

കേരളം KERALA

DR 597797

This Memorandum of Understanding (MoU) made and entered into this on 18.05.2023 between Department of Microbiology, EMEA College of Arts and Science, Kondotty, Malappuram, Kerala as the *First Part* and PG Department of Microbiology, GEMS Arts & Science College, Ramapuram, Malappuram, Kerala as the *Second Part*.

EMEA College of Arts and Science, Kondotty, was established as an embodiment of a long cherished dream of people of Ernad, a backward region in erstwhile Malabar District of British India. Started in 1982 as a humble institution offering pre-degree courses in commerce and humanities, the college is now a full-fledged centre of academic excellence providing five PG Programmes, eleven UG Programmes two BVoc Programmes and a PhD Programme in Economics. EMEA College is affiliated to the University of Calicut and recognized by the Government of Kerala. The college was accredited by NAAC with 'B++' grade in its first cycle of accreditation in 2005. Later in 2014, it was awarded with 'A' grade. And recently in 2021, the college underwent the third cycle and got accredited with 'A' grade. Being a temple of learning, the college is committed to provide quality education, and to help students chase and achieve their aspirations along with fostering good nature, discipline, respect and responsibility within them and thereby molding them into useful individuals for their family and society.

GEMS Arts & Science College, Malappuram, Kerala (a Unit of Global Education and Management Studies Co-operative Ltd., No. M. 782) there after mentioned as GEMS Arts & Science College is the first institution under GEMS Co-Operative Society. It started functioning from the session 2008-2009 and today it offers 14 UG, 6 PG courses with excellent infrastructural facilities. The College is affiliated to Calicut University. The College stands high with its virtues of excellence and makes humble contribution to the society at large of Kerala as well as neighboring States too. It offers exclusive educational experience to prepare the next generation of global citizens to lead as well as make a difference in the world. With its talented, hardworking, motivated students and accomplished faculty members, GEMS College maintains a particular commitment to exceptional undergraduate and postgraduate instructions, and aims to be the best College of the region.

EMEA College of Arts and Science and GEMS Arts & Science College have agreed to enter into an agreement at the institutional level with mutual understanding to achieve its objectives, through various students' benefit programs for academic, technological, socio-cultural promotion considering the scope and challenges of the new National Education Policy 2020 with the following identified but not limited to.

#### **Purpose and objectives**

The purpose of this MoU is to create a framework or platform of collaboration with the following objectives:

**Faculty support:** Department of Microbiology faculty members of both EMEA College of Arts and Science and GEMS Arts & Science College may deliver offline/online lecture(s) as resource persons for portions or special topics of a few identified courses with mutual consultation at a mutually convenient timing. On the lecture(s) or interactions, the faculty member may be considered to be on duty at the beneficiary institution. Heads of the Institution may mutually alter the dates if such duties of assigned faculty members are seen to hamper important academic or evaluation assignments at his / her place of posting.

**Access to laboratories:** Students will have access to laboratories of Department of Microbiology, EMEA College of Arts and Science and GEMS Arts & Science College. However, beneficiary Institution will pay for the basic minimum cost of recurring items if anything is consumed.

**Joint Submission of Collaborative Projects:** Department of Microbiology faculty members of both EMEA College of Arts and Science and GEMS Arts & Science College may submit joint project proposals for funding from different funding agencies.

MALAPPURAM DT., KERALA-679 321

**Joint organization of Seminars / Symposia / Workshop:** Seminars / Workshop / Symposia may be jointly organized by Department of Microbiology faculty members of both EMEA College of Arts and Science and GEMS Arts & Science College.

**Joint field work:** Both the Colleges may jointly organize field works which are part of the curriculum. This way both the institutions may utilize the expertise of individual faculty members for the benefit of the students.

**Guidance in Career counseling:** EMEA College of Arts and Science and GEMS Arts & Science College will share information on career counseling and opportunities for higher students in India and abroad.

**Joint organization of Placement drive:** EMEA College of Arts and Science and GEMS Arts & Science College will jointly organize Placement drives for the benefit of the outgoing and passed out students.

This is a non-binding MoU and there shall be no financial obligation on the part of both EMEA College of Arts and Science and GEMS Arts & Science College

Both EMEA College of Arts and Science and GEMS Arts & Science College agree that any information which is exchanged pursuant to this Memorandum of Understanding will be kept strictly confidential and used solely for the purpose, covered by this Memorandum of Understanding, unless such information was obtained by a third party who does not have an obligation of confidentiality toward the information-disclosing party and entered public domain.

Subject to clause below, both the Institutions may amend this Memorandum of Understanding by mutual consent in writing. Any amendment agreed by the Institutions shall come into effect from the date determined by the signing College / University

This Memorandum of Understanding shall enter into force on the date of signing and shall initially be valid for a period of three years. There after both EMEA College of Arts and Science and GEMS Arts & Science College shall agree on mutual consent on the continued validity of this Memorandum of Understanding.

In any other circumstance, or other detailed collaboration between the two parties, a separate MoU shall be drawn up as and when required.
