

Report on One Day webinar on ‘Research Proposal writing’

The role of the College Research Committee is to advise and assist the Head of College and the College Council in the fulfillment of the research aspects of the College Strategic Plan. In this context the committee has organized a webinar on Project Proposal Writing on April 12th 2021 by Dr. Sindhu Joseph, Assistant professor and Head, Department of Travel Tourism and Management, Govinda Pai Memorial Government College, Manjeswar, Kerala.

Objective of the Webinar

The core objective of the workshop was to equip the college faculties with set of skills and potentiality to undertake the research projects very effectively in various disciplines and to turn completed research into publishable material of high quality in the form of articles, journals and books.

Programme

The webinar started with a formal Inaugural session at 10.00 am. Dr. Ayoob Keyi, Principal, EMEA College of Arts and Science inaugurated the webinar.

The webinar commenced, with a brief introduction of the resource person by webinar co-ordinator, Dr. T. Krishnakumar. The workshop was attended by thirty faculties form various departments of the college. After a brief introduction about the resource person, the webinar commenced by 10.30 Am.

In the webinar she introduced the participants to the basic aspects of research and how to identify a problem for a research project, types of research on the basis of various parameters, importance and its characteristics. She also opened an insight about importance and procedure of conducting quality research. Resource person has also pointed that research is more than an understanding of set of skills; it is a way of thinking. Conceptual understanding of research was also introduced to the participants by her. She also brought to notice of all presented in the workshop about the practical problems relating to the implementation of the project once it has been sanctioned. Webinar concluded by 1 Pm.

The image shows a Google Meet interface with a presentation slide. The slide title is "Research Proposals". It lists two types of proposals: "Self-generated research proposals" and "Responsive proposals". Below this, it states "convince the decision-makers of:" followed by four bullet points with checkmarks: "the value of the research", "the soundness of the proposed approach", "the valuable and original insights which the researcher will bring to the project", and "personal capability to conduct the research". The meeting interface includes a top bar with the URL "meet.google.com/yhx-fwgp-vst", the time "10:37 AM", and a list of participants. A bottom bar contains meeting controls like mute, video, and chat.
