**About the Programme SPARK X 2K21**

Post Graduate Department of Commerce, EMEA College of Arts & Science, Kondotty is organised a 5day Higher Education orientation program on 30th May, 2021, Sunday, at 2.30 PM. The programme is an Alumni initiative in Higher Education & Career Advancement. The program intends to help the students to make a shift from the general understanding of life and work to a more specific understanding of the realistic and practical career options that are available to them.

It's quite natural to get confused when it comes to choose the right career after Graduation. Today, there are numerous career options available for students to pursue, and this is the reason why they find it difficult to decide which way to go. Don't worry. Your elder brothers will help you to show the way they travelled and achieved. They will share their experiences and help you to understand the wide opportunities around the world.

PG Department of Commerce, EMEA College of Arts & Science Kondotty, has successfully completed the 5-Day Higher Education Orientation Program. It was an alumni-sponsored program to provide a better understanding about the higher education and employment opportunities.

Second year and final year Degree students of the Department participated actively. 17 proud alumni guests presented different aspects of higher studies and employment opportunities over various sessions.

## **About The Department – PG Department of Commerce**

Department of commerce is one of the earliest Department of the college which came in to existence along with the college in 1982. the first course of the department is Pre Degree Fourth group(Commerce). Later on in 1993 ,B.Com Degree courses was started.

PG Department of commerce is the largest Department in the college with two under graduate programmes (co-operation and Computer Application) and one post graduate programme (M.Com with Finance).
