3 A Training Series on "Empowering the Faculty"

A training series on "Empowering the Faculty", was organized by the Internal Quality Assurance Cell (IQAC) on Wednesday, November 30, 2022, at the AVT Hall. The primary objective of this training series was to enhance the professional development of faculty members, providing them with valuable insights and skills to excel in their roles. The resource speaker of the programme was Dr. Narayanan K, Professor and Chair of the School of Science and Mathematics at the College of Charleston, USA. The program commenced with a warm welcome by Mr. Abdul Razaque, the IQAC Coordinator, followed by a presidential address from Lt. Abdul Rasheed P, the Principal of the College. Dr. Shalina Beegam, Associate Professor in Chemistry at Farook College, extended felicitations to the participants, highlighting the collaborative spirit of the academic community. The keynote address was delivered by Dr. Narayanan K, gave a detailed training to enrich the participants for understanding the contemporary teaching methodologies and encouraging them to incorporate diverse and innovative approaches into their teaching methodologies. The event concluded with a vote of thanks from Haulath K, the Joint Coordinator of IQAC, expressing gratitude to all participants and the resource person for their contributions to the success of the training series. The programme demonstrated fostering a culture of continuous learning and professional growth among the faculty members.

4 A One-Day Training Program for the Administrative Staff

The Internal Quality Assurance Cell (IQAC) and Centre for Professional Development (CPD) of the college was organized a one-day training program for the administrative staff on 07, January 2023, starting at 9:30 AM in the Seminar Hall. The primary objectives of the program were to enhance the administrative staff's skills, foster a better understanding of office functioning, file keeping, service matters, and provide insights into the practical aspects of conducting university exams.

The event commenced with the inaugural address by Lt. Abdul Rasheed P, the Principal of the college. He invited the resources persons to the programme. The technical sessions were conducted by experienced professionals, beginning with a class by Sri. Suhail, Superintendent at Govt. College, Kodancheri, from 10:00 AM to 12:00 PM. He addressed crucial topics such as office functioning, file keeping, and service matters, providing practical insights into efficient administrative practices.

The second session, from 12:15 PM to 1:00 PM, focused on the conduct of university exams, featuring a demonstration video. In the afternoon session from 2:00 PM to 4:00 PM, Sri. Musthafa, Senior Accountant at Sub Treasury, Kondotty, delved into SPARK, BIMS, BILLS, and ETR 5, offering valuable knowledge on essential administrative tools. The programme improved the skills and understanding among the administrative staff, ensuring a more streamlined and effective approach to their daily responsibilities. The hands-on and practical nature of the sessions facilitated enhanced learning and skill application, contributing to the overall professional development of the administrative staff.

8 Faculty Development Programme (FDP) on Scholarly Publishing and Indian Research Information Network System (IRINS)

Shihab Thangal Central library and research centre, EMEA College of arts and science in association with IQAC organised a two day FDP programme for faculties and research scholars. The FDP was based on Scholarly publishing and Indian Research Information Network System (IRINS) and VIDWAN. The programme was arranged on 16th and 17th November 2022. VIDWAN is the premier database of profiles of scientists / researchers and other faculty members working at leading academic institutions and other R & D organisation involved in teaching and research in India. It provides important information about expert's background, contact address, experience, scholarly publications, skills and accomplishments, researcher identity, etc. The database developed and maintained by Information and Library Network Centre (INFLIBNET) with financial support from the National Mission on Education through ICT (NME-ICT). The resource person of the programme was Mr. Jobin Jose, UGC Librarian, Marian College Kuttikkanam.

The first day of the programme was mainly confined on the general aspects of scholarly publishing and related topics. This was mainly to create an awareness among the faculties regarding different publishing portals and procedures. The programme on its first day was concluded.

The resource person Mr. Jobin Jose started the session on the second day at sharp 9.30 am on 17.11.2022. The resource person started the session by identifying to the audience different researcher profiles and identifiers like Google Scholar profile, Scopus profile, ORCID and Vidwan ID etc. The participants were initially trained for creating different profiles

by live demonstration before entering to the main topic. Each participant created their own profiles on the spot itself under the supervision of the resource person. After that the resource person started discussing on the main topic of Indian Research information network system (IRINS) and sholarly publishing. He explained that IRINS is a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre that facilitates the academic, R&D organisations and faculty members, scientists to collect, curate and showcase the scholarly communication activities. The participants were very curious listening to the class. It was a lively session as the participants asked different queries and it was immedietly solved by the resource person. After that the discussion extended to different scopus indexed journals, UGC care listed journals and peer reviewed journals. The final section of the program was engaged on the discussion about fake journals or predatory journals. He pointed out with the list of different fake journals and also remembered the audience to be aware of such journals which will have an adverse effect on their career. The session was concluded at 3.30 pm. The valedictory session started soon after the session. Mr. Nisar U, Assistant Professor of History and West Asian Studies proposed the vote of thanks. Most of the participants provided positive feedbacks. The certificates were distributed to all the participants.

11 One book one student challenge “Community library”

One book one student challenge is an initiative by the library club of EMEA college of arts and science in order to collect books from the students for setting up of a community library. The programme was meant for collecting books from students of the different departments of the college in such a way that at least one student can contribute a book. These collected books can be utilized for setting up of a community library in the Kumminiparamb locality. The programme one book one student challenge was started on February 22nd 2022 and extended till March 2nd 2022. As part of this programme a box was kept for putting the donating books at the main entrance of the college. Teachers of the different departments also contributed to the community library. Books were also handed over to the librarian by the students and teachers as part of the programme. Around four hundred books were collected for setting up of the library and most of them were in the Malayalam language. The community library was arranged inside the Arts and sports club of the locality. The books contributed by the students as part of One book one student challenge were taken for setting the community library. The inauguration of the community library was done by PK Basheer, the MLA and Secretary of the college by hand overing the books to the secretary of the Kumminiparamb club on 30th July 2022 at 5 pm. The event was held at the main entrance of the college. The principal of the college Lt. Abdul Rasheed sir, Club co-ordinators Dr. Mahjabeen Aydeed, Librarian and Mr. Firoz T.K, HOD, Department of WAS and the library club members also participated in the program.
