Action Taken Report

In response to the curriculum feedback from alumni, where the overall score stands at 3.75 out of 5, with the English department alumni providing the lowest score of 3.28 out of 5, the Internal Quality Assurance Cell (IQAC) decided to present this report to the college council for discussion and policy action.

After thorough deliberations in the college council, it was decided to raise the matter to the Academic Council of the English, University of Calicut. The college council has authorized Mr. Roy. P. P, the Head of the English department, to communicate and discuss the grievances with the Academic Council and members of the Board of Studies at the University of Calicut.

This proactive step underscores the commitment of the college to address alumni concerns and collaborate with relevant academic bodies to implement necessary policy actions. Further updates will be provided as the discussion progresses within the Academic Council and Board of Studies.
