## **Curriculum Feedback -ALUMNI**

### **Action Taken Report Based on Department-wise Average Values**

#### **Introduction**

This report outlines the actions taken by the college council in response to the findings from the department-wise average ratings analysis. The aim is to enhance student satisfaction and improve overall educational quality based on identified areas of concern.

#### **1. Programme Demand**

**Action Taken:** Conducted departmental meetings to discuss curriculum adjustments. Faculty encouraged to adopt more challenging coursework, especially in the CS department, to align with student expectations.

#### **2. Syllabus Organization and Relevance**

**Action Taken:** Initiated a review of the syllabus across all departments. A task force has been established to update course materials, with a focus on CS and DM departments to ensure content is relevant and organized.

#### **3. Project Works/Internships**

**Action Taken:** Enhanced partnerships with industry stakeholders to provide more relevant internships and project opportunities, especially for CS and DM students. Increased mentorship programs with alumni to guide students on project work.

#### **4. Examination Conduct and Results Publication**

**Action Taken:** Reviewed examination processes in the LOG department. Implemented a standardized timeline for examinations and results publication to ensure consistency across all departments.

## **5. Competency Enhancement**

**Action Taken:** Developed workshops focused on communication, critical thinking, and problem-solving skills for all students, with particular emphasis on improving outcomes in the LOG department.

## **6. Workplace Skills Development**

**Action Taken:** Collaborated with local businesses to create workshops and training sessions tailored to enhance workplace skills, particularly targeting students in the CS and DM departments.

## **7. Learning Environment**

**Action Taken:** Improved physical and digital learning spaces based on feedback. Increased access to resources in the DM department to foster a better learning environment.

## **8. Academic Ambience**

**Action Taken:** Launched initiatives to enhance the academic atmosphere in the DM department, including guest lectures and collaborative projects to engage students and faculty.

## **9. Industry Connection Opportunities**

**Action Taken:** Increased efforts to develop industry connections, particularly in the BVoc Logistics department. A dedicated team has been formed to organize networking events and internships to bridge the gap.

## **10. Support from Staff**

**Action Taken:** Implemented staff training programs to enhance cordiality and supportiveness. Regular feedback sessions between students and staff have been established to foster open communication.

## **Conclusion**

The college council is committed to addressing the feedback received from the student survey. The above actions are aimed at creating a more supportive and effective educational environment, with a focus on continuous improvement. Regular follow-ups and assessments will be conducted to monitor the effectiveness of these initiatives and ensure alignment with student needs.
