REPORT

AN INTRODUCTION TO THE POSSIBILITIES OF AI

The Department of Computer Science Association of the EMEA College of Arts and Science conducted a lecture on “An introduction to the possibilities of AI” on December 21, 2023, at the Audio Visual Theatre.

The program was intended to create awareness of trends in technology and future possibilities of AI. The program started at 9:30 AM and was anchored by Sibna Sherin from BSC Computer Science. Muhammed Fayis K. C, The secretary of the association delivered a heartwarming welcome speech, addressing the chief guest and all others. Dr. Riyad sir, the head of the department, held the chairman position and gave an incredible introduction to the guest and the program.

After that, the chief guest, Dr. Mohammed Basheer KP, Assistant Professor, Pg & Research Department of Computer Science, Sullamussalam College, Areekode, delivered an insightful lecture on the topic. The session covered a broad spectrum of topics, including an overview of AI and its subfields like machine learning and natural language processing, alongside real-world applications spanning industries like healthcare, finance, and transportation. The discussion highlighted the benefits of AI, such as enhancing efficiency and decision-making, while also addressing challenges such as job displacement and bias in algorithms. Ethical considerations were examined, alongside future trends like reinforcement learning and GANs. The session emphasised the importance of responsible AI development, considering its potential societal impact and the need for updated regulatory frameworks.

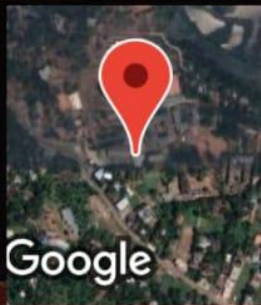

Participants were encouraged to explore AI further and engage in initiatives promoting ethical and responsible AI practices.

The association also awarded Dr. Muhammed Basheer a memento as a token of love. Athif Noor from BSC Computer Science concluded the program by sharing great feedback and giving a vote of thanks. Students from the The BSC computer science department attended the session. CS department professors Mr. Jamshad sir, Mrs. Haulath ma'am, Mrs. Sahla Ma'am, and Union Representative Mubashir PK also adorned the audience section. Overall, the program was a total success, providing insightful knowledge about IT Career.

A seminar report on "FINANCIAL GOAL SETTING: AN ETHICAL & PRACTICAL ROAD MAP"

Financial literacy & financial goal setting is the understanding of key financial concepts and skills. Considering the importance of 'financial goal setting' among students, Department of B.Voc Islamic Finance, EMEA College of Arts and Science, conducted a seminar on 'FINANCIAL GOAL SETTING: AN ETHICAL & PRACTICAL ROAD MAP' on 13th July 2023 at Seminar Hall.

Seminar started at 2:00 PM with the Muhammed Roshan P.A, HoD, Department of B.Voc Islamic Finance delivered the welcome address, where Althaf T.K , Director, B.Voc Programmes presided. Haulath K, Joint-Coordintor IQAC EMEA College of Arts and Science formally inaugurated the program. The key note was delivered by Er. Abdul Lathief Parappurath, CXO, Calicut Biomedicals. The program came to a close by 4:30 PM. Many Students from

different programmes of B.Voc are attended the programme. E-Certificate provided to all participants.

The program underlined that, financial goal-setting is the key to building wealth. Setting short-term financial goals, as well as midterm and long-term, is an important step toward becoming financially secure. If you aren't working toward anything specific, you're likely to spend more than you

should. You'll then come up short when you need money for unexpected bills, not to mention when you want to retire. Seminar concluded that the one of the causes of Financial Crisis is identified as lack of Financial Literacy.

BUILDING A SUCCESSFUL CAREER IN THE DIGITAL ERA

CAREER ENHANCEMENT PROGRAM

2024 **JAN 25** THURSDAY
@BBA CLASSROOM

Resource person:

Dr. Shanujas V

Assistant Professor
School of Digital Humanities and Liberal Arts
Kerala University of Digital Sciences,
Innovation and Technology
(Digital University Kerala)
Thiruvananthapuram

Teacher Coordinator: Asif N
Student Coordinator: Rinas. A

Introduction: The BBA Department of EMEA College, recognizing the dynamic nature of the professional landscape, took a proactive approach by organizing a career enhancement program titled "Building a Successful Career in the Digital Era." The event, held on January 25th at 10 am, aimed to equip students with essential insights into navigating the intricacies of the digital landscape to ensure success in their future careers.

Key Participants: The success of the program was attributed to the collaborative efforts of

- **Guest & Resource Person:** Dr. Shanujas.V, an esteemed Assistant Professor at the School of Digital Humanities and Liberal Arts.
- **Student Coordinator:** Rinas.A, who played a pivotal role in orchestrating the event.
- **Staff Coordinator:** Asif.N, Head of the BBA Department, whose guidance contributed to the seamless execution of the program.

Event Overview: The program opened with a warm and inviting welcome speech delivered by Nourin, setting the stage for the enriching sessions that followed. Dr. Shanujas.V, the distinguished guest and resource person, captivated the audience with a thought-provoking presentation. She delved into the significance of digital marketing in the contemporary technological era, emphasizing its role as the future cornerstone of marketing strategies.

Session Highlights: Dr. Shanujas.V's session was not just a lecture but an interactive discourse, allowing students to actively engage with the material. The presentation covered a spectrum of topics, from the fundamentals of digital marketing to practical strategies for building a

successful career in the digital age. Students were encouraged to ask questions, fostering a dynamic learning environment.

The program's seamless orchestration and timely execution were attributed to the adept management skills of the student coordinator, Rinas.A, with the valuable support of Asif.N. The coordinators ensured that participants not only absorbed the theoretical knowledge presented but also had opportunities for practical application and discussion. Acknowledgment and Recognition: As a gesture of appreciation, Dr. Shanujas.V was honored with an award by the class advisor Ms.Hanaa Moosa Koya, recognizing her valuable contributions to the program and her dedication to enlightening students on the nuances of the digital era.

Conclusion: In conclusion, “the Building a Successful Career in the Digital Era” program was a resounding success, achieving its objective of providing students with comprehensive insights into the rapidly evolving world of digital marketing. The collaborative efforts of all involved parties, coupled with Dr. Shanujas.V's expertise, ensured that participants not only gained theoretical knowledge but also practical insights crucial for their future professional journeys.

The event concluded with a heartfelt vote of thanks delivered by Rinas.A, expressing gratitude to all participants, including Dr. Shanujas.V, coordinators, and attendees. The program not only enriched the academic experience of the students but also empowered them with knowledge essential for navigating and succeeding in the ever-evolving landscape of digital careers.

Teacher Coordinator: Asif N
Student Coordinator: Mohammed irfan. C

The session “career and higher education opportunities after bba” was given by Rakesh Hariharan, who is a representative on of the leading career guidance institutions known as SI. The session was conducted for a time period of one and half hours. The students were very well enlightened about the possibilities and opportunities they have after their graduation. The students were able to clear all their confusions regarding their higher studies thanks to the well informed Rakesh Hariharan sir.

In the first half of the session Rakesh sir explained about the opportunities and the second half of the session was completely an interactive session, in which the students were very active. The coordinator of this program was Asif sir, BBA HOD and the student coordinator was Muhammad Irfan who also concluded the program.

INVITED TALK

**CAREER OPPORTUNITIES
IN BIOCHEMISTRY**

Resource Person:

Mr. Jayaram Jayaraj

(Assistant Professor, Department of Biochemistry
CMS College of Arts and Science, Coimbatore)

2024
MARCH

25

11.00 A.M
MONDAY

CLASS S 11

On March 25, 2024, the Department of Biochemistry at EMEA College of Arts and Science, Kondotty, organized an enriching talk on "Career Opportunities in Biochemistry" for the final year Biochemistry students. The session aimed to provide students with valuable insights into the various career paths available to them upon graduation. Mr. Jayaram Jayaraj, an Assistant Professor from the Department of Biochemistry at CMS College of Arts and Science, Coimbatore, served as the resource person for this talk.

Mr. Jayaram Jayaraj commenced the session by extending a warm welcome to the students and expressing his gratitude for the opportunity to address them. He provided an overview of the agenda for the talk, emphasizing the importance of exploring career opportunities early in one's academic journey.

Mr. Jayaraj elaborated on the prospects of pursuing a career in academic research. He discussed roles such as research assistants, laboratory technicians, and postdoctoral researchers, highlighting the importance of scientific inquiry and innovation in academia.

The speaker provided insights into the pharmaceutical industry and its relevance to Biochemistry graduates. He discussed roles in drug development, quality control, and regulatory affairs, emphasizing the industry's role in improving healthcare outcomes.

Students were introduced to the diverse opportunities available in the biotechnology sector. Mr. Jayaraj discussed roles in genetic engineering, bioprocessing, and bioinformatics, showcasing the sector's potential for innovation and technological advancement.

The speaker shed light on career prospects in healthcare settings and clinical laboratories. He discussed the role of Biochemists in diagnostic laboratories, medical research facilities, and hospitals, emphasizing their contribution to patient care and disease diagnosis.

Following the presentation, an interactive session allowed students to engage with Mr. Jayaram Jayaraj, ask questions, and seek advice on career-related queries. The speaker

provided valuable insights, shared personal experiences, and offered guidance tailored to individual interests and aspirations.

In conclusion, the invited talk on "Career Opportunities in Biochemistry" proved to be an invaluable resource for the final year Biochemistry students of EMEA College of Arts and Science, Kondotty. Feedback from the students indicated a positive reception of the talk. The session concluded with a sense of empowerment among the students as they prepared to embark on their professional journeys in the field of Biochemistry.

Program Report: Seminar on Study Abroad & Career Opportunities

Event Details:

Institution: EMEA College of Arts and Science, Kondotty

Accreditation: Re-accredited with 'A' Grade by NAAC

Date: 22nd February 2024

Time: 1:30 PM to 2:30 PM

Venue: Seminar Hall

- ▶ Speaker:

- ▶ Name: Aswathi Narayanan M

- ▶ Position: Senior Team Lead – Student Relation, Edroots International

- ▶ Student Coordinator:

- ▶ Name: Fathima Nida

- ▶ Affiliation: 40th EMEA College Students Union

Overview

- ▶ The seminar on “Study Abroad & Career Opportunities” was organized to provide students with insights into various international education avenues and career prospects. The event aimed to equip students with the necessary information and guidance to make informed decisions about their future studies and careers.

Agenda

▶ 1. introduction:

- Welcome address by the student coordinator, Fathima Nida.
- Brief overview of the seminar's objectives and importance.

2. Speaker Session:

- Presentation by Aswathi Narayanan M.
- Detailed discussion on study abroad options, including popular destinations, application processes, scholarships, and visa requirements.
- Insights into various career opportunities available for students post their international education.
- Personal experiences and success stories of students who have benefited from studying abroad.

▶ 3. Q&A Session:

- An interactive session where students had the opportunity to ask questions and seek clarifications on topics discussed during the presentation.

4. Conclusion:

- Summary of key points discussed.
- Vote of thanks by the student coordinator.

Key Highlights

- ▶ **In-depth Information:** The seminar provided comprehensive information on the benefits of studying abroad, including exposure to diverse cultures, advanced educational systems, and global career opportunities.
- ▶ **Guidance on Application Process:** Detailed guidance on the steps involved in applying to international universities, including preparing for standardized tests, writing application essays, and obtaining recommendation letters.

- 
- ▶ Scholarships and Financial Aid: Information on various scholarships and financial aid options available to support students in their pursuit of international education.
 - ▶ Career Prospects: Insights into the career opportunities available to students after completing their education abroad, including job search strategies, networking, and leveraging international degrees for career advancement.

Student Feedback:

- ▶ The seminar was well-received by the students, with many expressing appreciation for the valuable information and practical advice shared by the speaker. The interactive Q&A session was particularly beneficial, allowing students to address their specific concerns and gain personalized guidance.

Conclusion:

- ▶ The seminar on “Study Abroad & Career Opportunities” successfully achieved its objectives of informing and inspiring students to explore international education options. The collaboration with Edroots International and the active involvement of the 40th EMEA College Students Union contributed to the event’s success. Moving forward, similar seminars and workshops will continue to be organized to support students in their academic and career aspirations.

CAREER COUNSELLING PROGRAM - REPORT

EMEA College of Arts and Science, Kondotty conducted a Career Counselling Program on 'Career in Physics' on 24/07/2023 under the auspices of the Department of Mathematics and Physics, for orientation on careers in Physics among graduate students. The program was started by the welcome speech of Dr. Ramsiya at 2.30 PM. The resource person Mr. Abdul Irshad, Assistant Professor in Physics, St. Joseph College Devagiri – Calicut. He enlightened the students about the higher education and career opportunities available to those who have studied Physics in leading institutes of higher education like IITs and others.

The resource person pointed out that, to succeed in a physics career, aspiring professionals should pursue rigorous academic training, gain hands-on experience through internships or research projects, and develop strong communication skills to effectively convey complex ideas. Continuous learning and staying updated with advancements in the field are essential to thriving in the competitive landscape of physics-related industries. The resource person explains vacancies exist in different branches in physics like Astrophysics, Material science, Nanotechnology, electronics ect.

REPORT

The Commerce Club, in collaboration with the Career Guidance & Placement Cell at EMEA College of Arts and Science, Kondotty, hosted "CAT Insight 2024" on February 1st from 9:30 AM to 1:30 PM at the Audio Visual Theatre. The resource person for the event was Jothish K Jose, a Career Educator from TIME, Calicut.

The Common Admission Test (CAT) is a standardized entrance exam used for admission to postgraduate management programs, such as MBA, in various business schools across India. It assesses candidates on sections like Verbal Ability and Reading Comprehension (VARC), Data Interpretation and Logical Reasoning (DILR), and Quantitative Ability (QA). CAT is conducted annually by the Indian Institutes of Management (IIMs) on a rotational basis. It is a crucial exam for those seeking admission to reputed management institutes in India.

Conclusion:

The CAT Insight Programme conducted by the Commerce Club has proven to be a transformative experience for all involved. Through engaging workshops, interactive sessions, and real-world applications, participants gained invaluable insights into the world of commerce and business. The programme fostered critical thinking, problem-solving skills, and a deeper understanding of the CAT examination process. Furthermore, it provided a platform for networking, collaboration, and personal growth. As we reflect on the successes and lessons learned, it's evident that the CAT Insight Programme has empowered participants to embark on their academic and professional journeys with confidence and determination. With its positive impact and enduring benefits, the programme stands as a testament to the Commerce Club's commitment to nurturing future leaders in the field of commerce and beyond.

REPPORT ON

"KONA KONA SHIKSHA CERTIFICATE EDUCATION PROGRAMME" in partnership with NISM (National Institute of Securities Markets)

The Commerce Club organized a captivating and insightful event titled "KONA KONA SHIKSHA CERTIFICATE EDUCATION PROGRAMME" in partnership with NISM (National Institute of Securities Markets) SHIKSHA CERTIFICATE EDUCATION PROGRAMME" The event is set to take place in October 2023, on the 11th and 12th from 9:30 AM to 3:30 PM in the Seminar Hall. The resource person for this program is Dr. Jubair T, who is described as an SEBI and NISM Empanelled Securities Market Trainer.

The topic of "Financial Literacy and Stock Market Investment," as offered through the "KONA KONA SHIKSHA CERTIFICATE EDUCATION PROGRAMME," can be highly important for students for several details.

EVENT HIGHLIGHTS:

1. FINANCIAL KNOWLEDGE:

It equips students with fundamental financial knowledge, which is crucial for their personal financial management. Understanding concepts like budgeting, saving, and investing can have a significant impact on their financial well-being throughout their lives.

2. INVESTMENT SKILLS:

Learning about stock market investment introduces students to the world of investments, which can be a valuable asset in the long term. They can learn how to grow their wealth and make informed decisions about investing in stocks and other financial assets.

3. CAREER OPPORTUNITIES:

For students interested in finance or related fields, this knowledge is a foundation for pursuing careers in finance, economics, or investment banking. It can open up various job opportunities in the financial sector.

4. EMPOWERMENT:

Financial literacy empowers students to make sound financial decisions, reducing the likelihood of falling into debt or making uninformed financial choices. This knowledge can lead to a more financially secure future.

5. ECONOMIC AWARENESS:

Understanding the stock market and its role in the economy can help students become more aware of current economic events and trends. This awareness can be valuable in a variety of fields, not just finance.

6. INVESTING FOR THE FUTURE:

Learning about investing early in life can set students on a path to building wealth over time, which can be particularly important for their future financial security and retirement planning.

CONCLUSION:

In summary, the importance of this topic lies in its potential to equip students with essential life skills related to finance and investments, providing them with a strong foundation for making informed financial decisions and planning for their future.

REPORT

Futureproof Your IT Career:Trends,Guidance and AI Insights

The Department of Computer Science Association of the EMEA College of Arts and Science conducted “Futureproof Your IT Career:Trends,Guidance and AI Insights” on December 21, 2023, at the Audio Visual Theatre.

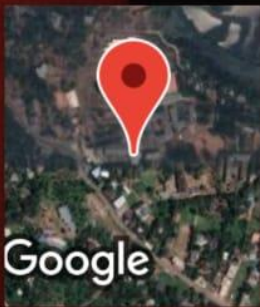

The program was intended to create awareness of trends in technology and Impact of AI.The program started at 9:30 AM and was anchored by Sibna Sherin from BSC Computer Science. Muhammed Fayis K. C,The secretary of the association delivered a heartwarming welcome speech, addressing the chief guest and all others. Dr. Riyad sir, the head of the department,held the chairman position and gave an incredible introduction to the guest and the program.

After that, the chief guest, Ms.Sruthi Deepak ,Director Of Operations,MaiTexa Technologies pvt Ltd,Calicut,delivered an insightful lecture about The Future IT Career. .She talked about the Emerging Technologies shaping the IT landscape, such as Artificial Intelligence (AI), Machine Learning (ML).Discussed the impact of AI and automation on various IT roles and how professionals can adapt by upskilling in areas like data science, natural language processing, and robotics.Stress the importance of soft skills such as communication, problem-solving, and adaptability alongside technical skills, as IT professionals increasingly need to work cross-functionally and interface with stakeholders.Emphasize the importance of networking and building industry connections through internships, professional organisations, and networking events to expand career opportunities and stay updated on industry trends.

The association also awarded Ms.Sruthi Deepak a memento as a token of love. Athif Noor from BSC Computer Science concluded the program by sharing great feedback and giving a vote of thanks. Students from the The BSC computer science department attended the session. CS department professors Mr. Jamshad sir, Mrs.Haulath ma'am, Mrs. Sahla Ma'am, and Union Representative Mubashir PK also adorned the audience section.Overall, the program was a total success, providing insightful knowledge about IT Career.

PG DEPARTMENT OF COMMERCE
EMEA COLLEGE OF ARTS AND SCIENCE KONDOTTY
REPORT: HIGHER EDUCATION OPPORTUNITIES IN UK

PG Department of Commerce in association with Career guidance and Placement cell, EMEA College Kondotty has conducted an alumni Lecture Series on "Higher Education Opportunities in the United Kingdom on 30th November 2023 at 10.00 am .The programme was convened at Audio visual Theatre of the college with a participation of 250 students, predominantly from the B.Com and BBA programs. The event aimed to provide valuable insights into pursuing higher education in the United Kingdom. Mr. Aboobacker Siddeeq KC, Assistant Professor in the PG Department of Commerce, welcomed attendees, setting an engaging tone for the session. The program featured a presidential address by Nahas Sha AA, Convenor of the Career Guidance and Placement Cell, and an inauguration by Mrs. Kamalam Edathil, HOD and Associate Professor of the Commerce Department.

The highlight of the event was the enlightening session by the resource person, Mr. Shabeer U, a distinguished alumnus from the B.Com batch of 2006-09. Founder of Be Root UK, English Rootme, and Root Millers UK, Mr. Shabeer shared valuable insights into higher education opportunities in the UK. His interactive approach allowed students to gain a deeper understanding of the subject, and he graciously addressed their queries. The event concluded with a vote of thanks from Riyana, a third-year B.Com student, expressing gratitude to all participants and especially Mr. Shabeer U for his invaluable contribution. The Alumni Lecture Series successfully bridged the gap between academia and practical experiences, providing students with inspiration and guidance for their future educational endeavors.

FOOD SAFETY OFFICER CAREER SCOPE AND OPPORTUNITIES

20 OCTOBER 2023

Career Guidance Program on Food Safety Officer.

Food safety is a critical aspect of public health, and food safety officers play a vital role in ensuring that the food we consume is safe and free from contamination. With their strong background in microbiology, microbiology students are well-positioned to pursue a career in food safety. This career guidance program aims to provide microbiology students with an overview of the food safety officer profession, including its responsibilities, educational requirements, and job prospects.

The objectives of this career guidance program are to:

- Increase awareness among microbiology students about the food safety officer profession
- Provide an overview of the responsibilities and duties of a food safety officer
- Discuss the educational and certification requirements for becoming a food safety officer
- Highlight the job prospects and potential career paths for food safety officers

- Connect microbiology students with food safety professionals for networking and mentorship opportunities.

The primary goal of this career guidance was to provide students with a comprehensive understanding of scope and opportunities in the field of Food safety officer. The welcome speech was delivered by career guidance cell coordinator, Ms.Jisha P J and Presidential address was delivered by Dr. Shiji Thomas, HOD of Microbiology. The Resource person of the program was Ms.Ansi L, Food safety officer, Kondotty region.99 students from UG and PG Microbiology participated in the session.

This career guidance program is designed for microbiology students at the undergraduate and postgraduate levels.

Overview of Food Safety and the Role of Food Safety Officers

- Importance of food safety
- Foodborne illnesses and their impact on public health
- The role of food safety officers in protecting public health
- Responsibilities and Duties of a Food Safety Officer
 - Conducting food safety inspections
 - Investigating foodborne illness outbreaks
 - Developing and implementing food safety programs
 - Enforcing food safety regulations
- Educational and Certification Requirements for Food Safety Officers
 - Academic qualifications
 - Professional certifications
 - On-the-job training

- Job Prospects and Career Paths for Food Safety Officers
 - Employment opportunities in the government, private, and non-profit sectors
 - Potential career paths for food safety officers
 - Salary and compensation for food safety officers
- Networking and Mentorship Opportunities
 - Connecting with food safety professionals in the industry
 - Benefits of mentorship for career development

Conclusion

This career guidance program provided microbiology students with the necessary information and resources to explore the rewarding career path of a food safety officer. By equipping students with knowledge, skills, and connections, we can empower them to become the next generation of food safety professionals and contribute to safeguarding public health.

INTRODUCTION

The PG Department of Commerce at EMEA College of Arts & Science, Kondotti, recently hosted an enlightening event titled "LOGIC," aimed at spreading awareness about professional courses and opportunities. This event, held on October 5th, 2023, Thursday, at 2:00 PM in the C5 Classroom, was led by Mr. Zameel, our resource person, who specifically targeted last year students in the PG Department of Commerce

The program was a resounding success, captivating and informative throughout. The seamless coordination of all activities was overseen by dedicated committees, whose members executed their responsibilities with precision, contributing significantly to the event's triumph

The Department of Commerce, along with the Head of Department and the Principal of EMEA College, provided invaluable support and guidance, ensuring the program's smooth execution

In closing, Mr. Shamil, a final year student from the Department of Commerce at EMEA College, extended heartfelt thanks to all involved, acknowledging their collective efforts in making the event a memorable one

4.Programme description

The Department of Computer Science at EMEA College takes great pride in hosting the seminar titled "Unlock Your IT Future! Explore Future-Ready Courses in Computer Science" in collaboration with Leacon International. The seminar aimed to provide insights into the evolving landscape of the IT industry and highlight the importance of staying ahead through continuous learning and embracing future-ready courses.

The primary objective of the seminar was to create awareness among students and professionals about the rapidly changing trends in the IT sector and to showcase the opportunities presented by future-ready courses. The collaboration with Leacon International brought industry expertise and global perspectives to the forefront.

The Department of Computer Science remains committed to providing students with opportunities to stay abreast of industry trends and acquire the skills needed for a successful career in the dynamic field of computer science. The collaboration with Leacon International has paved the way for future partnerships that will further enhance the educational experience for our students

4.Programme description

The seminar on "Unlock the Possibilities: Discover your career in Full Stack Development" held at the computer lab on 21st February 2024 aimed to provide aspiring developers and students with valuable insights into the dynamic world of full stack development.

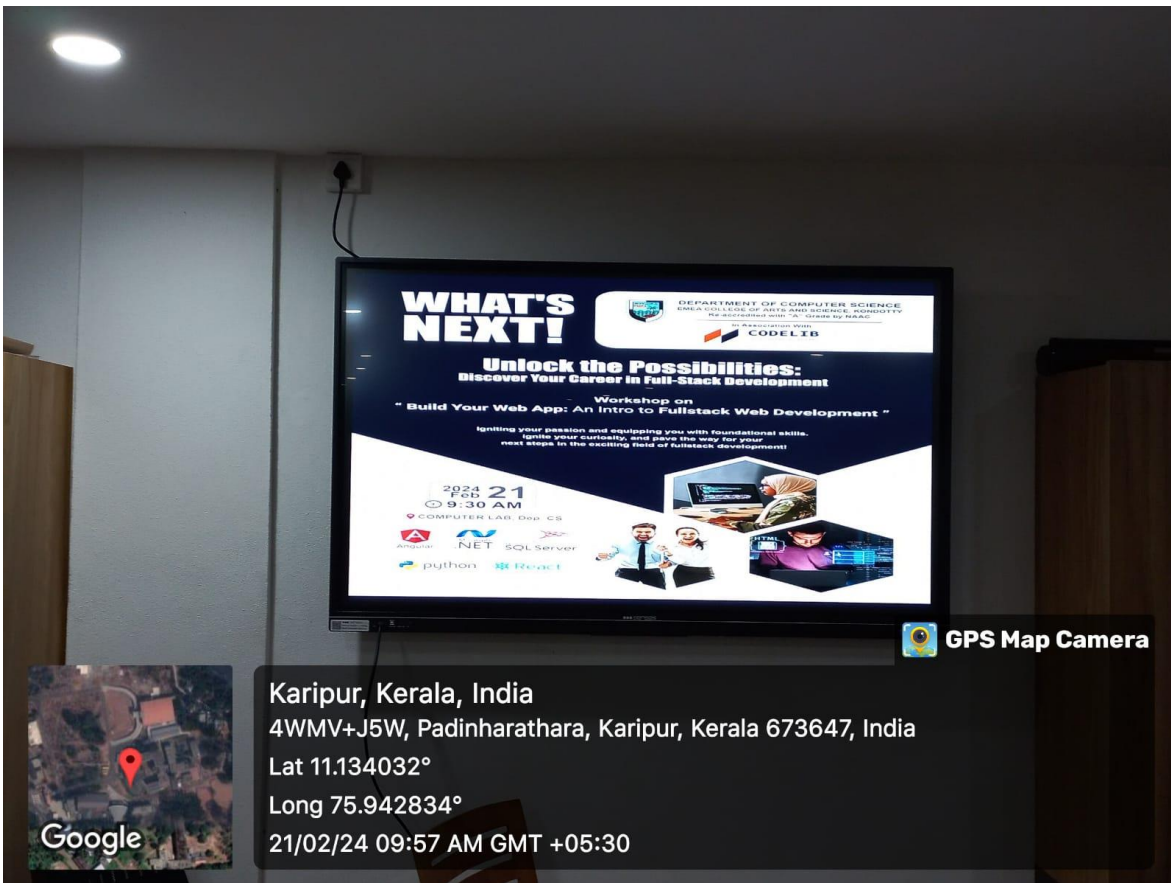

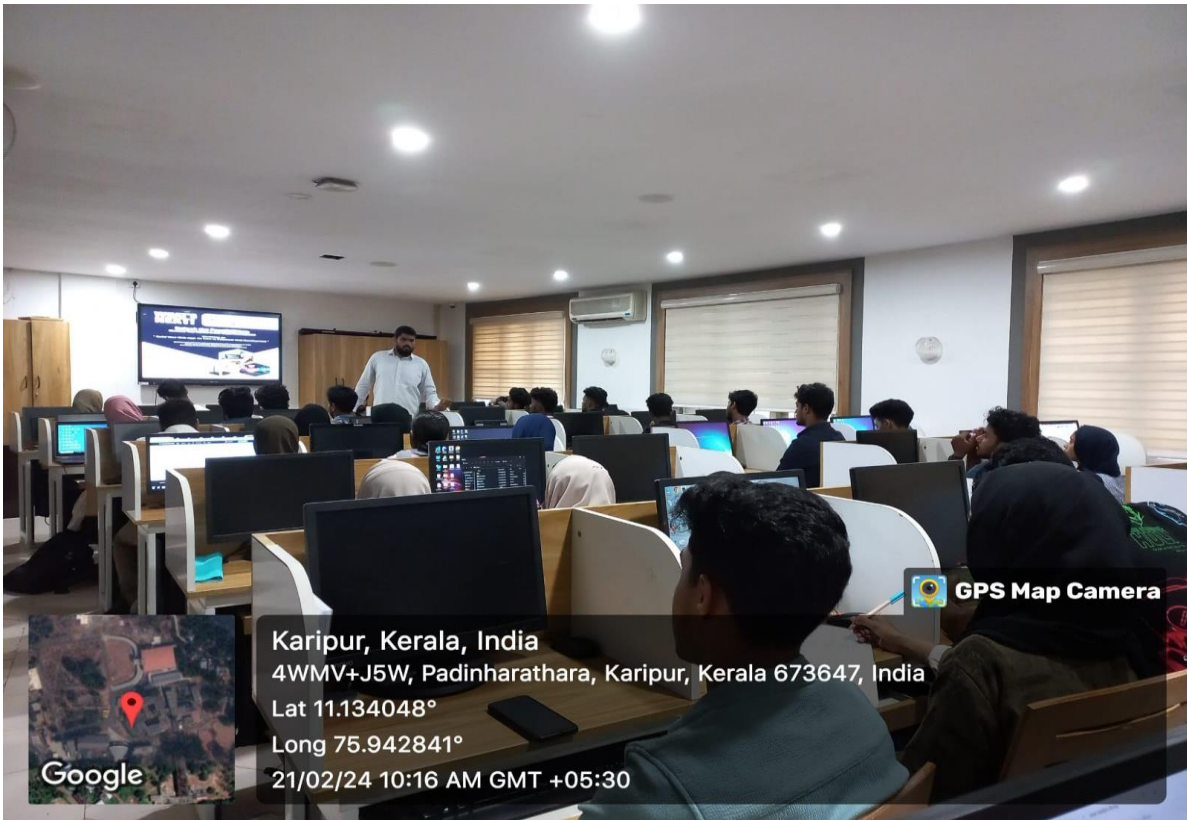

A detailed session covered the fundamental concepts of full stack development, explaining the roles and responsibilities of a full stack developer. The presentation delved into various technologies, frameworks, and languages commonly used in front-end and back-end development.

The seminar included an interactive hands-on workshop conducted in the computer lab. Participants had the opportunity to work on practical exercises, creating a basic full stack application. The workshop focused on integrating front-end and back-end components, giving attendees a firsthand experience of the development process.

The seminar on "Unlock the Possibilities: Discover your career in Full Stack Development" provided a comprehensive overview of the skills, knowledge, and opportunities available in the field. Attendees left with a deeper understanding of full stack development, practical experience from the workshop, and valuable insights into the industry's expectations.

Report

TRENDS AND LEGAL FRONTIERS: AN AWARENESS PROGRAM ON CYBER SECURITY

The Department of Computer Science Association of the EMEA College of Arts and Science conducted “Trends and Legal Frontiers: An Awareness Program on Cyber Security” on November 30, 2023, at the Audio Visual Theatre.

The program was intended to create awareness of trends in technology.

The program started at 2:30 PM and was anchored by Sibna Sherin from BSC Computer Science. Muhammed Fayis K. C., the secretary of the association, delivered a heartwarming welcome speech, addressing the chief guest and all others. Dr. Riyadh sir, the head of the department, held the chairman position and gave an incredible introduction to the guest and the program.

After that, the chief guest, Mr. Ameer Ali, senior cyber security consultant and co-founder of Sysin Technologies, delivered an insightful lecture about cyber security. He talked about the various security concerns of modern relevant technologies and how to take precautions with them. He also talked about the various possibilities the field holds and how, day by day, technology is advancing and creating several opportunities. He concluded the lecture by sharing the cyber security contact details.

The association also awarded Mr. Ameer Ali a memento as a token of love. Athif Noor from BSC Computer Science concluded the program by sharing great feedback and giving a vote of thanks. Students from the BSC computer science department and the BSC double main attended the session. CS department professors Mr. Jamshad sir, Mr. Shamsudheen sir, Mrs. Sahla Ma'am, and Union Representative Aysha Hasna also adorned the audience section.

Overall, the program was a total success, providing insightful knowledge about cyber security.

INTRODUCTION

EMEA College of Arts & Science, located in Kondotty, Malappuram District, Kerala, stands as a distinguished constituent college affiliated to the University of Calicut. The institution takes pride in its academic diversity and performance. The college currently provides a comprehensive range of programs. This includes five Postgraduate (PG) programs and ten Undergraduate (UG) programs, showcasing a commitment to academic excellence and diversity

About the Organizer

Established in 1984, the Postgraduate Department of Commerce stands as a prominent and influential department at EMEA College. It encompasses two undergraduate programmes and one postgraduate programme, boasting of a dedicated team of well-qualified faculty members. The department has consistently demonstrated notable academic progress, contributing significantly to the educational landscape of the college. The Entrepreneurial Skill Development Club (ED Club) is a student-led organization dedicated to uniting individuals and ideas to cultivate an engaging learning atmosphere for entrepreneurship. Our objective is to nurture the entrepreneurial spirit and mindset, guiding students in establishing valuable connections, accessing resources, and gaining real-world experiences essential for initiating or expanding a thriving enterprise.

The Postgraduate Department of Commerce and the Entrepreneurship Development Club, EMEA College of Arts and Science, Kondotti, are excited to offer a seminar focused on imparting valuable insights into achieving financial independence and literacy. Recognizing the crucial role of financial education in the contemporary world, we believe that this seminar strongly aligns with the objectives of the Kerala State Higher Education Council to foster comprehensive and practical learning experiences.

Technical Session-II

The second Technical Session of the event was conducted by Mr. CA Samlmanu K K, Deputy General Manager at the Securities and Exchange Board of India (SEBI), Mumbai. The session focused on providing a comprehensive understanding of investments in the primary market. Mr. Samlmanu K K, being an expert in the field, delivered a detailed and insightful presentation, shedding light on various aspects of primary market investments.

The session was presided over by Mr. Aboobacker Siddeequ KC, Assistant Professor of Commerce at EMEA College. Mr. Siddeequ, as the session chair, added value to the discussion by facilitating interactions and encouraging participants to seek clarification on intricate concepts

Mr. Samlmanu K K's presentation not only covered the fundamentals but also delved into the intricacies of investment strategies and risk management in the primary market. The engaging and informative nature of the session provided attendees with a valuable learning experience.

Overall, Technical Session Two proved to be a significant and enlightening segment of the event, contributing to the participants' knowledge and understanding of investment dynamics in the primary market. The seamless coordination between the speaker and the session chair ensured a smooth and productive flow of information

Topic Presentation: Investing In Primary Market

Day2

12-December, 2023 -Tuesday

The third Technical Session of the event was conducted under the theme "Investing in the Secondary Market and Precautions in the Security Market." **Dr. Sanesh C, an Empaneled Securities Market Trainer with SEBI and NISM**, expertly led the session. With comprehensive insights, Dr. Sanesh elucidated various avenues available for investment in the security market. Additionally, he provided valuable guidance on the crucial aspect of opening a D-Mat account to facilitate trading.

The session was conducted under the chairmanship of Mr. Munavar Jasim PK, Assistant Professor of Commerce. Mr. Jasim PK played a pivotal role in moderating the session, ensuring a smooth flow of information and fostering an interactive environment. Participants were encouraged to pose queries and seek clarification on the intricacies of investing in the secondary market.

Dr. Sanesh C's presentation was marked by its clarity and depth, covering not only the opportunities for investment but also emphasizing the precautions necessary for navigating the security market. The session proved to be an enriching experience for the attendees, providing them with a comprehensive understanding of effective strategies for investing in the secondary market

The enlightening Two-Day National Seminar on "Financial Literacy for Financial Freedom" provided valuable insights into understanding the operations of both the Primary and Secondary Stock Markets. Recognizing the pivotal role of financial education in today's world, we deem this seminar a success and firmly align it with the objectives of the Kerala State Higher Education Council to promote comprehensive and practical learning experiences..
