EMEA College : A Brief Idea

Introduction

Ernad Muslim Educational Association (EMEA) was constituted with the objective of establishing a chain of educational institutions and cultural centres to cater to the needs of the educationally and culturally backward sections of the community. EMEA College which was started in 1982-83, marked as the first step towards this objective. The College is at Kumminiparamba within an ear- short distance from Calicut Airport, 6 kms away from Calicut University and 32 Kms from Kozhikkode city. Far from madding crowd, this institution aims at the overall development of this backward area by opening new vistas of opportunities and exposure to the coming generations without any barrier of caste, creed or colour.

Vision

To be a centre of excellence in higher education affordable to common man.

Mission

Identifying and developing the latent talents of the youth and moulding them into useful citizens with due emphasis on right character formation

Quality Policy

EMEA is committed to providing quality education so as to enable the students to face the challenges of the times

Emblem

The emblem symbolises knowledge, the world in abundance, the panoramic beauty of Kerala and the values of life.

On the top of the emblem is a verse from the Holy Qur'an which means "He Taught man that which he knew not" (96:5).

The ocean represents; life in its totality through which each person journeys, until he reaches his destination under the guidance of the beacon light of EMEA. The coconut tree stands for the scenic ambience, the ideal location the campus provides for educational pursuits. Flanking the emblem is the full name of the organisation that runs the institution.

The B.Sc course in Computer Science started during the year 2001-02. The strength of a batch is 36. The department will offer its M Sc Computer science course shortly and the final approval of the same is pending for the concurrence of the government. The well equipped state of the art lab provides a simulating ambience for innovative studies. The department has four permanent faculty members to teach core Computer science course, one permanent faculty for conducting complementary course in Computer application and two faculty members for teaching the complementary course in Mathematics and Statistics.

The course equips the students to get deep knowledge on software development. Seminars on topic of current importance help the students update with the recent improvements in computer science and applications.

The department has a well equipped computer lab with 30 systems for learning core practical papers and another lab with 45 systems for learning the complimentary practical papers with adequate battery backup. These systems are fully networked. There are printers, portable writers and scanners used. The lab has broadband internet facility. Presently B Sc Computer science has 18 main papers and 4 subsidiary papers.

The association of computer science organizes seminars, workshops and other extension activities for students every year. It conducts an average of one seminar per month. The rate of seminars conducted is very high when compared to other departments. The department conducts industrial visits for the students mainly to different IT parks and software companies.

Computer science department has an alumni association where all students studied in the department are members. It has an administration with secretary and a joint secretary. Most of the students completed their course has gone for M Sc Computer science and MCA courses. A bunch of alumni has bagged IT jobs and are well placed in various companies like Infosys, Wipro, IBM, TCS etc all over India as well as abroad.

In the current academic year, the department has planned to conduct various curricular and co-curricular programmes including an international/national conferences.

Department of Microbiology

The Department of Microbiology was started in 1999 with the aim to uplift the individuals of Malabar imparting scientific enlightenment. The department was established with B.Sc Microbiology course. Since 2002, it also offers the postgraduate programme (M.Sc) in Microbiology. At present, the department has seven well qualified and dedicated faculties who are well-known for their expertise in the area and much teaching experience. Our faculty teaches a wide portfolio of Microbiology courses at the postgraduate and graduate levels. Total intake capacity of the UG and PG programs is 38 and 13 respectively. The alumni of the department now occupy positions of great responsibility in different institutions in India and abroad. At present, Dr. Shiji Thomas is the head of the Department. The Water Potability Test Centre is working under the department of microbiology which aims to extend the possibilities of Microbiology to the service of society.

Department Of Biochemistry

Department of Biochemistry was started in 2004 with the bachelor degree programme in B.Sc Biochemistry with complementary courses in Chemistry and Microbiology. The intake capacity of the department is 36. The admission to the programme is based on merit (reservation as per the norms of Govt). At present there are four faculty members in the department who are well qualified, dedicated and committed towards the discipline and teaching. The aim of the programme is to provide courses with a focus on scientific temperament for the upliftment of the locals who are denied better opportunities to get educated for historical reasons. Biochemistry opens up opportunities in the fields like pharmaceuticals, agriculture, and medicine in India and overseas. Since the most of people in the area are abroad, the department helps meet the requirement of the huge demand for biochemists in food industries, hospitals, and pharmaceuticals in the gulf countries. Moreover the scope in research field is unlimited.

Biochemistry is one of the fascinating subjects as it deals with the chemical language of life.

The main objective of this course is to teach the students the basic concepts of biochemistry with a special focus on metabolism with a special importance to human system. The department is being lead by Dr. Krishnakumar and it situates in the upper floor of the main block.

Department of Biotechnology

The Department of Biotechnology started functioning in 2002 to provide appropriate platform for the students to learn the different aspects of Biotechnology. Presently, four well qualified teaching faculties are working in the department. The department offers B.Sc Biotechnology programme in self financing mode with Environmental Biotechnology and Chemistry as subsidiary subjects. The university has sanctioned 35 seats in a batch. It has well equipped laboratory for teaching and research. Though Biotechnology is an undergraduate department, the teachers and students get actively involved in research. The department has collaborated in research with international and national institute like Zhejiang University, Hangzhou, China, University of Calicut etc and published many papers in the national and international journals. The department has a good record in conducting various national seminars and workshops in regular basis. The students of the department have a very good academic record and rating in the results in university examinations and PG entrance examinations.

CO-CURRICULAR ACTIVITIES

Clubs & Associations

CLUBS

Bhoomitra Sena Club

Environmental education has become an inevitable tool in creating awareness on imperatives of environmental sustainability. Bhoomitra Sena Club an idea conceived by Directorate of Environment & Climate Change under Department of Environment and Climate Change serves this purpose. Agencies like Kerala State Pollution Control Board, Kerala State Bio-diversity Board and Kerala Suchitwa Mission extend support to this programme. The

Bhoomithra Sena club of EMEA College is aimed at encouraging college students to appreciate the environment and to react positively to environmental issues. The club organizes Seminars, Debates, Lectures and talks on environmental issues. It also arranges visits to Wildlife Park, environmentally degrading areas etc. Other activities include cleaning and maintaining the polluted or environmentally degraded sites, planting and maintaining trees in the campus.

Tourism Club

Tourism in Kerala is going through a significant phase of growth and development. The sustained efforts of the department of tourism over a period of several years have played a crucial role in achieving this momentum and direction. The department of tourism is committed to preserving this trend and working towards long-term goals of establishing

tourism as a major development factor in the state. It is with this objective that the Department of Tourism is envisaging a massive awareness campaign in the state. Setting up of tourism clubs in colleges and schools is aimed at creating proper awareness about tourism among the youth.

Red Ribbon Club

The RRC aims at harnessing the potential of the youth by equipping them with correct information on HIV/AIDS prevention, Care and Support and Treatment. It also aims in building their capacities as peer education in spreading message on positive health behaviour in an enabling environment and increasing voluntary blood donation from among youth

Objectives

The RRC in the educational institutions/other institutions will seek to initiate efforts to:
Heighten their level of awareness about HIV/AIDS/STI/ sexuality and other related issues (thus eliminate myths and misconceptions). Educate youth with correct, concise and adequate information and, To promote voluntary non-remunerated blood donation

among youth. To reduce new HIV infection among youth by raising their risk perception through awareness on Sex, Sexuality and HIV & AIDS. To induce

among youth the spirit to help and support people living with HIV/AIDS. To motivate youth and build their capacity as peer educators.

Theatre club

The purpose of Theatre club is to foster attitudes, understandings, skills and enjoyment. So each student's artistic potential may be developed. In developing their potential, students will realize that lifelong participation in the arts is a valuable part of a life fully lived.

Nature Club

Nature club is an initiative towards pitching conservation efforts at societal level, which would have direct bearings upon decisions that we make as individuals, in the interest of the en-

Objectives

To develop aesthetic awareness, appreciation & knowledge, attitudes & skills necessary for the expression of art through the form of drama. To develop amongst the students necessary skills in communication, interpersonal relationships, teamwork & problem solving through various art of drama. Development of awareness (sensitivity) & enjoyment of the ways & willingness to accept responsibilities.

vironment of which we all form different parts. The Nature Club successfully specializes in helping youngsters of our college to take the first step towards conservation of Nature awareness.

Debating Society

Debating is regarded as an educational tool for developing students' analytical and communication skills. Since debating is largely about developing arguments that are stronger than the arguments of the other side of the debating. But it's not just the quality of the argument; it's also the delivery, i.e. being able to present your argument in an understandable way. In that sense, debating is an excellent way of practicing public speaking skills. In addition, de-

bating is interactive both because there is a possibility to ask questions during a speech and because the speeches themselves should always relate to the other speeches of the debating. Hence, developing communication skills in general is possible. The language of debating is English, which for most of us is not the first language, and using one's language skills in such a dynamic way is sure to improve them. It's also very important to remember the improvement one can notice

in thinking skills after debating for time. Because people will often have to debating against their own personal opinions, debating inevitably improves critical thinking skills. One has be able to question one's own opinions and see

many different points of view to an issue. Also, because the preparation time for the debating is very short, only 15 minutes, and one might be asked unexpected questions during the debating, one also learns to think fast, and think well.

Music Club

The Club focuses on bringing out the musical talents (both vocal and Instrumental) and providing them a stage to perform.

Film Club

Awareness among students about so- cial and youth related issues is creat- ed through screening of movies followed by discussions.

IT Club

IT Club aims to sharpen the ideas and expertise of the campus in various fields of information technology. The main objective of the club is total IT literacy. Moreover, the club aims to horn the IT skills of students which will be beneficial for them in their studies and career. With this project in mind, the club is actively involved with many IT related activities.

Commerce Club

Commerce' Club strives to make the students to go beyond the classroom learning and to think ingeniously to con- fidently face the ever changing demands of the commercial world and to prove themselves as the best business leaders.

Entrepreneurial Skill Development Club (ED Club)

The Entrepreneurial Skill Devel- opment Club (ED Club) is a stu- dent-run organization that is committed to being the catalyst that brings together the people and ideas to foster an interac- tive learning environment to explore the world of entrepreneurship. Our mission

is to foster the spirit of entrepreneurship and the entrepreneurial way of thinking and to help students find the contacts, resources and real-world experiences necessary to launch or grow a successful enterprise.

Students Initiative in Palliative (SIP)

Students initiative in palliative (SIP) is a sub -organization of palliative care, aims to encourage active participation of the students in the sacred works of the palliative care. The key motto of the SIP is to provide able care and attention to

the bed ridden patients and encourage them to line. Each volunteers of the SIP is a activity involving the programmes of a palliative care and provide enough confidence and energy to the bed ridden patients.

Literary Club

Literary Club is an initiative of the PG Department of English of the college. The club aims at enhancing the creative abilities of the students and providing them with necessary inputs and facilities. Literary Club organizes various programs such as Invited Lectures, Reading

Sessions, Writing Workshops and Litvanza - Annual Literary and Cultural Fest. The club has founded Ambedkar Study Circle - a platform for discussing and debating contemporary socio-political issues.

ASSOCIATIONS

Parent Teachers Association

The Parent Teacher Association (PTA) of the College provides remarkable support to the activities of the institution. The PTA assists the overall develop-

ment of students by extending financial and other supports to the curricular, co-curricular and extracurricular activities of students.

Aims and Objectives

To work for the welfare of the students and the institution and to offer constructive suggestions for the smooth and successful functioning of the college.

APPENDICES

REGULATIONS FOR CHOICE BASED CREDIT AND SEMESTER SYSTEM FOR UNDER GRADUATE CURRICULUM-2014

1. TITLE

- 1 These regulations shall be called “Calicut University Regulations for Choice Based Credit and Semester System for Under Graduate Curriculum 2014” (CUC-BCSSUG 2014).

2. APPLICATION & COMMENCEMENT

- 1 The regulations provided herein shall apply to all regular under graduate programmes under faculties conducted by the Calicut University, for the admissions commencing from 2014, with effect from the academic year 2014-2015.
- 2 The provisions herein supersede all the existing regulations for the regular under-graduate programmes under faculties specified in section 4.1 conducted by Calicut University unless otherwise specified.
- 3 These regulations are applicable to Distance Education programme also.
- 4 Every programme conducted under the Choice Based Credit and Semester System in a College shall be monitored by the College Council.

3. DEFINITIONS

- 1 ‘Programme’ means the entire course of study and examinations for the award of a degree (Traditionally referred to as course).
- 2 ‘Duration of programme’ means the time period required for the conduct of the programme. The duration of an under-graduate degree programme shall be six semesters distributed in a period of 3 years.
- 3 ‘Academic Week’ is a unit of five working days in which distribution of work is organized from day one to day five, with five contact hours of one hour duration on each day. A sequence of 18 such academic weeks constitutes a semester.
- 4 ‘Semester’ means a term consisting of 90 working days including examination days distributed over a minimum of 18 weeks of 5 working days each.
- 5 ‘Course’ means a segment of subject matter to be covered in a semester (traditionally referred to as paper).

- 6 'Common Course' means a course that comes under the category of courses, including compulsory English and additional language courses and a set of general courses applicable for Language Reduced Pattern (LRP) programmes, a selection of which is compulsory for all students undergoing undergraduate programmes.
- 7 'Core Course' means a compulsory course in a subject related to a particular degree programme.
- 8 'Open Course' means a course which can be opted by a student at his/her choice
- 9 'Complementary Course' means a course which is generally related to the core course (traditionally referred to as subsidiary paper).
- 10 'Repeat Course' is a course that is repeated by a student in a semester for want of sufficient attendance. He/ She can repeat the course whenever it is offered again.
- 11 'Improvement Course' is a course registered by a student for improving his performance in that particular course.
- 12 'Audit course' is a course for which no credits are awarded. If the credits are awarded for these courses, such credits will not be counted for the computation of SGPA and CGPA.
- 13 'Department' means any Teaching Department in a College offering a course of study approved by the university as per the Statutes and Act of the university.
- 14 'Department Co-coordinator' is a teacher nominated by a Department Council to co-ordinate the continuous evaluation undertaken in that department.
- 15 'Department Council' means the body of all teachers of a department in a college.
- 16 'Parent Department' means the Department which offers a particular degree programme.
- 17 'College Co-coordinator' is a teacher nominated by the college council to co-ordinate the effective running of the process of internal evaluation undertaken by various departments within the college. She/he shall be nominated to the College level monitoring committee.
- 18 'Faculty Adviser' means a teacher from the parent department nominated by the Department council, who will advise the student in the academic matters and in the choice of open courses.
- 19 'Credit'(C):Credit is a unit of academic input measured in terms of weekly contact hours /course contents assigned to a course

- 20 'Extra Credit' is the additional credit awarded to a student over and above the minimum credits required in a Programme, for achievements in co-curricular activities conducted outside the regular class hours, as decided by the university. For calculating CGPA Extra credits are not to be considered.
- 21 'Letter Grade' or simply 'Grade' in a course is a letter symbol (A+, A, B, C, D, E, and F). Grade shall mean the prescribed alphabetical grade awarded to a student based on his/her performance in various examinations.
- 22 Each letter grade is assigned a 'Grade point' (G) which is an integer indicating the numerical equivalent of the broad level of performance of a student in a course. "Grade Point" means point given to a grade on 7 point scale
- 23 'Semester Grade Point Average' (SGPA) is the value obtained by dividing the sum of credit points obtained by a student in the various courses taken in a semester by the total number of credits in that semester. SGPA shall be rounded off to two decimal places. SGPA determines the overall performance of a student at the end of a semester.
- 24 'Credit point' (P) of a course is the value obtained by multiplying the grade point (G) by the credit (C) of the course: $P = G \times C$.
- 25 Credit point of a semester is the product of SGPA of that semester and the total credit load of that semester. Credit point of a semester = SGPA x Credit load (Total credits) of the semester
- 26 'Cumulative Grade Point Average' (CGPA) is the value obtained by dividing the sum of credit points in all the semesters taken by the student for the entire programme by the total number of credits in the entire programme and shall be rounded off by two decimal places.
- 27 Grade Card: shall mean the printed record of student's performance, awarded to him/her. (See section 11)
- 28 Course teacher: A teacher nominated by the HOD shall be in charge of a particular course
- 29 Words and expressions used and not defined in this regulation, but defined in the Calicut University Act and Statutes shall have the meaning assigned to them in the Act and Statutes.
- 30 'Dual core' means a programme with double core subjects, traditionally known as double main
- 31 'Strike off the roll': A student who is continuously absent for 14 / working days without sufficient reason and proper intimation to the principal of the college shall be removed from the roll.

Common Courses in Various Programmes

| No | Programme | Semester I | Semester II | Semester III | Semester IV |
|----|-------------|------------|-------------|--------------|-------------|
| 01 | B.A. &B.Sc | L2,7 | 03,04,08 | 05,09 | 06, 10 |
| 02 | B.Com.& LRP | 1,2,7 | 03,04,08 | 11, 12 | 13, 14 |

- 6 Core courses: Core courses are the courses in the major (Core) subject of the degree programme chosen by the student. Core courses are offered by the parent department. The number of core courses varies from 10 to 18 including a project work.

- 6 Core courses: Core courses are the courses in the major (Core) subject of the degree programme chosen by the student. Core courses are offered by the parent department. The number of core courses varies from 10 to 18 including a project work.
- 7 Complementary courses: Complementary courses cover one or two disciplines that are related to the core subject and are distributed in the first four semesters.
- 8 Open Courses: There shall be one open course in core subjects in the fifth semester. The Open course shall be open to all the students except the students of parent discipline. (They can choose an open course from a different discipline). Each department/ discipline can decide the open course from a pool of three courses offered by the University.
- 9 Credits: Each course shall have certain credits. For passing the degree programme the student shall be required to achieve a minimum of 120 credits of which 38(22for common [English] courses + 16 for common languages other than English) credit shall be from common courses, a minimum of 2 credits for project and 2 credits for the open course. (In the case of LRP Programmes 14 credits for common courses,8 credits for Additional language courses and 16 credits for General courses). Minimum credits required for core, complementary and open courses put together are 82. However the credits to be set apart for the core and complementary courses shall be decided by the faculty concerned. The maximum credits for a course shall not exceed 5. Honours and dual core programmes are having separate credit distribution.
- 10 Attendance: A student shall be permitted to appear for the semester examination, only if he/she secures not less than 75% attendance in each semester. Attendance shall be maintained by the concerned Department. Condonation of shortage of attendance to a maximum of 9 days in a semester subject to a maximum of two times during the whole period of a Degree Programme may be granted by the University. Benefits of attendance may be granted to students who attend the approved activities of college/ university with prior concurrence of the Head of the institution. Participation in such activities may be treated as presence in lieu of their absence on production of participation / attendance certificate in curricular/extracurricular activities. It should be limited to 9 days in a semester. The condonation of shortage of attendance shall be granted according to the existing prescribed norms.

If a student registered in first semester of the UG degree programme is continuously absent from the classes for more than 14 working days at the beginning of the semester without informing the authorities the matter shall immediately be brought to the notice of the Registrar of the university. The names of such students shall be removed from the rolls.

Admission to repeat courses should be within the sanctioned strength. However if more candidates are there, the candidates who have suffered serious health problems, on production of a medical certificate issued by a physician not below the rank of a Civil Surgeon in Government service, may be permitted to re-repeat the course, with a written order issued by the Registrar, Calicut University (by considering his/her SGPA/CGPA and percentage of attendance). The number of such candidates should not exceed two.

- 11 Grace marks: Grace Marks may be awarded to a student for meritorious achievements in co-curricular activities (in Sports/
- 12 Arts/ NSS/NCC/ Student Entrepreneurship) carried out besides the regular class hours. Such a benefit is applicable and limited to a maximum of 8 courses in an academic year spreading over two semesters. No credit shall be assigned for such activities.
- 13 Project: Every student of a UG degree programme shall have to work on a project of not less than 2 credits under the supervision of a faculty member as per the curriculum.
- 14 Extension activities: Compulsory social service (CSS) for a period of 15 days essential for the successful completion of a U.G. programme.

5. BOARD OF STUDIES AND COURSES

- 1 The concerned UG Boards of Studies shall design all the courses offered in the under-graduate programmes. The Boards shall design and introduce new courses, modify or re-design existing courses and replace any existing courses with new/modified/re-designed courses to facilitate better exposures and training for the students.

- 2 The syllabus of a course shall include the title of the course, the number of credits, maximum marks for external and internal evaluation, duration of examination hours, distribution of internal marks and reference materials. The BOS concerned have the liberty to decide whether the questions can be answered in Malayalam or not. Maximum efforts shall be made to maintain a uniform pattern while designing the courses, project, viva, practical etc. in the scheme and syllabus of various programmes coming under same faculty.
- 3 Each course shall have an alpha-numeric code and title of the course. The code gives information on the Subject, the Semester number and the Serial Number of the course.
- 4 The syllabus of each course shall be prepared module-wise. Number of instructional hours and reference materials are also to be mentioned against each module. (Refer section 4.4)
- 5 The scheme of examination and model question papers are to be prepared by the Board of studies.
- 6 BOS should analyse the previous examination question papers.
- 7 BOS should make the changes in the syllabi and text books in consultation with the teachers. At least two meetings of teachers may be held in every department in every college, one in midyear and one towards the year end. The recommendations of these meetings should be sent to the Boards of Studies.
- 8 Boards of Studies have to be constantly in touch with renowned Indian Universities, and at least a few foreign universities. Subject experts have to be identified in all major fields of study and endeavour, and consulted frequently.

6. ADMISSION

- 1 The admission to all programmes will be as per the rules and regulations of the University.
- 2 The eligibility criteria for admission shall be as announced by the University from time to time.
- 3 Separate rank lists shall be drawn up for reserved seats as per the existing rules.
- 4 The admitted candidates shall subsequently undergo the pre-scribed courses of study in a college affiliated to the university for six semesters within a period of not less than three years; clear all the examinations prescribed and fulfil all such conditions as prescribed by the university from time to time.

- 5 The College shall make available to all students admitted a Prospectus listing all the courses offered in various Departments during a particular semester. The information so provided shall contain title of the courses, the semester in which it is offered and credits for the courses. Detailed syllabi shall be made available in the University college websites.
- 6 There shall be a uniform calendar prepared by the University for the Registration, conduct /schedule of the courses, examinations and publication of results. The University shall ensure that the calendar is strictly followed.
- 7 There shall be provision for inter collegiate and inter university transfer in third and fifth semester within a period of two weeks from the date of commencement of the semester. For the inter-university or intra-university transfer of a student, he/she has a minimum of 20 credits in the credit bank a) in the same discipline and b) within Kerala.
- 8 Complementary changes at the time of college transfer are permitted in the third semester if all conditions are fulfilled. Complementary changes will not be permitted in the fifth semester.
- 9 CUCBCSS regular students can join distance education stream in any semester in the same Programme or a different one. If core and complementary courses are different, they have to undergo them in the new stream. The marks/grade obtained for common courses will be retained.
- 10 A student registered under distance education stream in the CCSS pattern may be permitted to join the regular college (If there is a vacancy within the sanctioned strength) in the third and fifth semester with the same programme only. If there is a change in complementary courses, It can be done with following conditions)
 - i) the external and internal marks/grade obtained in the previous semesters for the earlier complementary courses will be cancelled .ii) The students have to write the external examinations for the previous semester for the new complementary courses along with the subsequent batch, iii) An undertaking to the effect that the internal evaluation for the previous semesters of the new complementary courses will be conducted, is to be obtained from the Principal of the college in which the student intends to join should be obtained to the effect that the internal evaluation for the previous semester of the new complementary course will be conducted.

11 Provision for credit transfer is subject to common guidelines prepared by the faculty concerned.

12 There shall be provision for readmission of students in the CCSS (2009 admission onwards) system UG pattern. there should be a gap of at least one semester for readmission. The candidate seeking readmission to a particular semester should have registered for the previous semester examination. there should not be any change in the scheme. If there is a change in the scheme, readmission can be given based on the formula ^created for the same. For readmission, the vacancy should be within the sanctioned strength. If there is no vacancy in the junior batch of the Parent College, readmission can be taken in another college with the junior batch, if there is vacancy within the sanctioned strength in the concerned college. Provided the Rules of College Transfer cannot be clubbed with clause for Readmission.

7. REGISTRATION

1 Each student shall register for the courses he/she proposes to take through 'online', in consultation with the Faculty Adviser within two weeks from the commencement of each semester. The college shall send a list of students registered for each programme in each Semester giving the details of courses registered, including repeat courses, to the university in the prescribed form within 45 days from the commencement of the semester.

2 A student shall be permitted to register for the examination also. If registration for examination is not possible owing to shortage of attendance beyond condonation limit, the student shall be permitted to move to the next semester. In such cases, a request from the student may be forwarded through the principal of the college to the University within two weeks of the commencement of that semester. An undertaking from the Principal may also be obtained stating that the students will be permitted to make up the shortage of attendance in that semester after completing 6 semesters. (Students shall make up the shortage of attendance in 'Repeat Semester' after the completion of the programme).

The 'Repeat Semester' shall be possible only once for the entire programme and shall be done in the same college.

- 3 A student who registered for the course shall successfully complete the programme within 6 years from the year of first registration. If not, such candidate has to cancel the existing registration and join afresh as a new candidate.
- 4 For Open courses there shall be a minimum of 10 and maximum of 75 students per batch. For other courses existing pattern will be followed.
- 5 Those students who have followed the UG courses in annual pattern or Choice based Credit & Semester system pattern can cancel their earlier registration and register afresh for CUCBCSSUG 2013 scheme in the same discipline or a different one.
- 6 The students who have attendance within the limit prescribed, but could not register for the examination have to apply for the token registration, within two weeks of the commencement of the next semester.

8. EXAMINATION

- 1 There shall be University examinations at the end of each semester.
- 2 Practical examinations shall be conducted by the University at the end of fourth and sixth semester (except for music). Conduct of Practical examinations in the second semester as per the syllabi may be permitted for Language Reduced Pattern (LRP)
- 3 External Viva-voce, if any, shall be conducted along with the practical examination/project evaluation.
- 4 The model of question papers may be prepared by the concerned BOS. Each question should aim at-
 - 1) Assessment of the knowledge acquired
 - 2) standard application of knowledge
 - 3) Application of knowledge in new situations
- 5 Different types of questions shall possess different marks to quantify their range. Maximum marks can vary from course to course depending on their comparative importance. But a general pattern as shown in section 8.5 may be followed by the Boards of studies.
- 6 Project evaluation shall be conducted at the end of sixth semester. 20% of marks are awarded through internal assessment.
- 7 In the (CUCBCSSUG 2014 scheme) - UG pattern, the common course IV will cover the whole aspects of the syllabi for Environmental studies. So there is no need of conducting a separate examination in Environmental studies for the students of CUCBCSSUG 2014 scheme.

8 Improvement Course: Improvement of a particular semester can ' be done only once. The student shall avail the improvement chance in the succeeding year after the successful completion of the semester concerned. The internal marks already obtained will be carried forward to determine the new grade/mark in the improvement-examination. If the candidate fails to appear for the improvement examination after registration, or if there is no change in the results of the improved examination, the mark/grade obtained in the first appearance will be retained. Improvement and Supplementary examinations cannot be done simultaneously.

9. EVALUATION AND GRADING

1 Mark system is followed instead of direct grading for each ques-tion. For each course in the semester letter grade, grade point and % of marks are introduced in 7- point indirect grading system as per guidelines given in Annexure-1.

2 Course Evaluation: The evaluation scheme for each course shall contain two parts (1) Internal assessment (2) external evaluation 20% weight shall be given to the internal assessment. The re-maining 80% weight shall be for the external evaluation.

3 Internal Assessment: 20% of the total marks in each course are for internal examina-tions. The marks secured for internal examination only need be sent to university by the colleges concerned.

The internal assessment shall be based on a predetermined transparent system involving written test, assignments, seminars and attendance in respect of theory courses and lab test/records/viva and attendance in respect of practical courses.

Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to re-search aptitude.

Components with percentage of marks of Internal Evaluation of Theory Courses are- Attendance 25 %, Assignment/ Seminar /Viva 25 % and Test pa- x per 50% For practical course-Attendance 25% , Record 50% and lab in-volvement 25% as far internal is concerned. (If a fraction appears in Internal marks, nearest whole number is to be taken)

Attendance of each course will be evaluated as below

| Above 90% attendance | 100% marks allotted for attendance |
|----------------------|------------------------------------|
| 85 to 89% | 80% |
| 80 to 84% | 60% |
| 76 to 79% | 40% |
| 75 % | 20% |

To ensure transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a semester shall be notified on the notice board at least one week before the commencement of external examination. There shall not be any chance for improvement for internal marks. The course teacher(s) shall maintain the academic record of each student registered for the course, which shall be forwarded to the University by the college Principal after obtaining the signature of both course teacher and HOD.

- 4 Moderation: a) Moderation shall be awarded subject to a maximum of 5 % of external total marks to be awarded in Semester.
 - b) For a course concerned, the maximum of moderation awarded shall be limited to 10% of the total marks to be awarded for the external course concerned.
 - c) If a student fails for a single course, this limit can be enhanced to 15 % of external in the course
 - d) However Board of examiners concerned, shall have the liberty to fix low percentage of marks for moderation subjected to the conditions mentioned in a), b) and c)
- 5 External Evaluation: External evaluation carries 80 % of marks. External evaluation of Even (2, 4, 6) semesters will be conducted in centralized valuation camps immediately after the examination. Answer scripts of Odd Semester (1,3, and 5) examinations will be evaluated by home valuation. All question papers shall be set by the university.

‘The external examination in theory courses is to be conducted with question papers set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well- defined Scheme of valuation and answer keys shall be provided by the University. The external examination in practical courses shall be conducted by two examiners - one internal and an external, appointed by the University. The project evaluation with viva can be conducted either internal or external whichever may be decided by the BOS concerned. No practical examination will be conducted in odd semester. Practical examinations shall be conducted in the even semester (II, IV and VI) as per the decision of the appropriate academic bodies.
- 6 After the external evaluation only marks are to be entered in the answer scripts. All other calculations including grading are done by the university.

- 7 Revaluation: In the new system of grading, revaluation is per-missible. The prevailing rules of revaluation are applicable to CUCBCSSUG 2014.
- 8 Students can apply for photocopies of answer scripts of external examinations. Applications for photocopies/Scrutiny/ revaluation should be submitted within 10 days of publication of results. The fee for this shall be as decided by the university.

10. INDIRECT GRADING SYSTEM

- 1 INDIRECT GRADING SYSTEM based on a 7 -point scale is used to evaluate the performance of students.
- 2 Each course is evaluated by assigning marks with a letter grade (A+, A, B, C, D, E or F) to that course by the method of indirect grading.
- 3 An aggregate of E grade with 40 % marks (after external and internal put together) is required in each course for a pass and also for awarding a degree.
- 4 Appearance for Internal Assessment (1A) and End Semester Evaluation (ESE-external)) are compulsory and no grade shall be awarded to a candidate if she/he is absent for IA/ESE or both. For a pass in each course 40% marks or E grade is necessary
- 5 A student who fails to secure a minimum grade for a pass in a /course is permitted to write the examination along with the nextbatch.
- 6 After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below. For the successful completion of a semester, a student should pass all courses. However, a student is permitted to move to the next semester irrespective of SGPA obtained. SGPA of the student in that semester is calculated using the formula

$$\text{SGPA} = \frac{\text{Sum of the credit points of all courses in a semester}}{\text{Total credits in that semester}}$$

- 7 The Cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. The CGPA of a student determines the overall academic level of the student in a programme and is the criterion for ranking the students. CGPA can be calculated by the following formula:

$$\text{CGPA} = \frac{\text{Total credit points obtained in six semesters}}{\text{Total credits aquired (120)}}$$

SGPA and CGPA shall be rounded off to two decimal places. CGPA determines the broad academic level of the student in a programme and is the index for ranking students (in terms of grade points). An overall letter grade (Cumulative Grade) for the entire programme shall be awarded to a student depending on her/his CGPA (See Table 1 in Annexure-1)

11. GRADE CARD

- 1 The University shall issue to the students grade/marks card (by online) on completion of each semester, which shall contain the following information:
 - a) Name of University
 - b) Name of college
 - c) Title of Under-Graduate Programme
 - d) Semester concerned
 - e) Name and Register Number of student
 - f) Code number, Title and Credits of each course opted in the semester
 - g) Internal marks, External marks, total marks, Grade point (G) and Letter grade in each course in the semester
 - h) The total credits, total credit points and SGPA in the semester (corrected to two decimal places)
 - i) Percentage of total marks
- 2 The final Grade/mark Card issued at the end of the final semester shall contain the details of all courses taken during the entire programme including those taken over and above the prescribed minimum credits for obtaining the degree. However, as already mentioned, for the computation of CGPA only the best performed courses with maximum grade points alone shall be taken subject to the minimum credits requirements (120) for passing a specific degree. The final grade card shall show the percentage of marks, CGPA (corrected to two decimal places) and the overall letter grade of a student for the entire programme. The final grade/mark card shall also include the grade points and letter grade of common course, core courses, complementary courses and open courses separately. This is to be done in a seven point indirect scale.

12. AWARD OF DEGREE

- 1 The successful completion of all the courses (common, core, complementary and open courses) prescribed for the degree programme with E grade (40 %) shall be the minimum Course requirement for the award of degree.
- 2 Degree for Oriental Title Courses: Those students who have passed Oriental Title courses earlier have to appear for the common courses A 01 to A 06 in order to get POT degree. This can be done through SDE (SDE registration along with the I Semester students)
- 3 For obtaining additional degree: Those students who have passed UG programme under CCSS have to appear only core, Complementary and Open courses for acquiring additional degree. The registration for additional degree shall be done through SDE in the 111 Semester.

13. GRIEVANCE REDRESSAL COMMITTEE

- 1 College level: The College shall form a Grievance Redressal Committee in each department comprising of course teacher and one senior teacher as members and the Head of the department as chairman. This committee shall address all grievances relating to the internal assessment grades of the students. There shall be a college level Grievance Redressal Committee comprising of student advisor, two senior teachers and two staff council members (one shall be elected member) as members and principal as chairman.
- 2 University level The University shall form a Grievance Redressal Committee as per the existing norms

14. STEERING COMMITTEE

- 1 Consisting of two syndicate members of whom one shall be a teacher, the registrar of the university, controller of examinations, seven teachers from different disciplines (preferably one from each faculty), two chair persons of Board of studies (one UG and 1 PG), and two deans of faculty shall be formed to resolve the issues, arising out of the implementation of CUCBCSSUG 2014. The syndicate member who is also a teacher shall be the convener of the committee. The quorum of the committee shall be six and meeting of the committee shall be held at least thrice in an academic year. The resolutions of the committee will be implemented by the Vice Chancellor in exigency and this may be ratified by the Academic council.

15. TRANSITORY PROVISION

- 1 Not with standing anything contained in these regulations, the Vice-Chancellor shall, for a period of three year from the date of coming Into force of these regulations, have the power to provide by order that these regulations shall be applied to any programme with such modifications as may be necessary.

16. REPEAL

- 1 The Regulations now in force in so far as they are applicable to programmes offered by the University and to the extent they are inconsistent with these regulations are hereby repealed. In the case of any inconsistency between the existing regulations and these regulations relating to the Choice-based Credit Semester System in their application to any course offered in a College, the latter shall prevail.

METHOD OF INDIRECT GRADING

Evaluation both internal and external)is carried out using Mark system .The grading on the basis of a total internal and external marks will be indicated for each course and for each semester and for the entire programme,

Indirect Grading System in 7 point scale is as below:

To find Semester Grade Point Average (SGPA) :

$$\text{SGPA} = \frac{\text{Sum of the credit points of all courses in a semester}}{\text{Total credits in that semester}}$$

$$\text{SGPA} = \frac{C1G1 + C2G2 + C3G3 + \dots}{C1 + C2 + \dots}$$

Where G1, G2 are grade points and C1, C2...are credits of different courses of the same semester

Credit point of a semester = SGPA X Credit load of the semester

Seven Point Indirect Grading System

| % of Marks (IA+ESE) | Grade | Interpretation | Grade point Average (G) | Range of grade points | Class |
|---------------------|-------|----------------|-------------------------|-----------------------|------------------------------|
| 90 and above | A+ | Outstanding | 6 | 5.5-6 | First class with Distinction |
| 80 to below90 | A | Excellent | 5 | 4.5 -5.49 | |
| 70 to below80 | B | Very good | 4 | 3.5 - 4.49 | First class |
| 60 to below70 | C | Good | 3 | 2.5-3.49 | |
| 50 To below 60 | D | Satisfactory | 2 | 1.5-2.49 | Second class |
| 40 to below 50 | E | Pass/Adequate | 1 | 0.5- 1.49 | Pass |
| Below 40 | F | Failure | 0 | 0 - 0.49 | Fail |
