep our environment clean, we can protect a large society. Therefore this must be an exemplary act.

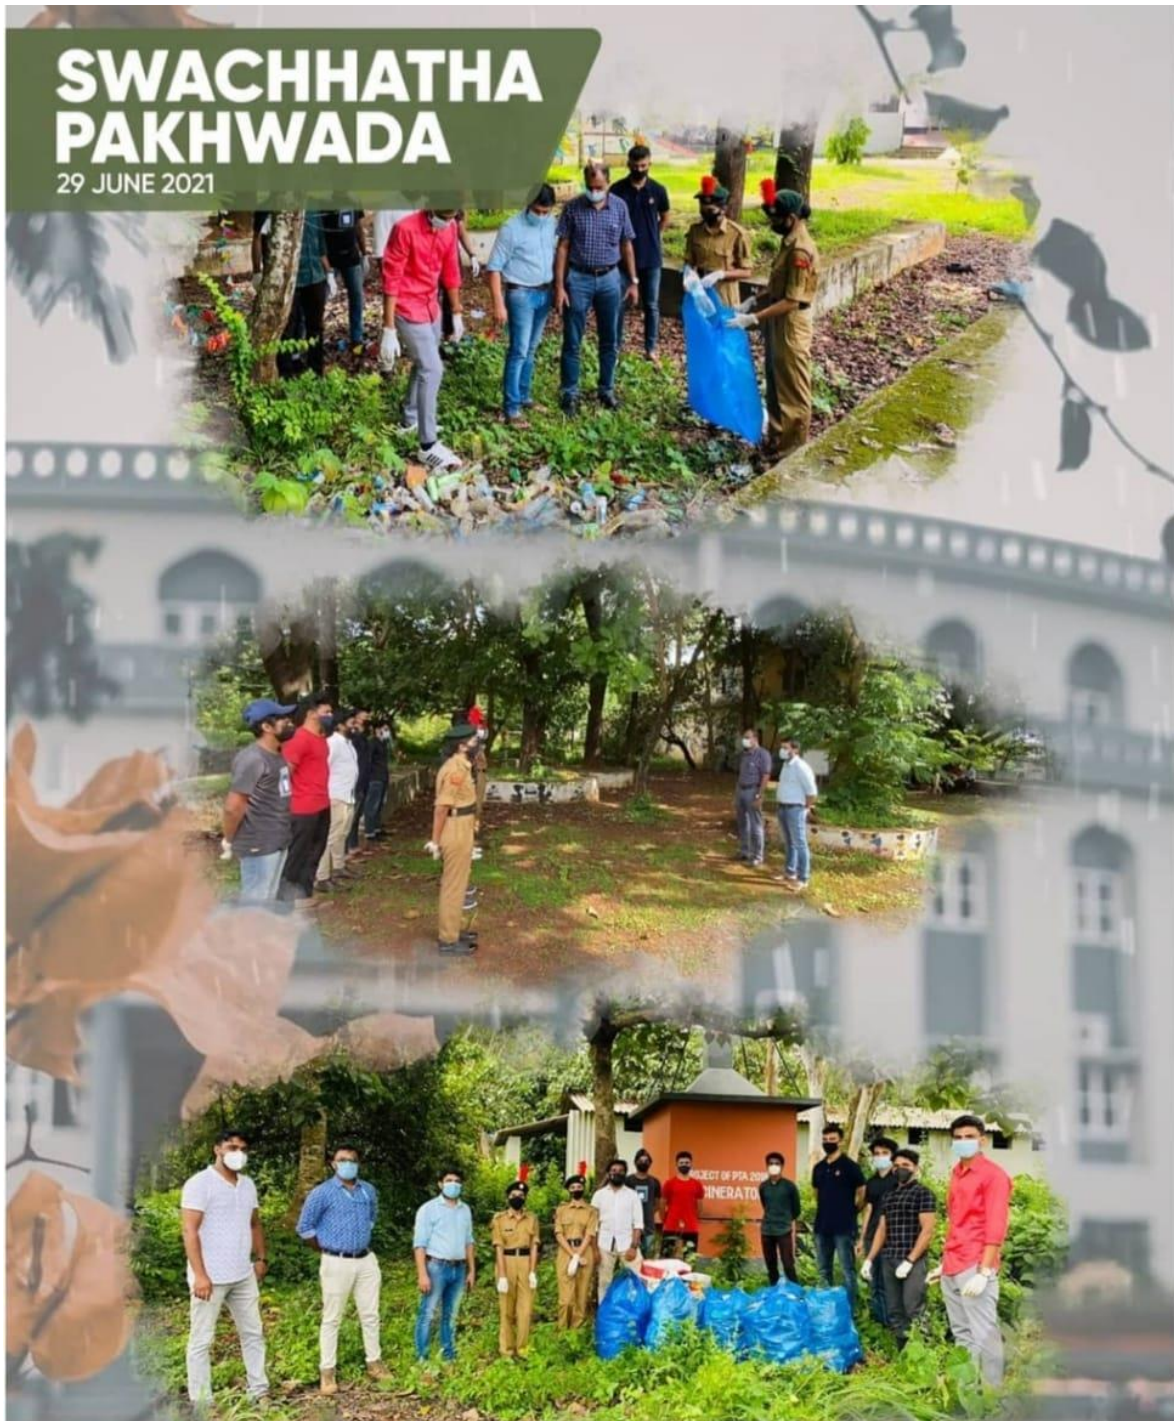

It can also be a learning system opportunity for the cadets to take part in a social culture.

## EVENT

N.C.C of EMEA College of Arts and Science conducted "Swatchatha Pakhwada" a campus cleaning programme on 29th June, 2021. The programme was aimed to make the campus plastic free. Ten NCC cadets and ANO. Lt. Abdul Rasheed were present at the cleaning site. The inauguration of programme was done by Principal Dr. Ibrahim Cholakkal. He talked about the "Green Campus" mission and emphasized on the importance to keep college and its premises clean and tidy. He applauded the efforts of NCC to make society a better place. ANO supervised the cleaning process. Cadets collected plastic wastes from premises and assembled them in large garbage bags. ANO explained how waste disposal improve water quality. He asked cadets to reduce usage of plastic stationery. The cleaning programme lasted for two hours. By the time of wrapping up college premises were clean and neat.

## **BACKGROUND AND RELEVANCE OF THE TEACHER'S DAY**

India celebrates teacher's day on September 5th every year to mark the birth anniversary of Dr. Radhakrishnan, the first vice president and second president of independent India. This day pays tribute to all the teachers their sacrifice and their contribution to the development of school in the society. Teachers also provide guidance on pursuing higher education and participating in events that encourage growth in a youth person.

The importance of teachers as guides for children as they consider furthering their education is immeasurable. This day is a day to honour and show gratitude to all educators and teachers. Their role in molding an individual to a better personality is very high. Therefore it is very essential to celebrate teacher's Day and this day must be a most memorable day to all our teachers.

## Background and Relevance of the Youth Day and Webinar

The intent of the webinar on 'Youth and Leadership' was to indulge youth in leadership roles and enable them to thrive in the present-day world. On the occasion of International Youth Day, which is usually commemorated on 12th August every year, we needed to entrust the youth with their potential and aptitude. Webinars help to solve the doubts and scepticism surrounding a subject and help to impart a clearer understanding for students. Giving right guidance to youth is crucial and the International Youth Day is all about helping the young people to find personal satisfaction and positive environment. Proper communication forms the right mindset.

The development of leaderships contributes greatly to the positive development of young people and communities. Leadership skills such as goalsetting, problem solving and sound decision making, are not necessary for leaders these skills are needed for success in today's world. Youth are always able to open new doors and access one's fullest potential not only for themselves but for those around as well. Youth leadership can bring dynamism and innovation to the world if properly trained and guided. Therefore conducting webinar on youth and leadership will make the audience aware about these rules and duties. It will make youth exercise authority over themselves. For all these reasons it is very necessary to conduct webinar on the same.

## The Webinar

As a part of World Youth Day, the webinar was conducted on the topic "Youth and leadership" Via Google meet. It was started at 3:00 PM as planned. At the beginning, ANO Lt. Abdul Rasheed sir provided a base introduction. He talked about the power and the potential youth holds today.

And why Indian youth is least bothered about working hard. He adds that right mindset and proper training are important. He talks about the opportunities and need to use it in a very effective way. Also added that being successful is easy in the current world where everyone has access to internet and resources.

LCPL Renna Rahmath masterd of the ceremony. As the guest joined, the programme was started officially by playing the NCC song. Renna Rahmath welcomed Lt. Abdul Rasheed sir to deliver the welcome speech. He welcomed the chief guest, Lt. Bhupindar, Assistant professor and NCC officer DCAC, University of Delhi, Department of Commerce. Also invited Abdurazaque. P.M, IQAC coordinator EMEA College of Arts and Science Kondotty to inaugurate the programme IQAC Coordinator Abdurazaque PM inaugurated the programme and expressed his thoughts on 'Youth and Leadership'. He also appreciated NCC EMEA for conducting the webinar.

Lt. Bhupindar started the class which was followed by a powerpoint presentation. He mostly concentrated on leadership. Within a short time span he covered some major topics that Youth should be familiar with. He dealt with 7 kinds of leadership.

- Spiritual Leadership
- Servant Leadership
- Authentic Leadership
- Ethical Leadership
- Empowering Leadership
- Self Leadership
- Shared Leadership

He also added to learn how to uphold an organization successfully. Also talked about the importance of leadership. Class was followed by an interaction section, where cadets participated well. CPL Divya AV, L/CPL Rasla , L/CPL Mileena, L/CPL Fahmin, L/CPL Nahyan asked questions and he clarified their doubts effectively.

UO Muzammil PT presented the vote of thanks, and thanked each and every who cooperated to make the webinar a successful one. ANO Lt. Abdul Rasheed sir specially congratulated CQMS Gokul Prasad for the effort he had taken coordinate the programme. And L/CPL Renna Rahmath for mastering the ceremony effectively. The programme was ended up by playing the national anthem. After the session students and cadets were provided certificate for their successful participation in this webinar on youth and leadership held by NCC EMEA.

# **THE PROGRAM REPORT**

World Food Day is an international day celebrated every year worldwide on 16 October to commemorate the date of the founding of the United Nations Food and Agriculture Organization in 1945. The day is celebrated widely by many other organizations concerned with hunger and food security, including the World Food Programme, the World Health Organization and the International Fund for Agricultural Development. The World Food day theme for this year was "Safe food now for a healthy tomorrow".

In Connection with World Food Day, the NSS Volunteers of EMEA College of Arts and Science, Kondotty (Unit No:-102, 115) organized a programme on 16/10/2021 at College. The Programme was started by NSS Prayer and the welcome speech was given by the NSS Secretary Mr. Yamil.

The Programme was focused on the importance of food. An awareness class was given to NSS Volunteers by the Programme officer Mr. Shihabudheen Sir. The awareness class was about food abuse and its ways to prevent it and the protection of food. After that a pledge was conducted. The Pledge was led by the NSS volunteer Miss Hiba. After that vote of thanks was given by the NSS Secretary Miss. Basima. The entire Programme was a fruitful one with active Participation of 75 Volunteers.

# REPORT

On the occasion of World Anti-Drug Day Kondotti EMEA College NSS Unit organized various programs named as 'Karuthal'. The programme was held on June 28 in various sections. A signature campaign were conducted at Mahagony park which is inaugurated by razak sir. Then awareness class and cultural programs were held at AVT (Audio Visual Theater) hall at 2 pm.

The program started with the NSS prayer song. The program operator Mr. Ijas welcomed the gathering. He

appreciated the NSS team for coming forward to hold such a program. Then NSS Program Convener Munawar Jasim presided over the event. Elaborating on the use of drugs by the young generation, he explained that every individual is responsible to save the society from social evils like alcohol and drugs. After that, the program was inaugurated by Malappuram Deputy Assistant Commissioner Mr. Tajuddin Kutty. He stated in his speech that, the use of alcohol and other intoxicating substances is destroying the entire human race. And he concluded by saying that no religion or society encourages the use of intoxicants and one should enjoy the intoxication of life.

Then Excise Preventive Officer Mr. P. Biju shared his work

experiences with the students. He said that society is responsible for the massive increase in the use of drugs among teenagers, and mostly students use these substances as a solution to the problems they face at home or school. After that Principal Mr. Abdul Rasheed, Excise Commissioner Mr. Velayudhan and programme convener Mr. Shihab addressed the event. Then a pledge was taken against alcohol and drugs under the leadership of the NSS volunteer Ansaba.

After that Faisal Nilambur, a drug survivor and writer, interacted with the students. Students shared their doubts with him. On this occasion, he recalled that alcohol and drugs had only caused losses in his life and how much mental and

physical difficulties he had experienced due to them. His life experiences made it clear that after being addicted to alcohol, it is possible to get rid of it, if you want it with your mind. He concluded by saying that one should never resort to drugs and that life itself is an addiction. Then NSS Secretary Ms Anjana delivered the vote of thanks for the programme.

After that the cultural programs were started at 3 pm. Different departments have organized various programs related to drug addiction and its bad aspects. BA department won prize for best performance. All events ended at 4:45 pm. NSS Secretaries Hiba, Anjana, Danish and other committee leaders lead the programme. All the volunteers ensured their participation in the entire program.
