SL NO	LIST OF ACTIVITIES
1	<p>Team Kudeyund – An initiative of EMEA College Counselling Centre that Helps Recover Students and Public from the Trauma of Covid 19 and Related Issues via Tele-counseling:</p> <p>With COVID-19 being declared a pandemic and with more and more people being affected directly or indirectly, there is a need to provide psychological first aid to relieve the distress of students and prevent them from developing more serious mental health issues. It is expected for affected (both directly and indirectly) individuals to feel stressed and worried. Some of these fears and behaviours are realistic, while many are just borne out of lack of knowledge, rumours and misinformation. Steps are needed to prevent social stigma and discrimination associated with COVID-19.</p>

Under Counseling centre, E.M.E.A College of Arts and Science decided to build a team of teachers and train them to help students to deal with trauma of Covid and related issues. Lt Abdul Rasheed P and N. K. Zaheera Banu were selected as the coordinators.

The team members are enlisted below:

1.	Mr Firoz K.T.
2.	Dr Mashhoor K
3.	Mr Hussain
4.	Dr Jamsheela
5.	Mrs Abidha
6.	Mr Yunus P
7.	Mr Shihabudheen P
8.	Mr Rafeeqali Mundodan
9.	Dr Somy Soman
10.	Mr Ashiq Sulthan
11.	Mr Althaf
12.	Mrs Ashitha Sanuj
13.	Mrs Aneesath
14.	Mrs Irfana Parveen
15.	Mr Mohammed Shafi

Two master training sessions were planned and conducted on 30 May 2021 and 07 June 2021. The sessions were conducted in Google Meet. The sessions were handled by Mr Shafi Kalathingal, Psychologist and Assistant Professor, E.M.E.A Training College. On the first day basic principles of psychosocial counseling were discussed. Different supports provided and characteristics of good counselor were explained.

The second session was on the intervention. The members were trained to act upon counselee's mental health needs and the phase of recovery. A detailed knowledge was given to the members on special considerations for providing counseling services over the phone and also for adapting counseling skills to suit the medium of the telephone.

3 Seven Days Training Programme on MOODLE LEARNING MANAGEMENT SYSTEM:

The Shihab Thangal Central Library and Research Centre in association with Internal Quality Assurance Cell of EMEA College, Kondotti organised a seven day training programme on Moodle Learning Management System. The focus of the workshop was on not only teaching the practical skills of using the Moodle learning management system platform but also to impart a culture among the faculties to shift on to different e-learning

platforms. This online training programme is mainly intended to build the capacity of the faculty members for developing unique courses and its effective delivery using Moodle–LMS platform. The training will also build a unique capacity to adopt different techniques to provide highly collaborative student-centred courses and multiple learning styles in Moodle environment. The training programme utilized GoogleMeet Video Conferencing Tool for live class and discussion. A focused FDP WhatsApp group is created for better coordination among the learners and facilitators. Each session comprised Lecture, Discussion, Demonstration and Hands on Activities starting from 7.30 pm to 10.30 pm on all seven days.

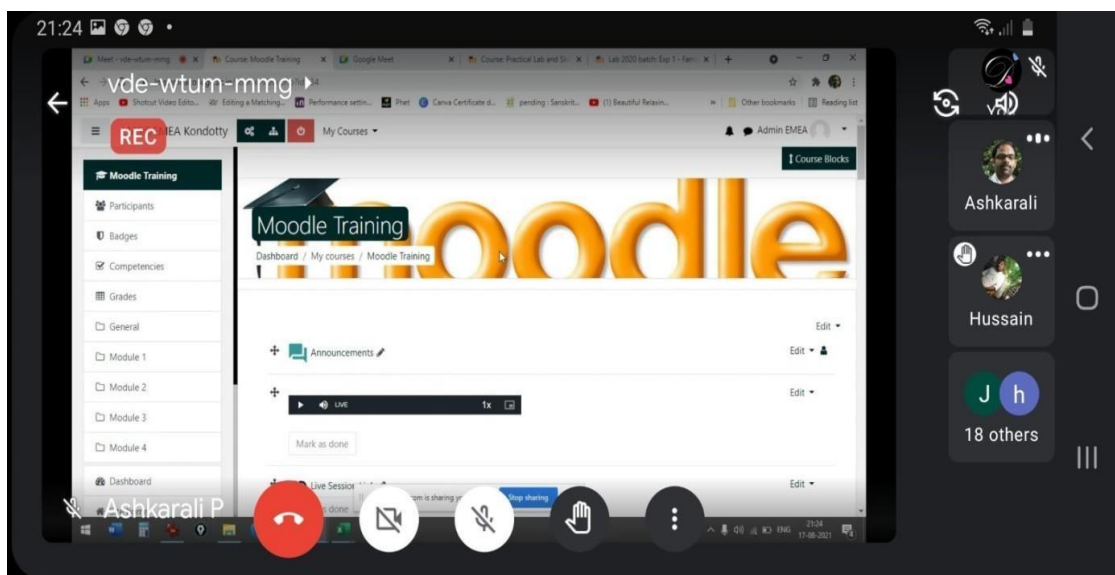

Day 1 (09-08-2021): Overview of Moodle LMS

The Moodle training programme was inaugurated by the principal of the college, Dr. Ibrahim Cholakkal on 9th August 2021 at 7.30 pm. His inaugural address shed light over the essentiality of shifting to online learning platforms especially in this pandemic situation. The principal also added the necessity of such training programmes as part of the initiative of the Faculty Development Centre of the Kerala State Council of Higher Education (KSHEC) which is envisaged to implement the Moodle-based LMS in all higher education institutions in the state as part of the Digital Enablement Drive. The

coordinators of the programme Dr. Mahjabeen Aydeed and Dr. Afsal P.C. delivered the welcome address and the vote of thanks respectively.

The first day of the training programme was initiated by giving an overview of the Moodle Learning management system by the resource person, Dr. Askerali P, Assistant Professor, Department of Electronics, Govt Arts and Science College, Tanur. he resource person taught the participants to create and edit the profile and also to create a new course in a moodle framework along with the course details including course full name and short name, course start/end dates, course summary and the appearance and image of the course. The session was concluded at 9.45 pm.

Day 2 (10-08-2021): Adding & Managing Contents

Asker sir continued on the second day also by tutoring on the methods of adding different modules to the course page and different resources to various courses. The session which started at 7.50 pm extended up to 10 pm because of the active participation of the participants. The resource person gave many activities to the participants to be done in Moodle platform.

Day 3 (11-08-2021): Creating and Grading Quiz

The third day of the training programme was taken over by Dr. Ramesh R., Assistant Professor & Research Guide in Chemistry, Govt. Victoria College, Palakkad. Ramesh sir explained the steps for creating the quiz activity by setting its options which specify the rules for interacting with the quiz. The class started at sharp 7.30 to wind up at the correct time.

Day 4 (12-08-2021): Utilizing question bank for quiz

The fourth session of the programme was continued by Ramesh sir on 12th August that was mainly focused on adding activity in the moodle platform and focusing on building quiz by adding questions utilizing the inbuilt question bank, setting up grade and time limit in the Moodle platform. Ramesh sir explained the two step procedure for setting up the quiz features and adding questions. The session was interactive as many participants cleared their queries about conducting exams and quiz

Day 5 (13-08-2021): Assignment setting & grading using Rubrics

Dr. Biju R, Assistant Professor of English, Central University of Tamilnadu managed the fifth day of the training programme. The topics which were discussed on the fourth day were based on setting up the course outcomes, setting an assignment to test whether the outcomes are achieved, grade setting using rubrics or grading guide. Biju sir elaborated the method of systematic grading using the Rubrics which is useful for ensuring consistent grading practices for assignment. The tutor concluded that a forum can also be set in order to discuss and clear the doubts with the students.

Day 6 (14-08-2021): Managing course class & Attendance tracking

The faculty development programme on its 5th day commenced at 7.30 pm. The speaker of the Session Ramesh Babu sir discussed on the steps involved in tracking attendance of students in moodle platform after enrolling the students to different courses

Day 7 (15-08-2021): Assignment setting & grading using Rubrics

The last day of the training programme involved discussion on the advanced aspects of moodle learning management system which was led by Asker sir. The different steps involved in enrolling students including self and manual enrolment methods to different courses were discussed. The class was very active in all aspects as the resource person gave an outline of all the features which were discussed earlier for those who missed the earlier sessions. The valedictory session started with a welcome speech by Dr.Afsal P.C., Assistant Professor of English at 9.30 pm. The principal, Dr.Ibrahim Cholakkal made the valedictory address and appreciated the team for the successful completion of the program. The IQAC co-ordinator Mr.Abdurazaque P.M, staff club coordinator Ms.Haulath K and Dr. Fasil N, Assistant professor of English delivered positive comments on the training programme. The valedictory session ended with a formal vote of thanks by Dr. Mahjabeen Aydeed, Librarian and coordinator of the programme.

4 A One-day Workshop on Moodle Learning Management System:

The world of knowledge creation and dissemination undergoes drastic changes in line with the innovative technologies. Teaching-learning process and research activities also have adopted the changes in the methods of activities. The University Grants Commission

(UGC) also promotes the paradigm shift from the traditional mode of education to a digitised one. Realising this fact, Internal Quality Assurance Cell of EMEA College organises various orientation and workshop programmes on various Learning Management Systems (LMSs).

A one-day workshop was arranged by the IQAC on "Moodle Learning Management System" at 1:30 pm on 15 February 2022 at Computer Science Lab. Dr. Afsal PC, Coordinator, Criterion-I, NAAC, welcomed the gathering. The programme was inaugurated by Mr. PM Abdurazaque, Coordinator, IQAC. Ms. Ashitha K Sanuj, Assistant Professor, PG Department of Microbiology, acted as resource person. She elaborated on different nuances of the learning management system and trained other faculty members to use the LMS. As many as 36 faculty members from different departments attended the workshop. Ms. Haulath K, Assistant Coordinator, IQAC, proposed a vote of thanks.

Objectives:

1. Providing adequate training for the faculty members in Moodle Learning Management System
2. Motivate faculty members to adopt the recent trends in teaching-learning activities
3. Providing platforms to create online study material

Expected Outcome:

1. The faculty members are expected to incorporate Moodle into their teaching method.
2. Faculty are expected to create and share online study materials on Moodle Platform
3. They are expected to conduct various assessment by making use of the LMS.
