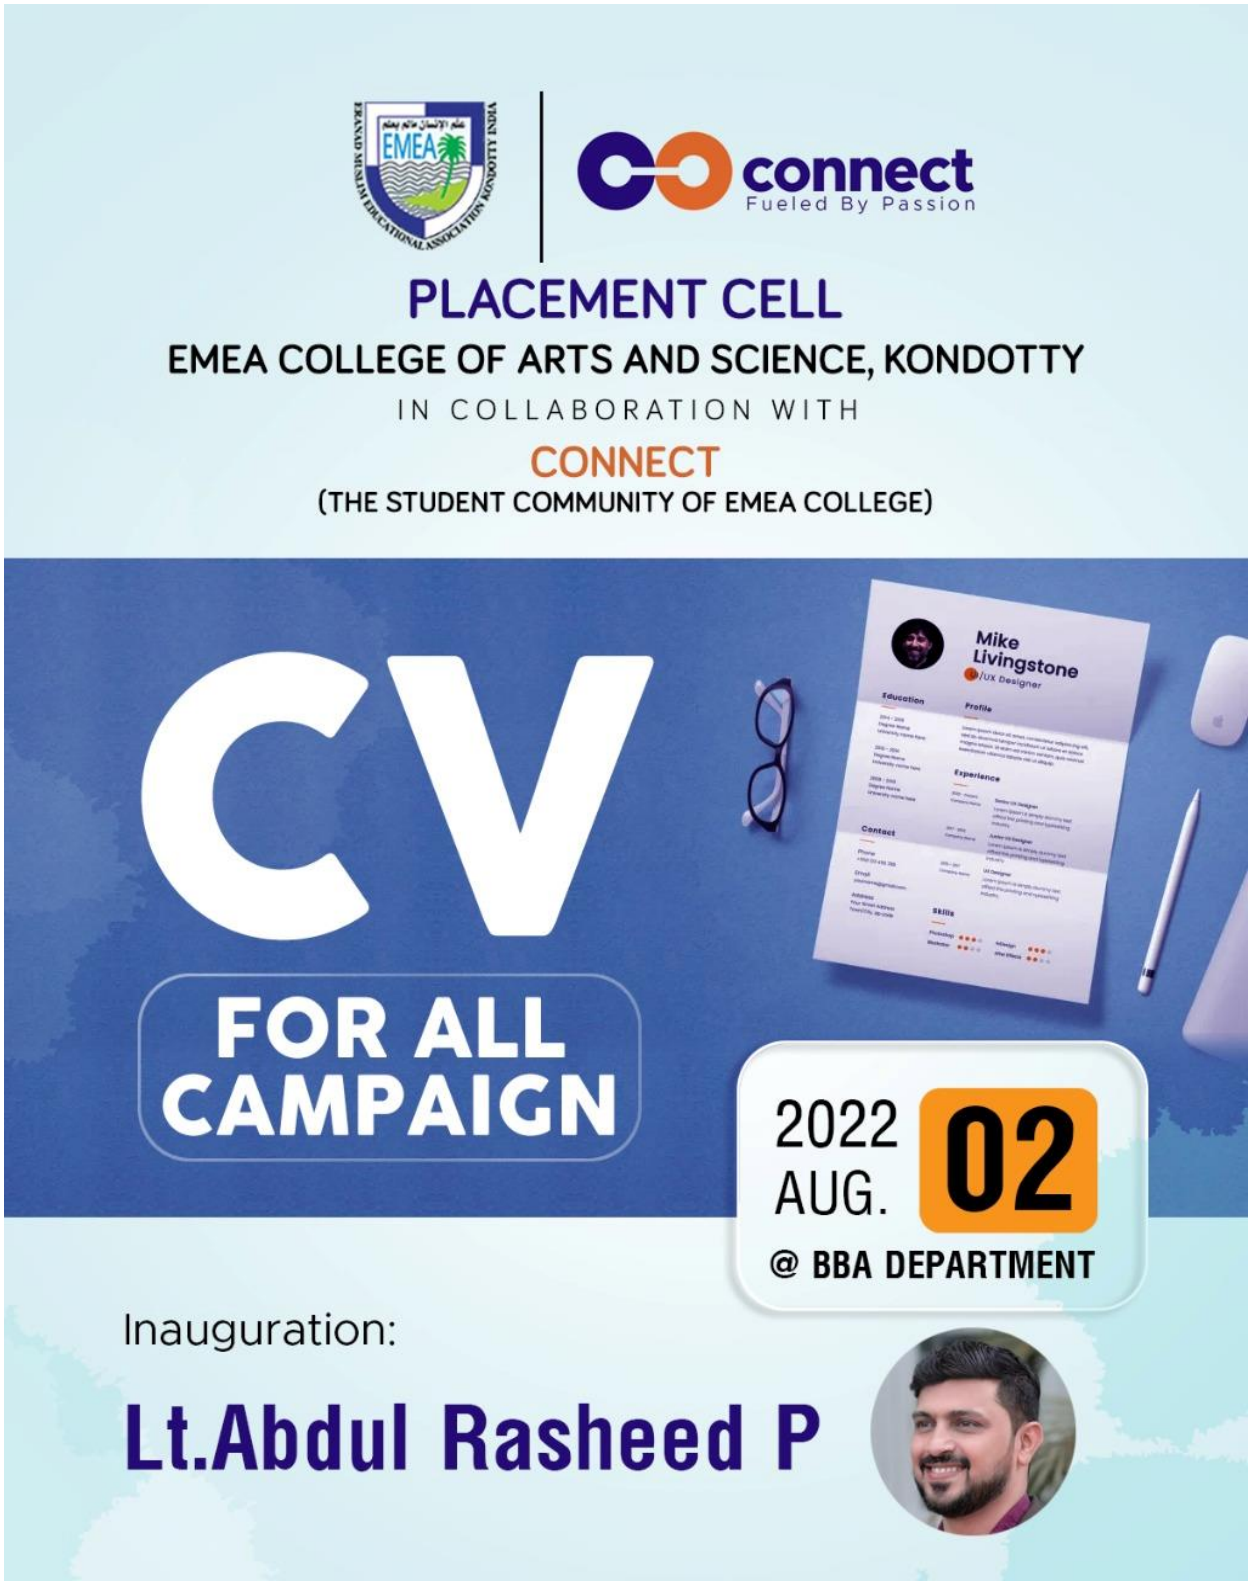
BROCHURE OF PROGRAM



REPORT

On 2nd August 2022, the placement cell of EMEA College of Arts and Science, in collaboration with CONNECT, ran the 'CV For All Campaign'. The campaign was led by Mohammed Afeef with the interns of the Community 'Connect'.

The campaign guided the participants in creating their own CVs. Apart from this, the session taught students about LinkedIn profiles and exploring various job opportunities through job portals. Around 40 students participated in the program. The campaign turned out to be a great success with the active participation of students.

BROCHURE OF PROGRAM

REPORT

As part of Azadi ka Amrit Mahotsav, celebrating and commemorating 75 years of independence of our nation India, CONNECT EMEA in collaboration with Department of Computer Science conducted E-Poster Designing Competition on 12/08/2022 Friday.

The programme was held in the computer lab at 10 am, allowing the participants time till 11.30 am to design their posters. The topic given for them was “India @ 75”.

There were around 16 competitors and each of them designed their posters with great enthusiasm. The programme was well supervised by the members of the community. The winners of the competition were declared by Nahyan Sharvin and Jasim. The competition was won by Vasih (2nd year BBA) who was gifted by the cash prize of Rs.1000, and in the second place was Afra (3rd year BSc CS), gifted by the cash prize of Rs.500.

In conclusion, the programme being a well organised one, was conducted successfully. The participants were enthusiastic, which reflected in their highly spirited designs. Winners were greatly motivated, being honoured by worthy prizes.

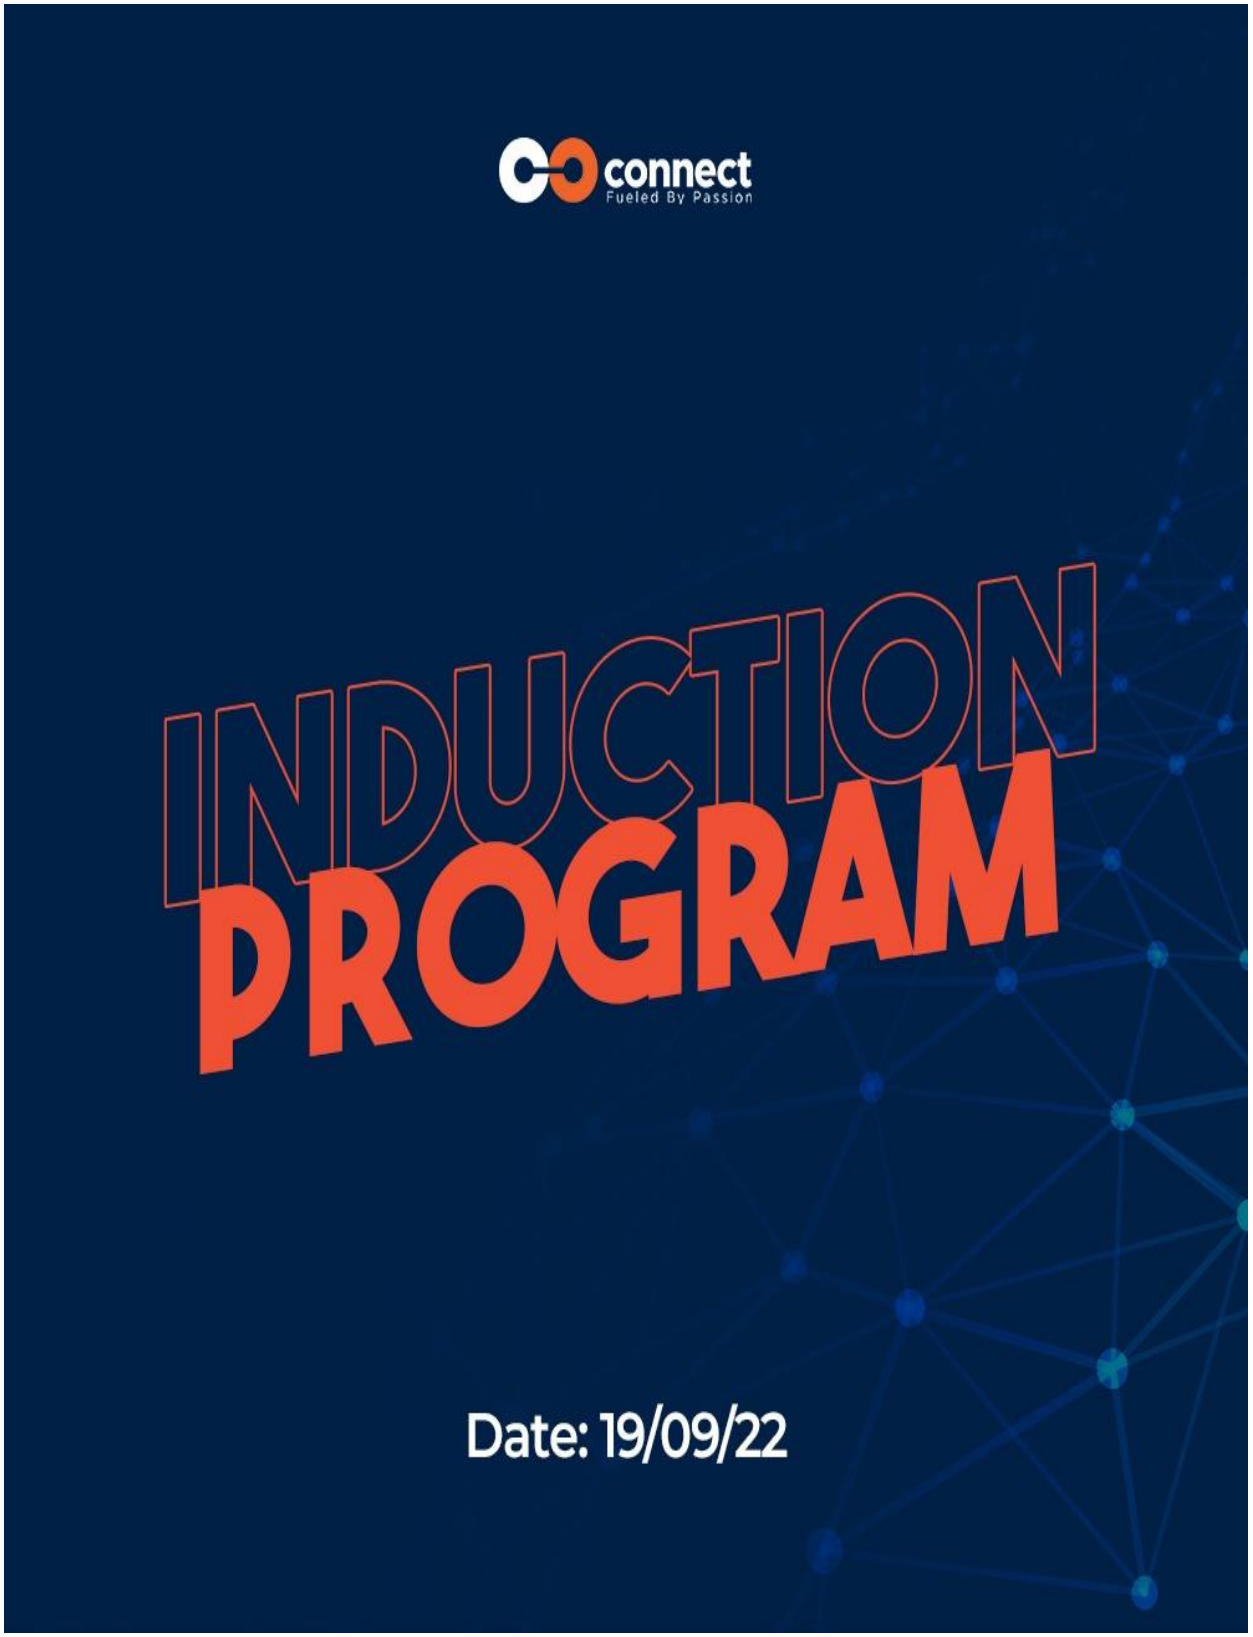
BROCHURE OF PROGRAM



REPORT

On 19/09/2022, CONNECT EMEA conducted orientation program for UG first year students. The program was aimed at introducing the objectives of the community and its goals. All the departments were assigned an intern each.

The students were introduced about the aims of the community which includes developing creative and technical abilities among students. As the audience included parents, the intentions were clearly passed over to them as well. The opportunities that Connect offers in bringing up the necessary skills of a student were described in a very understandable manner.

The program was run successfully and there were active responses. As the steps for being a member of Connect was also introduced, there were several registrations as well.

REPORT

On 08/28/2022, CONNECT EMEA held the Master Word session. The aim of the session was to teach the participants about the basic tools of the most popular word processing tool, Microsoft Word. The session was led by Mohammed Fazil who taught the students in the most basic way.

Around 50 students took part in the program and showed keen interest in learning Microsoft Word.

The session helped attendees on how to use Microsoft Word as it is critical for all students in their academic writings. The active participation of the students made the program a successful one.

BROCHURE OF PROGRAM

REPORT

On 11/08/2022 (Thursday), CONNECT EMEA conducted the session 'Typing Dash'. The session was aimed at training the participants the basics of typing and helping them being fluent in keyboarding.

The programme was led by Aseel KP and Mohammed Afeef, who described the process in the most lucid way, and it was followed by the students taking their paces and marking their progress as they moved along. Around 50 students attended the programme, who showed keen interest in learning the essence of speed typing.

The session made the participants aware of all the fundamentals they need to know about typing, and the resources available for them to learn by themselves. To sum up, the active involvement of each of the participants made the programme a fruitful one.
