Subject: Celebration of World Entrepreneurs' Day 21st August

Respected Madam/Sir,

As you are aware, World Entrepreneurs' Day is celebrated on 21st August which aims to promote vision of entrepreneurship as a viable avenue for employment among the youth and to support the aspiring entrepreneurs.

Furthermore, the NEP 2020 focuses upon establishing an educational landscape that caters to the overall development of students to create industry ready workforce to meet global industry requirements with an emphasis on nurturing entrepreneurship and start-up ecosystem.

In view of above, the Higher Educational Institutions (HEIs) are requested to celebrate the World Entrepreneurs' Day from **21st August to 31st August, 2023**. Students participation may be encouraged through activities like seminars, essay writing, quizzes, debate competitions, writing of slogans, posters, banners, etc. and give wide publicity to the same. HEIs may focus on the objective of Innovation and Entrepreneurship by organising events/programmes with industry, innovators and business leaders and young entrepreneurs on various themes of entrepreneurship e.g. Entrepreneurship as an Alternate Career Choice, Entrepreneurship for Self Reliant India, Entrepreneurship for Everyone, Start-up Ecosystem etc.

In addition, the details of the activities conducted may also be uploaded along with photos/ videos on the University Activity Monitoring Portal (UAMP) at <https://uamp.ugc.ac.in/>.

With kind regards,

Yours sincerely,

Report

The IEDC (Innovation and Entrepreneurship Development Cell) community of EMEA College of Arts and Science organized a dynamic boot camp on Monday, February 26th, 2024. The program was held from 10:00 am to 4:00 pm at the seminar hall. The main aim was to provide a platform for interactive session, to connect with other members and to acquaint the members with the objectives and structures of the IEDC.

The boot camp was started with a warm welcome by the CEO of IEDC, Muhammed Sunain . The COO of IEDC HasilK shared his experience and inspired the members. Following the welcome address, the leaders of IEDC introduced themselves, sharing their roles and responsibilities. This provided the newly selected members with insights into the leadership structures and encouraged open communication and transparency. Throughout the day, interactive sessions were conducted to facilitate networking and relationship-building among the members. The sessions provided opportunities for individuals to get to know each other, share experience and had a practical session where members were guided through the process of creating their LinkedIn account.

The members were given instructions on signing up for LinkedIn account. Step-by-step guidance on completing profile sessions such as summary, experience, headlines, education, skills and tips for writing job descriptions to highlight achievements and skills were provided. Engaging games and activities were conducted under IEDC. Quiz competition and other fun activities were organised to improve team work, concentration, problem solving and creative thinking, while also providing moments of laughter and enjoyment. At the conclusion of boot camp, participants were invited to share their feedback and the program was wrapped up with a delightful photo taking sessions.

Overall, the IEDC boot camp was a success, providing newly selected members with a platform to interact, collaborate and engage with the organisation.
