Webinar on 'LEARN WHAT THE WORLD SEEKS'

Date:23rd July Friday

Recourse person: Gopakumar , ASAP

Time:10:30 am

The Computer Science department of EMEA college conducted a webinar on the futuristic placement guaranteed courses "LEARN WHAT THE WORLD SEEKS" offered by ASAP, Govt of Kerala for computer science students on 23/07/2021.

The webinar was successfully handled by the experienced speaker Gopakumar, program coordinator, ASAP Centre. The session covered ASAP online courses and its registration details, fees details and placement in very detail. The talk covered mainly the following topics.

- Cyber security
- ASAP Amazon Web service academy-Cloud computing
- Full stack developer

These mentioned courses of ASAP offer placement for 70% of students. The session was really informative for students who seek for quick placement. The students actively participated the program and the interactive session was very informative. There were more than 70 participants including Computer science students and teachers and concluded within 1 hour.
