Action Taken Report (ATR)

Subject: Curriculum Restructuring of BVoc Programmes.

In response to the curriculum feedback from students, where the overall score stands at 3.78 out of 5, with the BVoc department registering the lowest score of 3.31 out of 5, the Internal Quality Assurance Cell (IQAC) determined that this report needed attention in the college council for discussion and policy action.

Following deliberations in the college council, it was decided to escalate the matter to the Academic Council of BVoc. The college council has further endorsed Mr.Moideen Shafeeq.A, Coordinator of the

BVoc programmes, to communicate and discuss the grievances with the Academic Council and members of the Board of Studies at the University of Calicut.

This strategic approach reflects the commitment of the college to address student concerns and collaboratively engage with relevant academic bodies to implement necessary policy actions, ensuring an enhanced curriculum experience for BVoc students.
