Action Taken Report (ATR)

Subject: Restructuring of Placement Cell.

Overview:

The Curriculum Feedback highlighted a notable concern regarding the coordination with the institution's placement cell, reflecting a score of 3.61 out of 5. In response to this, the matter was brought to the College Council for discussion and resolution.

Council Deliberation:

The College Council thoroughly deliberated on the feedback, recognizing the significance of effective coordination with the placement cell in enhancing overall student outcomes. The decision was made to restructure the placement cell to address the identified shortcomings.

Appointment of New Director:

As a strategic step towards enhancing the placement cell's efficiency, Dr. Ashraf Valoor, Assistant Professor of Political Science, has been appointed as the new Director of the Placement Cell. Dr. Valoor's academic expertise and administrative capabilities are expected to contribute significantly to the improvement of coordination and collaboration between the academic departments and the placement cell.

Mandate for Restructuring:

The council has outlined a comprehensive plan for restructuring the placement cell, emphasizing the need for closer ties with academic departments, streamlined communication channels, and proactive engagement with industry partners. This mandate aims to elevate the cell's effectiveness in facilitating student placements.

Implementation Timeline:

The restructuring process is set to commence immediately, with an anticipated completion date within the next academic year. Dr. Ashraf Valoor will lead this initiative, collaborating closely with relevant stakeholders to ensure a smooth transition.

Monitoring and Evaluation:

Regular assessments and feedback mechanisms will be implemented to monitor the progress of the restructuring efforts. This includes periodic reviews by the College Council and feedback from students, faculty, and industry partners.

Conclusion:

The College Council is committed to continuous improvement and fostering an environment that enhances students' career prospects. The appointment of Dr. Ashraf Valoor and the restructuring of the placement cell reflect our dedication to addressing concerns raised in the curriculum feedback, ultimately contributing to a more effective and responsive academic ecosystem.
