**PROGRAM REPORT ON:**

**UNTANGLE: UNLOCK THE SKILLS**

| 21<sup>ST</sup> JULY 2023

# INTRODUCTION

A soft skill is a personal attribute that supports situational awareness and enhances an individual's ability to get a job done. The term *soft skills* is often used as a synonym for people skills or emotional intelligence. Unlike hard skills, which describe a person's technical ability to perform a specifically-defined task, soft skills are broadly applicable across job titles and industries. It's often said that while hard skills might get someone an interview, soft skills will help that person get and keep the job.

Business executives and leaders are making soft skills more of a priority when hiring, as they are often essential for workers to succeed in modern organizations. Thus, the necessity of providing a session on this.

# UNTANGLE:

UNLOCK THE SKILLS

*21<sup>ST</sup> JULY 2023, 03.00 PM, BBA HALL*

## PROGRAMME SCHEDULE

WELCOME SPEECH : MUHAMMED ASMAL

PRESIDENTIAL ADDRESS: HANAA MOOSA KOYA (Assistant  
Professor)

INAGURATION : ASIF. N (HOD)

FELICITATION : SAMEERA (Assistant Professor)

VOTE OF THANKS : FATHIMA NAJA P.K

### **4. Programme description**

The seminar on "PAVE YOUR PATH TO EXCELLENCE!" as a part of the seminar series in computing skills was organized by the Computer Science Department of EMEA College in association with 1o1 LearnersClub, with the aim of providing students with insights into the rapidly evolving landscape of information technology and corporate socaity. The seminar on "PAVE YOUR PATH TO EXCELLENCE!" proved to be an enriching experience for all participants. It provided a comprehensive overview of the transformative technologies shaping the IT landscape, overview of industrial opportunities and offered a platform for meaningful discussions between academia and industry. The event underscored the importance of staying abreast of technological advancements and fostering a culture of continuous learning within the IT community. It is hoped that such initiatives will continue to inspire and equip students to contribute effectively to the rapidly evolving IT industry.

## **Summary of the Programme**

With the aim of improving the communicative skills of the students in English language, PG Department of English, EMEA College of Arts and Science, Kondotti, in collaboration with the Skill Development Centre, Amal College of Advanced Studies, organized a capacity enhancement programme at 10 AM on 17<sup>th</sup> November 2023 at the college Audio Visual Theatre.

Dr. Afsal PC, Assistant Professor, PG Department of English, presented the theme note of the programme and welcomed the gathering. Ms. Haulath K, Joint Coordinator, Internal Quality Assurance Cell, inaugurated the programme. The programme was attended by one hundred and sixty-six (166) students of the department.

### **Expected Outcome:**

1. Students will improve their English language skills.
2. Students will be aware the job opportunities in the field of English Language Skills
3. Students will be motivated to enroll for Cambridge English Upskill Courses
4. Students will improve in their accent and intonation patterns

The Department of Mathematics and Physics at EMEA College, Kondotty, organized a Capacity Enhancement Program on Interview Skills, Preparation, and Presentation on February 6, 2024. The program was held at 2:30 PM and conducted by Dr. Afsal PC, Assistant Professor in English.

The event commenced with a warm welcome speech by Mr. Muhammed Ajmal, Assistant Professor in Mathematics, who extended greetings to all attendees and highlighted the significance of the program. Following the welcome speech, Dr. Ashraf Valoor, Assistant Professor in Political Science, delivered felicitations, acknowledging the importance of interview skills in today's competitive world.

Dr. Afsal PC then took the stage to impart valuable insights and strategies on interview techniques, preparation methods, and effective presentation skills. His expertise and engaging delivery captivated the audience, providing them with practical tips and techniques to enhance their performance in interviews.

The session concluded with a vote of thanks delivered by Ms. Manal Muhammed, expressing gratitude to the organizers, speaker, and attendees for their participation and contributions to making the event a success.

Overall, the Capacity Enhancement Program served as a valuable platform for students and faculty members to enhance their interview skills, preparation strategies, and presentation techniques, contributing to their overall professional development and success in future endeavors.

## **SKILL DEVELOPMENT SERIES – I**

### **WEAVE WONDERS: UNVEILING THE HIDDEN SKILLS**

The Commerce Club organized a captivating and insightful event titled "Weave Wonders: Unveiling the Hidden Skills" on 26th July 2023. Mr. Nahas Sha A.A was the staff coordinator while Hani Kodakkaden of B.com CA 2021-24 batch was the student coordinator. The event aimed to provide a platform for students to explore and enhance their understanding of unique skills that often go unnoticed. The event comprised two engaging segments: a thought-provoking talk show by a podcaster and an astonishing mentalism show.

#### **EVENT HIGHLIGHTS:**

##### **1. TALK SHOW BY SAMEER ROSHAN:**

The event kicked off with an intriguing talk show led by Sameer Roshan, a distinguished figure in the podcasting realm. The talk show focused on uncovering hidden skills and talents that individuals possess and how these skills can be harnessed to create opportunities and personal growth. Sameer Roshan shared personal anecdotes and expert insights, emphasizing the importance of recognizing and nurturing one's unique abilities. The interactive session encouraged students to reflect on their own hidden skills and provided valuable guidance on how to develop and utilize them effectively.

A Talk show is a captivating and enlightening program that offers a well-rounded portrayal of the podcasting world and the dedicated individuals who drive this medium forward. By exploring the podcasters' journeys, challenges, and triumphs, the program fosters a deeper appreciation for the power of audio storytelling and its potential to create positive change in the digital age. Whether you're an avid podcast listener or a curious observer, a talk show is sure to leave you inspired and eager to explore the diverse world of podcasting.

## 2. MENTALISM SHOW:

The second segment of the event featured a mind-boggling mentalism show by Ayush Krishna, a skilled mentalist and illusionist. Through a series of captivating acts, Ayush Krishna demonstrated the power of observation, intuition, and psychology. The audience was left in awe as Ayush Krishna accurately predicted choices, and showcased remarkable feats of mind reading. The performance not only entertained the attendees but also highlighted the incredible potential of the human mind.

Mentalism can offer several benefits to college students, both in their academic pursuits and personal development. Mentalism is the art of using psychological techniques to create the illusion of mind-reading or extraordinary mental abilities. Practicing mentalism can enhance various skills and qualities that are valuable in a college setting and beyond. Here are some of the benefits:

*Improved communication skills:* Mentalism often involves interacting with people and reading their reactions and body language. As college students, developing strong communication skills is essential for presentations, public speaking, and building meaningful connections with peers and professors.

*Enhanced observation and critical thinking:* Mentalism requires acute observation and quick thinking. College students can benefit from this as they learn to analyze complex academic material, participate in debates, and solve problems effectively.

*Boosted confidence:* Mastering mentalism techniques can boost self-confidence, which can translate to more assertiveness in social situations and presentations. Increased confidence can lead to better academic performance and more opportunities for personal growth.

*Creative thinking and problem-solving:* Mentalism requires creative thinking to devise new tricks and illusions. This creativity can spill over into academic projects and help students approach challenges with fresh perspectives.

## **CONCLUSION:**

Weave Wonders:-Unveiling the Hidden Skills was a remarkable event that showcased the diverse talents within the student community. Through the insightful talk show and mesmerizing mentalism show, attendees were reminded of the incredible potential that lies within each individual. The event was a testament to the Commerce Club's commitment to providing enriching experiences that go beyond the academic realm, fostering personal growth and empowerment.
