## Debating Club:

### ON-AIR DEBATE

The pandemic time didn't give us leisure from the debates and talks we conducted usually. As part of this, the debating society conducted an Inter-collegiate debate competition. The topic of discussion was **SHOULD THE AGE OF MARRIAGE BE 21?** A Google registration form was provided through link in the brochure. The idea was to make sure students can use any platform to share ideas no matter if the offline medium. Students from various institutions participated.

## ProfTalk2021

Debating society and Postgrazians organized ProfTalk, a signature program for the PG Students. A great platform open for the students to mould their etiquette on a dice. An appreciable idea and effort put forth by the PG students.

Dr.C.P. Ayoob, Principal inaugurated by wishing the PG students to participate and sculpture out a good speaker and ended conveying his note of thanks to the Management for giving a vibeful Open Air Theatre. An appreciation to the PG students for organizing such level program was also noted. Mr. Abdul Jaleel has been a great support and challenging to let students know their weak points as he joined the judging panel.

A little word mean alot. With the little words Lt.Abdul Rasheed conveyed to the students, it meant a lot to carry back Home. This was just a beginning for the PG students. They have lot

more to go on with. ProfTalk, was a stage organised for professional talks. Students had to pick their lot and speak for 4 min on it.

The EMEA college of arts and science had observed the international yoga day on 21st July. The programme was conducted virtually due to Covid protocol. ANO Lt. Abdul Rasheed,

UO and almost 30 cadets of NCC attended the virtual meeting. All the participants learned different poses and postures of yoga like Sirsasana, Dhanurasana, Shoulder Stand etc. ANO gave a lecture on the need of physical fitness for a healthy, sustainable living. The programme was concluded by the vote of thanks of UO Aswin.

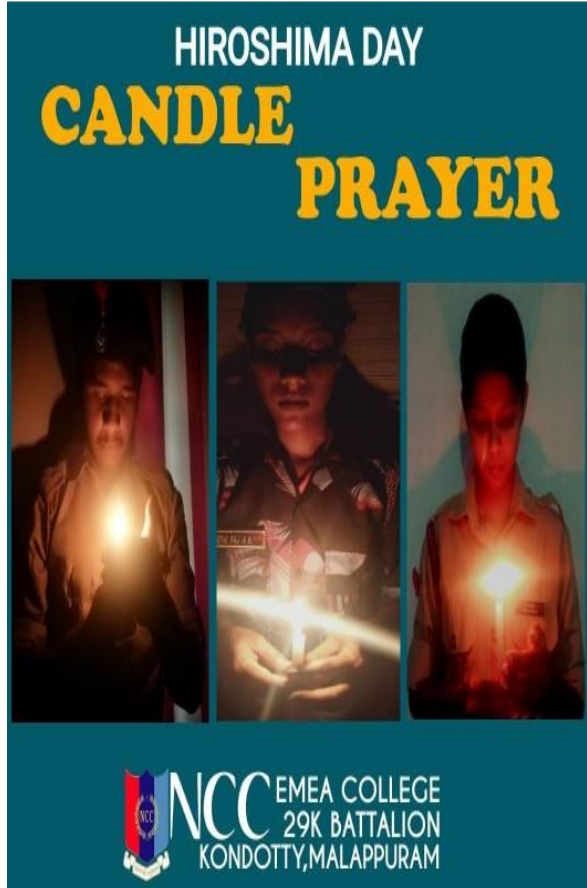

NCC of EMEA college of Arts and Science planted tree saplings as a part of the world environmental day on 5th June. The cadets planted saplings on different parts of their locality including its premise and nearby households. The programme was

conducted virtually due to Covid protocol .ANO.Lt.Abdul Rasheed reminded cadets that the key aim of environmental protection is to prevent the degradation of the natural environment which is affected by increasing population, technology and overconsumption, all of which have created a negative impact on the environment and continues to put humans and animals at risk. He urged them to be the protectors of mother nature. The programme was meaningful and could create awareness among the students.

NCC cadets of EMEA college of arts and science observed Hiroshima day on 6th August 2020. The programme was started by the candle prayer. Candles were lit and the prayer continued for 6 minutes. The cadets mourned on the memory of innocent Japanese people who fallen prey for the terrible disaster. Aswin and ANO Abdul Rasheed talked on the importance of peace in the world and harmonious coexistence of nations. Cadets took pledge to protect the unity and tranquility.

Group Commander of Kozhikode Group and Commanding officer of 29 Kerala Battalion along with Subedar Major Hemant Kumar of 29 Kerala Battalion visited EMEA College and NCC office for inspecting the efficiency of National Cadet Corps of EMEA College on 01/10/2020.

The inspection team has been received by the principal and NCC officer at the flag post of EMEA College.

The team NCC of EMEA Collage of Arts and Science Kondotty had organized a cleaning mission at

Venkulam lake which is considered as the largest lake in Kumminiparanbu. The programme was held on 12th December 2020 which was inaugurated by Dr Ayoob Keyi, the principal of the collage. Two of the representatives from Karipur police station had visited the site. Almost 30 cadets participated in the mission. The cadets also cleaned Mahagony park. It was an example and commendable act done by the cadets. The programme was concluded with the vote of thanks of UO Aswin.

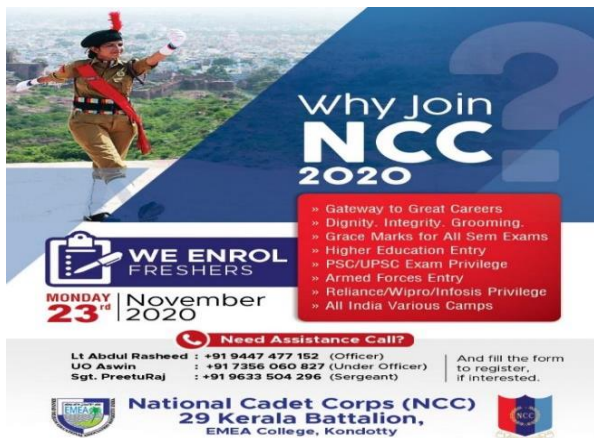

NCC open recruitment for the year 2020-21 is to find the capable young cadets to which many teasers have been circulated during the month of October 2020 itself. Due to the large number of

applicants and limited vacancy of seats, which is 19 in number, for 10 SD and 9 SW, the NCC officer Abdul Rasheed decided to conduct the selection process in two phases. The first phase which was mainly the registration of applicants via google form started on 11th November, 2020. Aspirants were asked to share their personal details as well as innate abilities. The Google Form mission received enthusiastic response. With the response received, a list has been made after the filtering according to the credentials filled by the aspirants. Later, on 23rd November, the committee moved to the second phase which included physical test followed by the personal interview. Senior NCC cadets also volunteered. More than 50 aspirants who were shortlisted showed up at the trial ground of EMEA College of Arts and Science. The students were asked to bring important documents for verification. The physical test was aimed to analyse the physical fitness of applicants which included push-ups, sit-ups and short distance running. The students were provided necessary refreshments. Based on the selection criteria, a few got eliminated and the rest headed to the interview. The final list of 19 future cadets was published after checking the consent of their parents. ANO Lt. Abdul Rasheed had contacted the guardian of each cadet personally to publish the final list. The final list published on 26th November 2020

Team NCC of EMEA college of Arts and science celebrated the Independence Day on 15th August, 2020 at the college. Students were present at the main building at 8.10 AM itself. At 8.30 ANO Lt Abdul Rasheed hoisted the flag. He talked about the bravery and courage of the freedom fighters and reflected on India's long way to freedom. He urged students to be ready to protect the integrity and unity of nation. Since the covid outbreak was severe, the students distributed masks on neighboring areas. Later patriotic songs were recited by cadets.

As part of Independence Day celebration, EMEA NCC unit distributed masks and Sanitizer to the nearby house hold. The inauguration of the distribution has been done by Lt Abdul Rasheed, NCC officer, giving to Mr Abdulla, a local resident of Kumminiparamb. NCC cadets visited nearby local households and distributed the masks being divided into different groups. Most of the local residents of the village are financially and educationally deprived.

On 26th January 2021 ,EMEA College of Arts and Science celebrated Republic day.In the presence of all cadets of EMEA College, Lt Abdul Rasheed P, NCC officer EMEA College, hoisted the national flag. In the republic day message, he reminded the duty of each person of this country to build the nation and to do all possible things to preserve the constitution. As a responsible youth, NCC cadets must act dutifully to keep the unity and integration of the country. He also added that the cadets must be a role model to all.

NCC cadets of the EMEA College conducted post-covid healthcare awareness programs. Kumminiparamb has been under covid community spread and the people were little aware of the post-covid healthcare measures after getting covid negative . NCC cadets visited homes and made them aware of the sustaining symptoms and health issues to be taken care of after covid being cured such as body pain, intermittent cough, headache, body pain, joint pain, breathing difficulties etc.

NCC unit at EMEA college, saluted the soldier honoring the former cadet Mr. Muhammed Afsal with a 'ponnada' as part of the 'saluting the soldier program' at EMEA college on the occasion of

Republic Day celebrations. Mr Afsal has been posted to Jam Nagar under Maratha Regiment, Gujarath. Entire cadets and NCC fraternity at EMEA College were proud in saluting him as a soldier. Lt Abdul Rasheed, Prof Shihab and Prof Althaf participated in the honoring programme. Mr Afsal Pookayil made an inspirational acceptance speech.

NCC unit of EMEA College of Arts and Science Kondotty observed Pulwama day on Sunday 14th February 2020 at the College campus.

They paid floral tribute and lighted candles to the soldiers who lost their lives in the 2019 Pulwama attack.

As part of Independence day a quiz competition was organized by NCC, EMEA college of Arts and Science Kondotti. The program was conducted through online platform. The competition a restricted to NCC and Ex NCC cadets of kerala level.

### EMEA COLLEGE SPONSORED COURSERA COURSES

EMEA College of Arts and Science, Kondotty conducted online courses in collaboration with Coursera, an American massive open online course (MOOC) provider founded in 2012 that offers massive open online courses (MOOC), specializations, degrees, professional and master track courses. The course was initiated on April 29, 2020 and extended to 30 September 2020. It was during the pandemic Covid-19 that Coursera launched a new scheme to collaborate with colleges and EMEA College of Arts and Science Kondotty was the second college in Kerala that grabbed this opportunity to work with Coursera to learn and achieve certificates from international universities. The college successfully completed 1500 enrolments and the courses were offered for Students of the college, Staff of the college, alumni of the college and the general public.

## **COURSERA**

Coursera is an American MOOC provider founded in 2012 by Stanford University's computer science professors Andrew Ng and Daphne Koller that offers massive open online courses (MOOC), specializations, degrees, professional and master track courses. Coursera works with universities and other organizations to offer online courses, certifications, and degrees in a variety of subjects.

Coursera courses last approximately four to twelve weeks, with one to two hours of video lectures a week. These courses provide quizzes, weekly exercises, peer-graded and reviewed assignments, an optional Honors assignment and sometimes a final project or exam to complete the course.[21] Courses are also provided on-demand, in which case users can take their time in completing the course with all of the material available at once. As of May 2015, Coursera offered 104 on-demand courses it also provides guided projects which are short 2-3 hour projects that can be done.

## **Programme Committee**

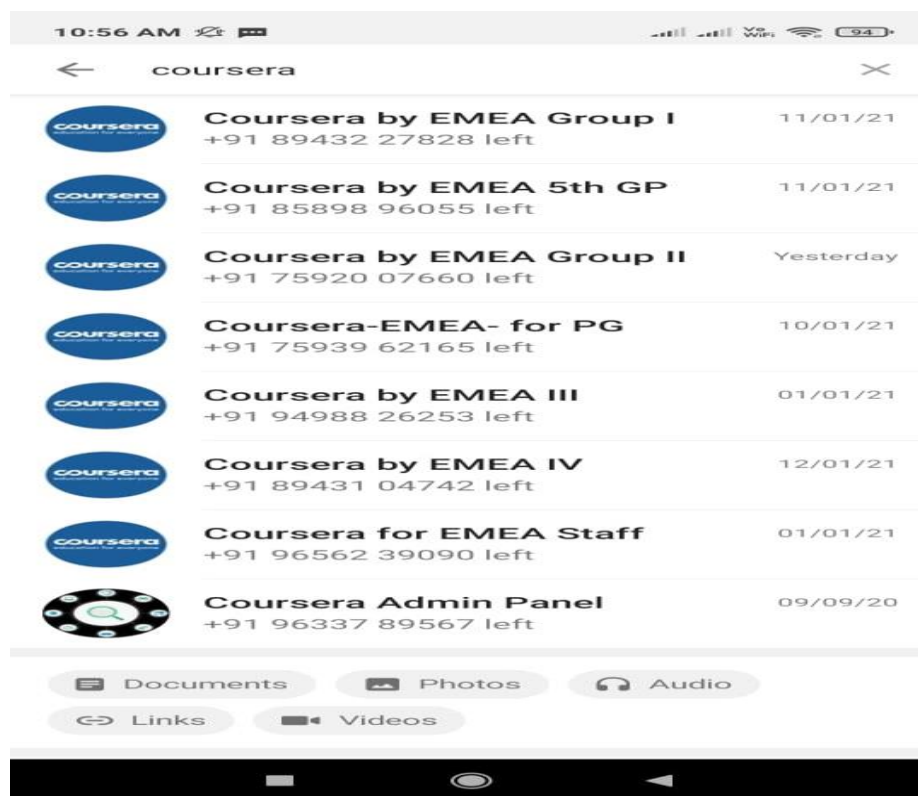

The Principal formed a committee for the successful implementation of Coursera program aiming to bring such programs in the college in future:

1) Lt. Abdul Rasheed - Nodal Officer

- 2) Dr.Ibrahim Cholakkal- Member
- 3) Mr. Firoz - Member
- 4) Ms. Abidha - Member
- 5) Ms. Ashitha – Member
- 6) Mr. Nahas Shah- Member
- 6) Mr. Naseel Ismail- Member
- 7) Department of Computer Science- To provide required professional and Technical Support.

## Execution of the Program

Different WhatsApp groups were formed for the execution of the program. Eight WhatsApp groups were formed for the participants, including an exclusive group for Admin Panel, Staff of EMEA College, PG students and the general public.

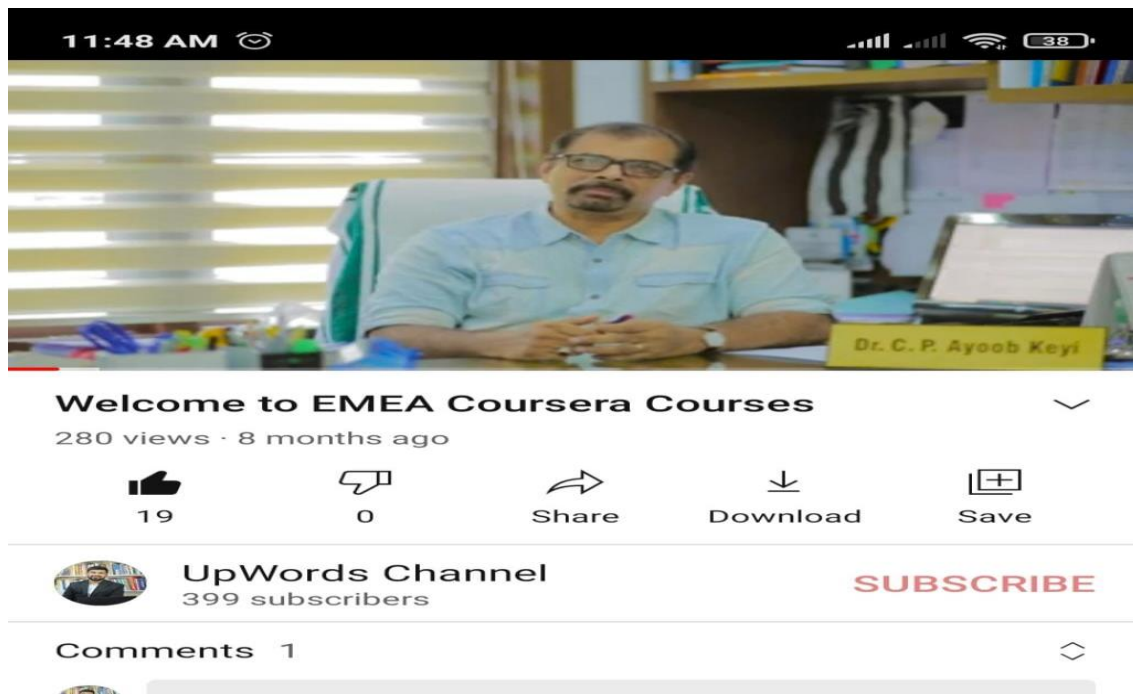

Lt. Abdul Rasheed, Nodal Officer of the program, briefed about the licensing process of EMEA College Sponsored Coursera Program and EMEA College's achievement in getting 1000 enrolment slots for offering online courses of reputed universities free of cost. In order to log into various advanced courses in different subjects like health, business, humanities, commerce, science and much more courses, a student may simply provide his/her email ID. The students

have to forward it to the college faculty through Google form to get the invitation link to join. And once it is received the student can login to any of the courses offered in Coursera. The further step includes either logging in if you already have an account or signing up a coursera account using the website [www.coursera.org](http://www.coursera.org). Once a student has logged in, he/she has to click on the 'browse the catalogue' option to find 5000+ courses. Once a course is selected the student will be directed to a page where he/she can enrol it for free (courses sponsored by EMEA). He/she can browse through the course structure that gives a detailed information regarding the duration of learning, study materials and assignments. The student after clicking on the 'go to courses' tab can listen to the lectures of the world class professors of top universities across the globe.

Once the course is completed the student will be awarded with certificates of the reputed international universities. Approximately 1000 students of EMEA College have enrolled to the course and majority have had successful outcomes. EMEA College in affiliation with Coursera gave students opportunity to enrol in the different world class university courses. Through Coursera, students could invest time and effort to accomplish reputed certificates online using quarantine period effectively facilitating ways to learn during school and college classroom teaching was on its pause.

## Certificates of Other Participants

The realm of education has expanded widely with the advent of the Internet and new technologies. Coursera, founded in 2009 has redefined distance learning by allowing people to take courses from 83 leading universities and professional development institutions across the world. One of Coursera's biggest strengths lies in its broad appeal. The participants were given a chance to study subjects they could not take as students. EMEA Sponsored Coursera Courses provided the students an opportunity for blend learning. Students watch lectures pre-class, followed by interactive work and discussion. The method of learning on Coursera usually involves video lectures and requires students to read prescribed books and articles for better understanding of the subject. Regular tests, assignments and peer assessments keep students on their toes. On completion of a course, several universities award a Certificate of Accomplishment signed by the instructor. EMEA College sponsored Coursera enabled the participants to experience quality education offered from more than two hundred universities and companies around the globe. The program, EMEA College sponsored Coursera Courses was concluded on 30 September 2020.

**Students Advisory Committee:**

Students Advisory Committee of EMEA College Kondotty conducted Induction Programme for the newly enrolled UG first year students on 19, 20 November 2020. Due to the Covid 19 pandemic, the programme had to be conducted in the online mode. The Zoom platform was used for the same. It was designed as a two day programme in which college level general induction programme was conducted. The inauguration of the programme and the keynote address was done by Grandmaster G. S. Pradeep (Career Guru and 'Aswamedham' fame). Special Address was given by Dr. Abdul Azeez (Former Principal, Sir Syed College Thaliparamba and Vijayabheri fame).

The second day of the induction programme was filled with department level orientation in which HoDs of each department discussed the syllabus, curricular and co-curricular activities, rules and regulations, etc to the students.

Even during this time of pandemic and hardships, a major chunk of the newly admitted students, along with their parents, attended the programme and got a clear idea about the curricular and co curricular aspects of higher education.

The Principal's Club is an unique scheme established under the Students Advisory Scheme of the college in the academic year 2018-2019. The programme is fully funded and monitored by the institution.

The Entrance Test for Identifying Principal's Club Members ( Advanced Learners ) for the academic year 2020 - 21 was conducted on 21/01/2021 Thursday from 3.30 PM - 4.30 PM. The Test was conducted using Google Forms in online mode.

A Google Form link was shared to the students in advance to collect their personal details such as name, Plus Two marks, category, etc. and, on the time of the test, the link of the google form was shared through WhatsApp groups and made available to the students. Some students were not able to attend the test dues to poor network connectivity. Students who came up with such grievances were addressed.

Students were selected on the basis of the marks obtained in the test and the percentage of the marks they obtained in the Plus Two examination. Thus, 50 students were selected and added to the third batch of the 'Principal's Club'.
