Report

Extension programme

The PG Department of English organized extension programme for the sixth semester students on 16th January 2015. The students took class in upper primary and they had a syllabus to follow. Mr. Roy {head of the department}, Mrs. Abhidha {assistant professor}, Mr. Lalith {assistant professor}, Mr. Jaleel {assistant professor} had given proper guidelines to them to avoid the confusions in transferring the content to the pupil.

The extension programme was really interesting for all students. Teaching the basic rules of language to the little ones was a bit difficult at first. Gradually this became a routine to them. The students used various learning aids {charts, cards etc} and ICT based learning aids to create a better learning experience to the pupil.

After completing the syllabus they also made a achievement test to asses, how much the students understood from the class. The young teachers also gave appropriate reinforcement and they also offered remedial teaching for the poor performers. The extension programme was an amazing experience to the sixth semester students
