Description of Course content delivered in the webinar:

The speaker Dr. C.R. Elsy, Professor and Coordinator IPR Cell, Kerala Agricultural University presented the key note address on Intellectual Property Rights (IPR)- Relevance and Practices. She discussed on the importance of IPR. She states that Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time. She also explained the geographical indication. Geographical indication of a product is a sign used on products that have a specific geographical origin and possess qualities or a reputation that are due to that origin. In
