## **Summary Report**

### **Curriculum Feedback Analysis 2023-24**

#### **Employer Feedback**

The **EMEA College of Arts and Science, Kondotty** conducted an analysis of employer feedback on the curriculum and employability of candidates for the academic year 2023-24. The evaluation was based on responses from 23 employers across eight key areas. The overall score achieved was **3.86** on a 5-point scale, reflecting a generally positive response. Below is a summary of the key findings:

#### **Key Insights:**

**1. Demanding Curriculum:**

- Employers largely agreed that the program was suitably demanding, with a score of **4.13**.

**2. Relevance of Projects and Internships:**

- While many agreed that internships and project works were relevant, the score of **3.60** suggests room for improvement in this area.

**3. Skill Development:**

- The curriculum enhanced candidates' communication, critical thinking, and problem-solving skills effectively, scoring **4.00**.

**4. Workplace Skills:**

- The program was deemed capable of creating workplace-ready skills with a score of **3.82**, indicating potential for slight improvements.

**5. Employability:**

- Employers found candidates highly employable, reflected in the high score of **4.17**.

**6. Overall Learning Outcomes:**

- The learning outcomes achieved by candidates were rated excellent, earning the highest score of **4.30**.

**7. Placement Cell Coordination:**

- Coordination with the institution's placement cell received a lower score of **3.08**, suggesting this is a critical area for improvement.

**8. Candidate Grooming and Behavior:**

- Employers praised the grooming and behavior of the candidates, scoring this aspect at **4.17**.

**Overall Evaluation:**

The curriculum received an overall score of **3.86** out of 5, reflecting good employer satisfaction. However, areas like internship relevance (**3.60**) and placement cell coordination (**3.08**) require attention to enhance outcomes and satisfaction further.

This analysis highlights the institution's strengths in creating employable, well-groomed candidates and achieving excellent learning outcomes, while also identifying opportunities for continuous improvement.
