

CURRICULUM FEEDBACK ANALYSIS 2020-21

EMPLOYER-2020-21

1. Methodology

This curriculum feedback analysis report on employer 2020-21 is descriptive and analytical in nature. The data were collected from the employers known to various departments. A convenient sample method was used. The respective departments did the sample selection and data collection. The data were collected by the 5-point scale questionnaire prepared by IQAC. A copy of the concerned syllabus was also handed over to the employers along with the questionnaire for ready reference. For the analysis of data – the descriptive statistics like average, percentage and tabular and diagrammatic tools were used. The data were analyzed with the statistical software IBM-PASW (SPSS) (Trial Version). The report is prepared by IQAC. A copy of the report will submit to the concerned departments and also place before the academic council of the college for necessary decisions.
