REPORT OF SCHOLAR SUPPORT PROGRAMME- 2018-2019

The SSP Programme for the academic year 2018-19 started in our college with a meeting of the SSP and WWS Coordinators and Students Advisory Committee by discussing the direction of the New Initiatives in Higher Education. After reviewing the last year programme the committee selected five subjects in the order of priority. The subjects were Computer Science, Commerce, English, Economics and West Asian Studies.

The faculties deputed for the academic year 2018-19 were as follows

- | | |
|---------------------------|---|
| 1. Mr. Muhammed Faisal. T | Assistant Professor of Commerce |
| 2. Mrs. Abidha. KP | Assistant Professor of English |
| 3. Mr. Ibrahim Cholakkal | Assistant Professor of Economics |
| 4. Mr. Mohamed Jamshad. K | Assistant Professor of Computer Science |
| 5. Mrs. Sehla Khansah.P | Assistant Professor of West Asian Studies |

For identifying the backward students, an examination was conducted by all the above mentioned departments. After that application forms were distributed among the group and selection was given to those students who scored least in the examination in each department.

For the commencement of the classes, a meeting of Resource Persons and the Coordinator was convened in Principal's chamber and discussed execution of the programme. In that meeting it was decided to begin the class on 13th August 2018.

The committee reviewed the progress of the students on monthly basis and gave suggestions for the improvement of the programme. It was organised both internal and external mentoring sessions in accordance with the guidelines provided. During the last week of February 2019 the Internal Mentors submitted their reports for settling the accounts and the final meeting of the Committee convened and their remuneration were distributed.

The SSP Programme for the academic year 2018-19 was a grand success.
